## Monteith Students <sup>1973.</sup> take trip

It was a great time for students of Grades one, two and three of Monteith Public School recently when they visited Kirkland Lake and saw a fire hall, a bakery and a farm.

Teachers Mrs. Jean Kent and Miss Sandra Johnston supervised the trip.

At the fire station, the children inspected fire engines; at Northern Canada Bakery, they were given chocolate donuts by Mr. Robert Howie; at the farm they met Vic and Leona Harmon and saw many animals.
