LITTLE GIANT.
Corn and Cob, Pea and Oat Mill!
THIS MILL combines, in a remarkable manner, SIMPLICITY and POWER, and may be adjusted and put into operation by any person, (no matter how ignorant he may be of machinery); while its efficiency, as a
Corn and Cob Crusher,
surpasses anything of the kind in existence, and fully warrants the unique appellation of the "Little Giant."
This crusher is adapted not only to the grinding of Ear Corn for feed, but also to the cracking of Corn, Peas, and Oats, together; an which it is unrivalled.
The economy of grinding up cobs with corn is hardly now an open question. Full experiments have been made, and the results frequently published. It is not pretended that the cobs are rich in the element of nutrition, compared with the grain, but they have been found to yield spirit or distillation, a proof that they are far from valueless, and also answer admirably the purpose of promoting the necessary distention of the stomach, and promoting digestion.
The "Little Giant" is of two sizes, costing respectively $40 and $60. It will turn out, according to size, from ten to twenty bushels an hour and do its work most thoroughly and satisfactorily!
These Mills are to be had in all the principal Towns in Canada.

THE LIVER
INVIGORATOR!
PREPARED BY DR. A. N. ARNOLD
Compounded entirely from Gums,
IS one of the best Purgative and Liver Medicines now before the public, that acts as Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.
The Liver is one of the principal regulators of the human body, and when it performs its functions well the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions. When the stomach is at fault, the bowels are at fault, and the whole system suffers in consequence—the Liver—having ceased to do its duty. For the diseases of that organ, one of the proprietors has made it his study, in a private practice of more than twenty years to find some remedy wherewith to counteract the many derangements to which it is liable.
To prove that this remedy is at last found any person troubled with Liver Complaint in any of its forms, but to try a bottle, and conviction is certain.
These Gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the disease—effecting a radical cure.
Bilious attacks are cured, and, what is better, prevented, by the occasional use of the Liver Invigorator.
One dose after eating is sufficient to relieve the stomach and prevent sour rising and souring.
Only one dose taken before retiring prevents nightmare.
Only one dose taken at night loosens the bowels gently, and cures costiveness.
One dose taken after each meal will cure Dyspepsia.
One dose of two teaspoonfuls will always relieve Sick-Headache.
One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.
Only one dose immediately relieves Cholic, while
One dose often repeated is a sure cure for Cholera Morbus, a preventative of Cholera.
One dose taken at ten will prevent the recurrence of bilious attacks, while it relieves all painful feelings.
☞ Only one bottle is needed to throw out of the system the effects of medicine after a long sickness.
One bottle taken for Jaundice removes all yellowness or unnatural color from the skin.
One dose taken a short time before eating gives vigor to the appetite and makes food digest well.
One dose often repeated cures Chronic Diarrhœa in its worst forms, while summer and bowel complaints yield almost to the first dose.
One or two doses cures attacks caused by worms, in children, there is no surer, safer, or speedier remedy in the world, as it never fails.
☞ A few bottles cure Dropsy by exciting the absorbents.
We take pleasure in recommending this medicine as a preventive for Fever and Ague, Chill, Fever, and all Fevers of Bilious Type. It operates with a certainty, and thousands are willing to testify to its wonderful virtues.
All who use it are giving their unanimous testimony in its favor.
☞ Mix Water in the mouth with the Invigorator, and swallow both together.
THE LIVER INVIGORATOR
is a Scientific Medical Discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver Complaint, from the worst Jaundice or Dyspepsia to a common Headache, of all which are the result of a Diseased Liver.

3.
THE NORTH BRITISH REVIEW (Free Church)
4.
THE WESTMINSTER REVIEW (Liberal).
5.
BLACKWOOD'S EDINBURGH MAGAZINE (Tory.)
These Periodicals ably represent the three great political parties of Great Britain—Whig, Tory, and Radical,—but politics forms only one feature of their character. As Organs of the most profound writers on Science, Literature, Morality, and Religion, they stand as they have ever stood, unrivalled in the world of letters, being considered indispensable to the scholar and the professional man, while to the intelligent reader of every class they furnish a more correct and satisfactory record of the current literature of the day, throughout the world, than can be possibly obtained from any other source.
Early Copies.
The receipt of Advance Sheets from the British Publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

N. B. The price in Great Britain of the five Periodicals above-named is $31 per annum.
THE FARMER'S GUIDE
To Scientific and Practical Agriculture. By Henry Stephens, F.R.S., of Edinburgh, and the late J. P. Norton, Professor of Scientific Agriculture in Yale College, New Haven. 2 vols. Royal Octavo. 1600 pages, and numerous Wood and Steel Engravings.
This is, confessedly, the most complete work on Agriculture ever published, and in order to give it a wider circulation the publishers have resolved to reduce the price to
FIVE DOLLARS FOR THE TWO VOLUMES!
When sent by mail (post-paid) to California and Oregon the price will be $7. To every other part of the Union, and to Canada (post paid) $6. ☞ This work is not the old "Book of the Farm."
Remittances for any of the above publications should always be addressed, post paid, to the Publishers,

The magnificent A 1 Clipper Ship
"MINNEHAHA,"
1800 Tons Register, BEAUCHAMP, Master,
Is now loading, and will sail on this, her second voyage, for Melbourne direct, on 20th February.
The ship has a long poop cabin, commodious staterooms, and the arrangements for light, ventilation and cleanliness, are such as cannot possibly exist in the between decks of a two deck-ship. Persons who have already crossed the Atlantic will appreciate this. The rates of passage are the same as charged by Baines & Co's Black Ball Line, from Liverpool, and are as low as can be afforded, consistent with the requirements of passengers. The provisions are, as heretofore, of the very best quality. Second cabin passengers are furnished with fresh bread not less than three days in the week.
RATES OF PASSAGE.
Children in arms free; two years and under twelve, half price; First Cabin, $200, Berths in Staterooms in Second Cabin, $120. Second cabin passengers furnish their own soap and towels; all other requirements furnished by the ship.
Rates of Freight, $10 per Ton.

PROF. O. J. WOOD—Dear Sir: Some time last summer we were induced to use some of your Hair Restorative, and its effects were so wonderful, we lost it our duty to you and the afflicted to report it.
Our little son's head for some time had been perfectly covered with sores, and some called it scald head. The hair almost entirely came off in consequence, when a friend, seeing his sufferings, advised us to use your Restorative; we did so with little hope of success, but to our surprise, and that of all our friends, a very few applications removed the disease entirely, and a new and luxuriant crop of hair soon started out, and we can now say that our boy has as healthy a scalp, and as luxuriant a crop of hair as any other child. We can therefore, and do hereby recommend your Restorative, as a perfect remedy for all diseases of the scalp and hair. We are, yours respectfully,
GEORGE W. HIGGINBOTHAM,
SARAH A. HIGGINBOTHAM.
Gardiner, Maine, June 22, 1855.
PROF. O. J. WOOD—Dear Sir: I have used two bottles of Professor Wood's Hair Restorative, and can truly say it is the greatest discovery of the age for restoring and changing the Hair. Before using it I was a man of seventy. My hair has now attained its original color. You can recommend it to the world without the least fear, as my case was one of the worst kind.
Yours Respectfully,
O. J. WOOD & Co., Proprietors, 312 Broadway, New York.
