Ownership Deed Should Be Required For Car

Ontario garage operators recently called attention to what they termed a "racket" in the used car field. They claimed it was costing unsuspecting buyers in this province alone something like a million dollars yearly because there was no law in Ontario providing for property deeds for automobiles.

In this so-called racket the original seller is the villain and the garage man or dealer the innocent go-between. The trouble stems from the fact that a lot of people borrow money on their cars and forget to mention the fact when they sell.

According to one speaker at a recent garage owner's convention there is no way at present for a man buying a used car to find out if there are any liens on it. That is unless the original seller chooses to tell, and apparently quite a few forget.

On the other hand, the new owner takes over such liens or loans, whether he is aware they exist or not. There are three or four such cases every week. It was suggested the remedy was to make it necessary to have a deed of ownership for every automobile, not just a license card, on which it would be compulsory to note all borrowings where the machine was put up for security. If this kind of fraud is as widespread as is claimed, the idea appears to be a good one.

Flesherton Majors gave a good account of themselves Saturday night in an exhibition game with the Russell team of the Owen Sound City Senior League, whey they defeated the visitors 11-5 in a splendid game. Play was close the first period and neither team scored, but in the second period the deluge came and the locals counted seven times and Owen Sound four. The last period the Majors counted four with Owen Sound racking up their fifth with two minutes to go. The game was fast throughout and the fans were given plenty of action. This was the first senior game for Dave McGee in goal and he gave a good account of himself as he coolly turned back the attackers when they were close in.

In Memoriam

CROFT — In loving memory of dear Wife and Mother, Mrs. N. Croft, who passed away March 9th, 1949.

Two dear bright eyes, a tender smile
A loving heart that knew no guile,
Deep trust in God that all was right.
Her joy to make some other bright
If sick or suffering one she knew,
Some gentle act of love she'd do.
No thought of self but of the "other"
We know He said "Well done, dear Mother."

—Always remembered by Husband, Muriel and Ted.

NEWELL — In loving memory of William J. Newell, who passed away March 18th, 1945.

—Ever remembered by his Wife, Annie, and Family: Florence, Marjory and Ted.

RADLEY — In loving memory of a dear Mother, Christena Radley, who left us six years ago, March 17th, 1944.

God, forgive a silent tear,
Always wishing she were here:
There were others, yes, we know,
But she was ours, and we loved her so.

Liberal Leader Was Lauded By Parties

A member of the Legislature for 24 years, Farquhar Oliver, Liberal member for South Grey and acting House leader for his party, was honored last week by all parties as he celebrated his 46th birthday. Good-naturedly the speakers referred to his political career after wishing him many years of health and happiness.

Mr. Oliver was first elected to the Legislature in 1926 and has represented South Grey continuously since that time, holding Cabinet posts in three governments.

According to reports, Mr. Oliver will not be a candidate for the leadership of the party in the province when a convention is called to choose a leader. Last year he resigned and despite urging by many of his friends, will not attempt to regain the office he gave up.

H. C. Nixon, another Liberal veteran of the House, in paying tribute to his colleague, said "Nothing would please us better than to see Mr Oliver carry on indefinitely."

Premier L. M. Frost, Opposition Leader E. B. Joliffe and A. A. McLeod, Labor-Progressive leader all paid tribute to Mr. Oliver's long-time record as a public servant.

Essence Of Reverence Theme Of Church Sermon

A beautiful bouquet of spring flowers adorned the Altar at St. John's United Church last Sunday evening. It was placed there by Mr. and Mrs. Bill Bell in loving memory of the latter's brother, Keith Cairns, whose sudden death occurred four years ago this month.

Rev. A. G. Macpherson spoke on the Essence of Reverence, the second in the Lenten series on The Lord's Prayer. Drawing examples from both the Old and New Testaments, Mr. Macpherson called attention to the elements of holy fear, a sense of sin, wonder and love as being parts of true reverence for God and His Christ. This reverence, he said, had to be deliberately cultivated by regular worship and constant regard for all the sacred relationships of life.

Attention was called during the service to the beautiful new brass railing and velvet drapes recently placed behind the organ seat by the Woman's Association.

Misses Margaret and Janet Macpherson sang a duet entitled, "All Praise to Thee, O God, This Night."

SOLD SOWS TO STATES

Last week Mr. Ross Stevens shipped three of his bred registered Yorkshire sows to a buyer near Detroit at a fancy price. Ross has been breeding these qualified sows for some years and has made a real success of his venture.

Card of Thanks

I wish to express my deep appreciation to friends and neighbors for their cards, letters, treats and kind enquiries on my behalf while I was in Owen Sound Hospital.

Children's Color Book New Safety Weapon

Urging every member of the Ontario Legislature to aid in the continued battle against traffic accidents, Highways Minister George Doucett recently showed the members his four-year-old safety campaign's newest educational device, "The ABC's of Traffic Safety" a crayon coloring book for young children.

"More children are killed by traffic accidents than by any single disease of childhood," Mr. Doucett told the Legislature. He explained that this tragic condition had existed for years, not only in Ontario, but in all other areas with motor traffic. Some progress had, he said, been made in reducing child deaths in proportion to the volume of traffic — but that makes a grim picture to describe "to a mother and father who have lost a child."

"The ABC's of Traffic Safety" has on each page a drawing illustrating a common cause of accidents to children. The drawing is an outline for children to color in with paint or crayons. Also on each page is a letter of the alphabet beginning a safety rule in rhyme to help children remember it. The firts one is: "A is for ACCIDENT, we learn to prevent, Let's always be careful wherever we're sent."

DUNDALK LEODS STAYNER IN SEMI-FINAL GAMES

Dundalk defeated Stayner Monday night 5-4 to take a one-game edge in the play-offs in the Central Ontario League. They had previously lost at home and then won at Stayner. The fourth game is being played at Stayner tonight, Wednesday. Dundalk needs one more win to clinch the group leadership.

MARKDALE MIDGETS TONIGHT
