CAUTION TO THE PUBLIC.

EYE AND EAR.

THE Hastings Chronicle contains an advertisement under the above head, from one "CHARLES E. WALL," who boldly styles himself "Dr. Wall," and states in his advertisement that "he visits Belleville for me. That he has passed many years in my Office as Principal Operator, and hopes therefore, not to be classed among the travelling quacks who merely desire to fill their pockets, &c."

In answer to this advertisement, and as a protection to myself and the Public, I feel it my duty to say that said Wall was formally dismissed from my Office, (where he had served two and a half years) on the 20th of Oct. last. That he does not visit Belleville for me, nor of my knowledge, and further-more, that he never has been principal Operator in my Office at any time. And that he has no license or authority whatever, to practise or assume the title of Dr., and that, therefore, the advertisement and the advertiser, are both a fraud upon the Public.

THE Restorative of Prof. O. J. Wood, for Restoring hair perfectly and permanently, has never yet had a rival; volume after volume might be given from all parts of the world and from the most intelligent to prove that it is a perfect Restorative; but read the circular and you cannot doubt; read also the following.

☞ The Hair.—People have for centuries been afflicted with bald heads, and the only remedy, heretofore known, has been those abominable wigs. By a recent discovery of Professor Wood these articles are being fast dispensed with, but a great many persons still patronize them, because they have been so often imposed upon by Hair Tonics of different kinds. To all such persons we earnestly make the request, that they will try once again, for in Wood's Restorative there is no such thing as fail. We know a lady who was bald, who used the article a short time, and her head is now covered completely with the tiniest and most beautiful curls imaginable. We know of numerous cases where hair was rapidly falling out, which it restored in greater perfection than it ever had been before.

It is also without doubt one of the best articles for keeping the hair in good condition, making it soft and glossy, removing dandruff, and has proved itself the greatest enemy to all the ills that hair is heir to.

It is the duty of every one to improve their personal appearance though some may differ in regard to the ways of doing it; but every one will admit that a beautiful head of hair, either in man or woman, is an object much to be desired, and there are no means that should be left untried to obtain such a consideration.—Woman's Advocate, Philadelphia.

Cochocton, Ohio, Nov. 17, 1856.

O. J. Wood & Co.—Gents: As I have been engaged in selling your Hair Restorative the last season for one of your local agents (R. M. Hackinson,) and having experienced the beneficial effects of it myself, I would like to obtain an agency for the State of Ohio, or some State in the West should you wish to make such an arrangement, as I am convinced there is nothing equal to it in the United States, for restoring the Hair. I have been engaged in the Drug business for several years, and have sold various preparations for the hair, but have found nothing that restores the secretive organs or invigorates the scalp as well as yours, being fully convinced that your restorative is what you represent it to be, I would like to engage in the sale of it, for I am satisfied it must sell. Yours truly,

S. T. STOCKMAN.

Wayland, Mass., Feb. 5, 1857.

Prof. O. J. Wood & Co.—Gents: Having realised the good effects of your Hair Restorative, I wish to state, that finding my hair growing thin, as well as gray, I was induced from what I read and heard, to try the article prepared by you, to promote its growth and change its color as it was in youth, both of which it has effected completely. In the operation I have used nearly three bottles. Yours &c.,

Elegant Personal Requisites.

Under the Patronage of Royalty and the Aristocracy throughout Europe!

And universally preferred and esteemed.

The Successful Results of the last half Century have proved, beyond question, that

"*ROWLANDS' MACASSAR OIL,*

Possesses particularly nourishing powers in the growth, restoration, and improvement of the Human Hair, and is now universally acknowledged to be the cheapest, and superior to all other preparations for the Hair. It prevents it from falling off or turning grey—strengthens weak hair—cleases it from Scurf and Dandriff—and makes it beautifully soft, curly, and glossy. In the growth of the Beard, Whiskers, Eyebrows, and Mustachios, it is unfailing in its stimulative operation. For Children it is especially recommended as forming the basis of a beautiful head of hair.—Price 3s. 6d. and 7s.; Family Bottles (equal to 4 small), 10s. 6d.; and double that size, 21s.

NEW LABEL.—To prevent the substitution of Spurious Imitations for the genuine article, by unprincipled Shopkeepers, a New Label from Steel, by Messrs. Perkins, Bacon & Co., of London, is now used, which cannot be forged. The subjoined is a small copy in outline of a portion of the Label, as it appears round the bottle.

ROWLANDS' MACASSAR OIL

Another portion contains the signature of the Proprietors in red ink,

"A. ROWLAND & SONS."

ROWLANDS' KALYDOR,

AN ORIENTAL BOTANICAL PREPARATION FOR

Improving and Beautifying the Complexion.

It eradicates all Redness, Tan, Pimples, Spots, Freckles, Discolorations, and other cutaneous visitations. The radiant bloom it imparts to the Cheek, and the softness and delicacy which it induces of the Hands and Arms, render it indispensible to every toilet. It obviates all the effects of Climate on the Skin, whether with reference to cold and inclemency, or intense solar heat, and affords immediate relief in cases of sunburn, stings of insects, or incidental inflammation.—Price 4s. 6d. and 8s. 6d. per bottle.

SOUND AND WHITE TEETH

Are not only indispensibly requisite to a pleasing exterior in both sexes, but they are peculiarly appreciated through life as a blessing highly conducive to health and longevity by the proper mastication of food.

ROWLANDS' ODONTO,

Compounded of Oriental ingredients, imported at great expense, this Powder is of inestimable value in preserving and beautifying the Teeth, imparting to them a pearl-like whiteness, strengthening the gums, and in rendering the breath sweet and pure.

CAUTION.—The words "Rowlands' Odonto" are on the Label, and "A. Rowland & Sons, 20, Hatton Garden," engraved on the Government Stamp affixed on each Box.

WONDERFUL COINCIDENCE

All Nations of the same Mind!

HOLLOWAY'S OINTMENT.

The anniversary of the introduction of Holloway's Ointment ought to be a jubilee forever. It has saved countless multitudes from disfigurement, paralysation, mutilation, agony and death. Starting from the surface to which it is applied, its healing balm finds its way through every coating and ligament of the body, to the very source and basis of all eruptive, ulcerous, tumorous, and cancerous diseases. It extinguishes the febrile principle that feeds them, and the outward symptoms fade, heal, and pass away with a rapidity incredible to those who have not witnessed it.

Scrofula, Eruptions and Ulcers.

The poison of Scrofula has never been neutralized or expelled by any of the remedies of the pharmacopœia. The Sole Antidote to this virulent and destructive element, is Holloway's Ointment. Mr. Jendie & Brodie, the great French and English surgeons, do not deny or dispute this great fact. There is no form of scrofula that may not be controlled and cured by this balsamic remedy.

Cancers and Tumors.

The knife or caustic may remove a cancer or tumor, but the seeds of the terrible excrescence remain in the blood, and it is soon reproduced in a worse form than before. Holloway's Ointment, on the contrary, penetrates into the circulation, and pervades every infected vesicle, and kills the disease by destroying the corrosive principle that generated and sustains it.

Inflammations of the Skin.

All rashes and ordinary eruptions, as well as ERYCIFELAS, ACNE, RINGWORM, CARBUNCLES, SCALD HEAD, SALT RHEUM, LEPROSY, PRICKLY HEAT, &c., are removed by a few brisk applications of the Ointment.

ACCIDENTAL INJURIES.

WOUNDS, SPRAINS, BRUISES, SCALDS and BURNS are immediately relieved by its application. The inflammation quickly subsides fever and lockjaw are prevented, and under a preserving use of the preparation, the process of healing is soon accomplished.

Both the Ointment and the Pills should be used in the following cases:

Bunions,	Rheumatism,	Sore Throats,
Burns,	Ringworm,	Sores of all kinds
Chapped Hands,	Salt Rheum,	Sprains,
Chilblains,	Scalds,	Stiff Joints,
Fistula,	Skin Diseases.	Tetters,
Gout,	Swollen Glands,	Ulcers,
Lumbago,	Sore Legs,	Venereal Sores,
Mercurial Eruptions,	Sore Breasts,	Wounds of all kinds.
Piles,	Sore Heads,	

☞ CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernable as a water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

*** Sold at the Manufactory of Professor HOLLOWAY, 80 Maiden Lane, New York, 244 Strand London, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in pots at 25 cents, 63 cents, and $1 each.

☞ There is a considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each pot. 226

THE MOST POPULAR BOOK OF THE DAY IS

MABEL VAUGHAN.

The new Tale by the Authoress of "The Lamplighter," almost universally pronounced "ONE OF THE MOST SUCCESSFUL WORKS OF FICTION EVER ISSUED IN THIS COUNTRY."

One of our best Critics says:—

"It is a charming story, to which the character of Rose gives the same interest and beauty which little Gertrude and the old Lamplighter gave to the author's first production; while, considered as a piece of literary mechanism, it is more finished and better sustained. The interest of the story does not flag, and its arrangement and execution is far in advance of The Lamplighter."

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common Pasture Weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst Scrofula down to a common Pimple. He has tried it in over eleven hundred cases, and never failed except in two cases, (both thunder humor.) He has now in his possession over two hundred certificates of its value, all within twenty miles of Boston.

Two are bottles warranted to cure a nursing sore mouth.

One to three bottles will cure the worst kind of pimples on the face.

Two or three bottles will clear the system of biles.

Two bottles are warranted to cure the worst canker in the mouth and stomach.

Three to five bottles are warranted to cure the worst case of erysipelas.

One to two bottles are warranted to cure all humor in the eyes.

Two bottles are warranted to cure running of the ears and blotches among the hair.

Four to six bottles are warranted to cure corrupt and running ulcers.

One bottle will cure scaly eruptions of the skin.

Two to three bottles are warranted to cure the worst case of ringworm.

Two to three bottles are warranted to cure the most desperate case of Rheumatism.

Three to four bottles are warranted to cure salt rheum.

Five to eight bottles will cure the worst case of scrofula.

A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.

Dr. Kennedy.—Dear Sir: In hopes to be a benefit to my fellow-man, I write to you what your Discovery has done for me.

In December, 1839, I was taken with the Rheumatics; since then, I have suffered every thing but death for fourteen years.

I have paid $800 to different doctors, and never received any benefit, not even to the amount of one dollar.

Last June I heard of your Discovery. I told a man I would try it. He said I had tried everything and there was no help for me, I was so old, being 78 years of age. He was a good doctor, so called. I told him nothing ventured nothing made.

I got one bottle of your Discovery. Before I got it I heard the clock strike every hour for five nights. On the fourth night I took one spoonful, and the next morning I was in no more pain—no more than a child two years old, and have been gaining ever since. I am now, Dec. 15th, 1855, on my sevent
