CAUTION TO THE PUBLIC.

EYE AND EAR.

THE Hastings Caronicle contains an advertisement under the above head, from one "CHARLES E. WALL," who boldly styles himself "Dr. Wall," and states in his advertisement that "he visits Belleville for me. That he has passed many years in my Office as Principal Operator, and hopes therefore, not to be classed among the travelling quacks who merely desire to fill their pockets, &c."

In answer to this advertisement, and as a protection to myself and the Public I feel it my duty to say that said Wall was formally dismissed from my Office, (where he had served two and a-half years) on the 20th of Oct. last. That he does not visit Belleville for me, nor of my knowledge, and further-more, that he never has been principal operator in my Office at any time. And that he has no license or authority whatever, to practise or assume the title of Dr. and that, therefore, the advertisement and the advertiser, are both a fraud upon the Public.

The Liver Invigorator.

PREPARED by Dr. Sanford, is a Great Scientific Medical Discovery, and is daily working cures almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver Complaint from the Jaundice or Dyspepsia to a common headache, all of which are the result of a Diseased Liver.

The Liver is one of the principal regulators of the human body, and when it performs its functions well the powers of the system are fully developed, the stomach is almost entirely dependent on the Liver for the healthy performance of its functions. When the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence of the Liver—having ceased to do its duty. For the diseases of that organ, one of the proprietors has made it his study, in a practice of more than twenty years to find some remedy, wherewith to counteract the many derangements to which it is liable. To prove that this remedy is at last found out any person troubled with any of its forms, has been formed by distributing that part of convictions certain. The active virtues of a compound has gums and extracts which remove all morbid solving gums and matter from the system, supplying which is soluble for the medicine. These gums invigorate the stomach, causing bile, invigorating their proper healthy action food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the causes of the disease and effecting a radical cure without any of the disagreeable after effects, felt by using Calomel or Mineral Poison, that is usually resorted to.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring prevents nightmare.

Only one dose taken at night loosens the bowels gently, and cures costiveness.

One dose taken after each meal will cure Dyspepsia.

☞ One dose of two teaspoonfuls will always relieve Sick Headache.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves Cholic, while

One dose often repeated is a sure cure for Cholera Morbus, & a preventative of Cholera.

One dose taken often ten will prevent the recurrence of bilious attacks, while it relieves all painful feelings.

☞ Only one bottle is needed to throw out of the system these effects of medicine after a long sickness.

One bottle taken for Jaundice removes all yellowness or un natural color from the skin.

One dose taken a short time before eating gives vigor to the appetite and makes food digest well.

One dose often repeated cures Chronic Diarrhœa in its worst forms, while summer and bowel complaints yielded almost to the first dose.

One or two doses cures attacks caused by worms, while for worms in children, there is no surer, safer or speedier remedy in the world as it never fails.

There is no exaggeration in these statements they are plain sober facts, that we can give evidence to prove, while all who use it are giving their unanimous testimony in its favor.

Among the hundreds of Liver Remedies now offered to the public, there are none we can so fully recommend as Dr. Sanford's Invigorator, so generally known now throughout the Union. This preparation is truly a Liver Invigorator, producing the most happy results on all who use it. Almost innumerable certificates have been given of the great virtue of this medicine by those of the highest standing in Society, and we know it to be the best preparation now before the public.—Hudson County Democrat.

THE Restorative of Prof. O. J. Wood, for Restoring hair perfectly and permanently, has never yet had a rival; volume after volume might be given from all parts of the world and from the most intelligent to prove that it is a perfect Restorative; but read the circular and you cannot doubt; read also the following.

☞ The Hair—People have for centuries been afflicted with bald heads, and the only remedy, heretofore known, has been those abominable wigs. By a recent discovery of Professor Wood these articles are being fast dispensed with, but a great many persons still patronize them, because they have been so often imposed upon by Hair Tonics of different kinds. To all such persons we earnestly make the request, that they will try once, again, for in Wood's Restorative there is no such thing as fail. We know a lady who was bald, who used the article a short time, and her head is now covered completely with the tinliest and most beautiful curls imaginable. We know of numerous cases where hair was rapidly falling out, which it restored in greater perfection than it ever had been before.

It is also without doubt one of the best articles for keeping the hair in good condition, making it soft and glossy, removing dandruff, and has proved itself the greatest enemy to all the ills that hair is heir to.

It is the duty of every one to improve their personal appearance though some may differ in regard to the ways of doing it; but every one will admit that a beautiful head of hair, either in man or woman, is an object much to be desired, and there are no means that should be left untried to obtain such a consideration.—Woman's Advocate, Philadelphia.

Cochocton, Ohio, Nov. 17, 1856.

O. J. Wood & Co.—Gents: As I have been engaged in selling your Hair Restorative the last season for one of your local agents (R. M. Hackinson,) and having experienced the beneficial effects of it myself, I would like to obtain an agency for the State of Ohio, or some State in the West should you wish to make such an arrangement, as I am convinced there is nothing equal to it in the United States, for restoring the Hair. I have been engaged in the Drug business for several years, and have sold various preparations for the hair, but have found nothing that restores the secretive organs or invigorates the scalp as well as yours, being fully convinced that your restorative is what you represent it to be, I would like to engage in the sale of it, for I am satisfied it must sell. Yours truly,

S. T. STOCKMAN.

Wayland, Mass., Feb. 5, 1857.

Prof. O. J. Wood & Co.—Gents: Having realized the good effects of your Hair Restorative, I wish to state, that finding my hair growing thin, as well as gray, I was induced from what I read and heard, to try the article prepared by you, to promote its growth and change its color as it was in youth, both of which it has effected completely. In the operation I have used nearly three bottles. Yours &c.,

WONDERFUL COINCIDENCE

All Nations of the same Mind!

HOLLOWAY'S OINTMENT.

The anniversary of the introduction of Holloway's Ointment ought to be a jubilee forever. It has saved countless multitudes from disfigurement, paralysation, mutilation, agony and death. Starting from the surface to which it is applied, its healing balm finds its way through every coating and ligament of the body, to the very source and basis of all eruptive, ulcerous, tumorous, and cancerous diseases. It extinguishes the febrile principle that feeds them, and the outward symptoms fade, heal, and pass away with a rapidity incredible to those who have not witnessed it.

Scrofula, Eruptions and Ulcers.

The poison of Scrofula has never been neutralized or expelled by any of the remedies of the pharmacopœia. The Sole Antidote to this virulent and destructive element, is Holloway's Ointment. Majendie & Brodie, the great French and English surgeons, do not deny or dispute this great fact. There is no form of scrofula that may not be controlled and cured by this balsamic remedy.

Cancers and Tumors.

The knife or caustic may remove a cancer or tumor, but the seeds of the terrible excrescence remain in the blood, and it is soon reproduced in a worse form than before. Holloway's Ointment, on the contrary, penetrates into the circulation, and pervades every infected vesicle, and kills the disease by destroying the corrosive principle that generated and sustains it.

Inflammations of the Skin.

All rashes and ordinary eruptions, as well as ERYSIPELAS ACNE, RINGWORM, CARBUNCLES, SCALD HEAD, SALT RHEUM, LEPROSY, PRICKLY HEAT, &c., are removed by a few brisk applications of the Ointment.

ACCIDENTAL INJURIES.

WOUNDS, SPRAINS, BRUISES, SCALDS and BURNS are immediately relieved by its application. The inflammation quickly subsides fever and lockjaw are prevented, and under a preserving use of the preparation, the process of healing is soon accomplished.

Both the Ointment and the Pills should be used in the following cases:

Bunions,	Rheumatism,	Sore Throats,
Burns,	Ringworm,	Sores of all kinds
Chapped Hands,	Salt Rheum,	Sprains,
Chilblains,	Scalds,	Stiff Joints,
Fistula,	Skin Diseases,	Tetters,
Gout,	Swollen Glands,	Ulcers,
Lumbago,	Sore Legs	Venereal Sores,
Mercurial Eruptions,	Sore Breasts,	Wounds of all kinds
Piles,	Sore Heads,	

☞ CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernable as a water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

*** Sold at the Manufactory of Professor Holloway, 80 Maiden Lane, New York, 244 Strand London, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in pots at 25 cents, 63 cents, and $1 each.

☞ There is a considerable saving by taking the larger sizes.

THE MOST POPULAR BOOK OF THE DAY IS

MABEL VAUGHAN.

The new Tale by the Authoress of "The Lamplighter," almost universally pronounced "One of the Most Successful Works of Fiction ever issued in this Country."

One of our best Critics says:—

"It is a charming story, to which the character of Rose gives the same interest and beauty which little Gertrude and the old Lamplighter gave to the author's first production; while, considered as a piece of literary mechanism, it is more finished and better sustained.—The interest of the story does not flag, and its arrangement and execution is far in advance of The Lamplighter."

For sale at the City Book Store, Price 1s. 10½ The American copyright edition is sold at $1. d233

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common Pasture Weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst Scrofula down to a common Pimple. He has tried it in over eleven hundred cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two are bottles warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two or three bottles will clear the system of biles.

Two bottles are warranted to cure the worst anker in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of erysipelas.

One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running in the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruptions of the skin.

Two to three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most desperate case of Rheumatism.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Chatham N H, Dec 5th, 1855.

In December, 1839 I was taken with the Rheumatics; since then I have suffered every thing but death for fourteen years.

I have paid $800 to different doctors, and never received any benefit, not even to the amount of one dollar.

Last June I heard of your Discovery. I told a man I would try it. He said I had tried everything and there was no help for me, I was so old, being 78 years of age. He was a good doctor so called. I told him nothing ventured
