"I'm just on my way to the bank"

He is just one of the hundreds who during the day will drop into the branch bank around the corner.

Savings depositors with their pay cheques . . . retail merchants with the day's cash . . . people consulting the manager about loans, others cashing cheques . . . it is all part of the daily work of the branch bank.

In ten years the number of accounts maintained by bank depositors has grown from 5,000,000 to 8,000,000.

This shows how Canadians have come to count on their local banks for a great variety of services. The banks keep pace with the growing needs of the nation.

J. L. Armstrong, Specialist Ottawa, Ont.

Dear Sir,- Troubled with large scrotal hernia for 11 years, which two costly operations failed to correct, I became quite discouraged.

While visiting me two years ago, my elder brother told me he had been cured with your patented appliance. I at once had you fit me and I am pleased to inform you that it caused a complete cure in eight months. What a relief! At 47 years of age I am beginning to live again. Your appliance does all and more you claim for it.

Gratefully yours,

USE OF TRUCKS ON SUNDAY

There seems to be some misunderstanding in regards to the use of commercial motor vehicles on Sunday. The following is a letter received from the Motor Vehicle Branch, Dept. of Highways, which is self-explanatory.

Dear Sirs,- Replying to your letter of the 14th of February permit me to state that the operation of a commercial motor vehicle on Sunday is not an offence against the Lord's Day Act unless the operation is for the purpose of carrying on business.

Yours, truly,
