Flu Bug Got The Editor

This week we have to apologize to our readers for being so late in publishing The Advance. The first of the week we took the 'flu and when you get that you've had it, as so many have found out this winter. We hope that it will not happen again.

Junior Choirs Led Services

Junior choirs led the singing at Flesherton, Proton and Eugenia United churches on Palm Sunday. The leaders in charge were Mrs. J. E. Milne Mrs. Norman Reddick and Miss Blanche Walker respectively.

At Flesherton the large congregation almost filled the church. A bouquet of lovely daffodils, donated by Miss Kate MacMillan added greatly to the enjoyment of the service.

Rev. A. G. Macpherson spoke on the fourth part of The Lord's Prayer, "Thy will be done." This prayer, he said, was not a surrendering of our personal freedom, nor was it a mere fatalistic submission to the inevitable in life. It was, rather, a voluntary co-operation with God, a deliberate consecration to follow the Father's will. Jesus in Gethsemane was the supreme example.

It is not the Father's will, Mr. Macpherson maintained, that thousands of our youth be slaughtered on the battlefield, or that cancer should strike down so many of our people every year, or that drunken drivers should be allowed to kill so many on our highways. Rather, it was the Father's will that we use our God-given intelligence and will-power to cure all these diseases and moral evils. True freedom does not consist in doing as we like, regardless of the effects on others, but in learning to do what is in line with infinitely greater wisdom of the heavenly Father

Everyone in the community is urged to keep this Holy Week as reverently as possible, and to attend the inter-church service in St. John's at 11 o'clock Good Friday morning.

CREAM

Now that the roads are open, why not deliver your cream to the Flesherton Creamery and receive the extra 2 cents per pound. At the same time bring your eggs. We pay top market price for your produce.

CULL YOUR POULTRY FLOCK

Since the prices of feeds are high, how about culling those hens which are not laying, before they go into their molt. We take fowl, either dressed or alive, and pay top market prices.

Pet Dog Aids In Troubles On Proton Mail Route

(By Victoria Corners Reporter)

Not to be out of keeping with the old legend "April Fool Day," our weather really gave us the works with all the fury of snow and blow at the last of March and first of April. Our mailmen have had a tough two months' work taking the mail around their routes with modern ways of plowing some roads and not others. (No. 2 route is probably one of the worst hit and many days the carrier, Joe Little, was unable to make his rounds. Ed. Cornett, supply carrier for No. 1 route, helped out by taking mail for those whose homes lay on his trip home. At Walter Croft's corner, he left their's and Wm. McMillan's mail in a basket at a post. Walter would collect it and, tieing McMillan's mail, would hand it to his dog, who in turn joyfully trotted over to the McMillan home with their mail. One day the tables were turned. Mr. "Mac" got the mail and telephoned the Croft home. Walter send the dog over to McMillan's, but this day it was a sad little doggie that reached their home. Brightness shone on its face when mail was produced and he gleefully returned to his master with the prize. Hats off to the canine family. The little dog also delights in bringing his master's slippers, rubbers, egg basket and has several other little stunts.

Progressive Euchre And Bridge Largely Attended

Eighteen tables of progressive euchre and six of bridge were played at an evening sponsored by the Flesherton W. I. in aid of the Centre Grey Hospital fund. Mrs. Norman Stoddart and Harry Solomon were winners of the euchre, with John McDonald winning the low and John McKinnon the lucky chair prize. For bridge the prizes were won by Mrs. Robt. Down of Markdale and Mr. Ralph of Flesherton, while Mrs. W. E. Fisher of Markdale won the low prize and Reg Boden took the lucky prize. Another euchre is being held Wednesday night, April 12th, when plenty of accommodation will be available for players.

Proton W. I. Donates $25.00

Eighteen members of Proton Station W. I. met in the home of Mrs. Ed. Stinson and mother, Mrs. Wm. Ludlow, on Thursday afternoon, March 23rd. The March motto was "Health is wealth, let no man be a spendthrift." A short story of olden times in comparison with to-day was the answer to the roll call. Mrs. Elwood Stevens read the scripture, while Mrs. Ed. Stinson read the current events. The W. I. president, Mrs. Hindle, requested the option of the members on the request of a donation toward modernizing the Centre Grey General Hospital, and $25.00 was voted to this worthwhile project. Plans were made for the selling of two quilts.

The meeting was then turned over to the program convener, Mrs. Elwood Stevens who, in turn, gave an interesting agricultural paper. Good readings were given by Miss Lackie and Mrs. Earl Best. Lunch was provided by the hostess and hostesses and helpers, Mrs. Gilbert Little, Mrs. Earl Best, Mrs. Joe Watson and Mrs. Fothergill.

IN MEMORIAM

ALLISON — In loving memory of a dear sister, Mary (Mrs. Telse Allison), who left us suddenly on April 4th, 1948.

She travelled life's journey with courage,
She helped others on their way,
She lived out each day in fulfilments,
With a heart always cheerful and gay;
She laboured and loved and was happy,
Through her love we shall meet her some sweet day.

—Always remembered by Sisters and Brother.

Service Club Entertains Hockey Boys At Banquet

The Midget and Juvenile hockey players of the village were guests of the Flesherton Service Club at a banquet held in the Fraternal Hall on Friday evening, when about one hundred were in attendance. The boys were congratulated on the success of their playing and the coaches were complimented on the manner in which the boys carried out their playing assignments.

Following the banquet, a number of speeches were delivered. H. A. McCauley, president of the Service Club, presided. Short addresses were given by the following: J. A. Richards, president of the senior hockey club, Murray Juffs of the high school staff, Bob Phillips, one of the coaches, W. E. Loucks, chairman of the public school board; P. S. McDougal, who spoke on behalf of the fathers, Jack Milne and Junior Henderson on behalf of the boys.

Rev. Keith MacMillan, of Owen Sound, formerly of Flesherton, introduced the guest speaker of the evening, Doug. Gillespie of Owen Sound, who has starred on both hockey and lacrosse teams. Mr. Gillespie gave the boys some good advice, to whom his remarks were chiefly directed, and advised them to secure a good education before taking up hockey as a career, and gave a thorough outline on the requirements of a good athlete. We are crowded for space this week or would give a more detailed report of Doug's address, as it was worth-while.

Rev. A. G. Macpherson expressed the appreciation of the gathering and thanked Mr. Gillespie for his splendid talk, on behalf of all those present.

Owen Sound Car Driver Was Found Negligent

Wm. Ford of Owen Sound was found 100 per cent negligent in an automobile accident which occurred a mile north of Flesherton on Feb. 29, 1948. The action was brought for damages as a result of the a collisinn, before Judge G. W. Morley at Owen Sound on Monday, by Herbert Betts and his son, Edgar, of Artemesia. Edgar had suffered a broken right arm in the accident and had been off work on his father's farm for more than two months. He was allowed $350.00, damages, loss of time, etc., and costs set on the County Court scale.

EWE HAD FOUR LAMBS

A ewe owned by Cliff Allen gave birth to four lambs, but only three are now living. We haven't heard of four lambs having been born in this district previous to this one.

DIED

ROBINSON — At Feversham on Monday, April 3rd, 1950, Eli Robinson, in his 83rd year, dear father of John and Annie at home, and Dorothy, Mrs. Dick Fadden, of Barrie, and brother of Amelia Ann, Feversham. Funeral service to be held on Wed., April 5th, at his late residence at 2 p.m., interment in Presbyterian Cemetery at Feversham.

In Memoriam

BEST — In loving memory of our husband and father, George Best, who passed away April 7th, 1949.

There's an open gate at the end of the road
Through which each must go alone,
And here in a light we cannot see
Our Father claims His own.

Beyond that gate our loved one
Finds happiness and rest,
And there is comfort in the thought
That a loving God knows best.

—Sadly missed by Wife, Daughter and Sons.

Flesherton W. I. will meet at the home of Mrs. Cornfield for the April meeting on Monday the 17th, 8 p.m. Election of officers. Roll call: April fool joke. Lunch com.: cake, Mrs. F. McTavish, Mrs. E. Wickens, Mrs. F. Genoe; sandwich, Mrs. Hawken, Mrs. W. Kaitting, Mrs. H. Fawcett. Note change of date of meeting.

Talk On High School Area Held At Flesherton Tuesday

Members of school boards and municipal councils from Centre Grey attended a meeting in Flesherton on Tuesday evening to discuss the question of a high school district. There were about 35 present, with Frank Sawyer, Markdale, as chairman and Mrs. Thos. Lancashire, Dundalk, as secretary. Two previous meetings had been held to discuss the question. High School Inspector S. D. Rendall was present at this meeting. In his address, Mr. Rendall stressed that the new provincial grants favored the high school district as against the unorganized territories.

At the conclusion of his talk, and on motion of Alfred Down of Chatsworth and Wm. Marshall of Markdale, the following question was put to the meeting: "Are you in favor of the benefits to be derived from a workable, larger high school district?" The meeting voted almost unanimously in the affirmative and, on the suggestion of Mr. Rendall, agreed to send a copy of the motion and question to all municipal clerks in Centre Grey.

On motion of H. A. McCauley of Flesherton and Dr. S. C. Sudden of Dundalk, it was agreed to hold another meeting in May. Mr. Rendall said that he would be present and would bring with him Mr. Duffin of the school inspector's office. Members of councils and school boards throughout the district, Warden Ashley McCallan, and members of the education committee of Grey County Council will be invited to attend.

Sign on display of spring frocks: "The Last Word." Well, that's what women always want, isn't it.

Loaded Truck Turned Over

(By Victor Corners Reporter)

Due to a sleet storm during the night a week ago Sunday, a truck driven by Mr. Hugh Storey of Oakville fell prey to the icy pavement and ended on its side, a few yards below the gateway at Jas. Forbes' farm, about three a.m. The occupants, Mr. and Mrs. Storey, went into the Forbes home, where their needs were kindly ministered to. Littlejohns wrecking service was soon on the scene, as was the highway patrol truck. These men assisted in unloading the cargo of plywood, which they covered with tarpaulins. The truck was taken into Flesherton and repaired, returning about nine a.m. Mrs. Storey accompanied a hired driver and assistant, John McKinnon and Garnet Hamilton of Flesherton, to Southampton, where they disposed of the load. Mrs. Storey's glasses were broken and she had a small gash on her face. Mr. Storey was less fortunate as, on arriving home that evening, he went to his doctor and was found to have a broken collar bone.

The Storey's are owners of a large trucking business at Oakville and have travelled No. 10 Highway many times during the past four years. Strangely enough these people were of strong Scotch nationality and, peculiarly enough, received assistance in our Scotch gravel pit settlement. Tuesday, the little Forbes girls happily received generous Easter favors from the Storey's.
