KEROSENE OILS,
Distilled from Coal.

SECURED BY LETTERS PATENT.

KEROSENE ILLUMINATING OIL.—The light obtained from this Oil exceeds in brilliancy that of any other oil or fluid heretofore discovered; is inexplosive, and will remain limpid in the very coldest weather.

The Company recommend as the lamps best adapted to this Oil, the Kerosene Lamps, manufactured by the following parties: Messrs. Cornelius & Baker, also, Dyott, of Philadelphia; E. V. Haughwout & Co, 488 Broadway, the Brooklyn Flint Glass Co, No 73 Broad Street, Messrs. Dietz & Co., 132 William Street, L. Mercier, 137 Fifth Street, and H. Edwards, 44 Duane street, N. Y. Samples of the different styles of Lamps can be seen at the Office of the Company.

KEROSENE LUBRICATING OIL, No. 1.—Prepared to suit the finest, and all other kinds of Machinery; burns brilliantly in Locomotive Head Lights, Car Lamps, and all the ordinary Solar and Hand Lamps, and stands as great a degree of cold as the best Sperm Oil, and is admirably adapted to Railroad and Steamship use.

KEROSENE LUBRICATING OILS, Nos. 2 & 3.—Superior Lubricators, and will be found to possess advantages over any Oils in the market at same prices—will not burn—and have been thus prepared to meet the requirements of railroads and others.

KEROSENE BINNACLE OIL.—Prepared expressly for ships' use, and will be found admirably adapted for use of Steamships, Men-of-War, Merchant Vessels, Lake and River Craft, and burns in all the Cabin, Stateroom, Binnacle, Forecastle Lamps, Signal Lanterns, &c.

Binnacle Oil will remain fluid as long as the best Sperm, and will burn all night without requiring to be trimmed, an advantage that will be obvious to every shipmaster.

The Kerosene Oils can be obtained from the Wholesale Oil Dealers, Ship Chandlers, Druggists and Grocers in New York, and the regularly appointed Agents of the Company in many of the principal Towns and Villages of the United States, the Canadas, and the Island of Cuba.

A BEAUTIFUL HEAD
OF
RICH GLOSSY HAIR,
Completely Preserved
TO THE GREATEST AGE.

And who that is gray would not have it restored to former color; or bald, but would have the growth restored, or troubled with dandruff and itching but would have it removed, or troubled with scrofula, scald head, or other eruptions, but would be cured, or with sick head ache, (neuralgia) but would be cured. It will also remove all pimples from the face and skin. Prof. Wood's Hair Restorative will do all this, see circular and the following.

Ann Arbor, November 5, 1856.

Prof. O. J. Wood—Dear Sir: I have heard much said of the wonderful effects of your Hair Restorative, but having been so often cheated by quackery and quack nostrums, hair dyes, &c., I was disposed to place your Restorative in the same category with the thousand and one loudly trumpeted quaqs remedies until I met you in Lawrence county some months since, when you gave me such assurance as induced the trial of your Restorative in my family—first by my good wife, whose hair had become very thin and entirely white, and before exhausting one of your large bottles, her hair was restored nearly to its original beautiful brown color, and had thickened and become beautiful and glossy upon, and entirely over the head; she continues to use it, not simply because of its beautifying effects upon the hair, but because of its healthful influence upon the head and mind. Others of my family and friends are using your Restorative, with the happiest effects; therefore, my skepticism and doubts in reference to its character and value are entirely removed; and I can and do most cordially and confidentially recommend its use by all who would have their hair restored from white or gray [by reason of sickness or age,] to original color and beauty, and by all young persons who would have their hair beautiful and glossy.

Very truly and gratefully yours,
SOLOMON MANN.

Friend Wood; I was a long time after I saw you at Blissfield before I got the bottle of Restorative for which you gave me an order upon your agent in Detroit, and when I got it we concluded to try it on Mrs Mann's hair, as the surest test of its power. It has done all that you assured me it would do; and others of my family and friends, having witnessed its effects, are now using and recommending its use to others as entitled to the highest consideration you claim for it.

Again very respectfully and truly yours,
SOLOMON MANN.

Carlyle, Ill., June 28, 1852.

I have used Prof. O. J. Wood's Hair Restorative, and have admired its wonderful effects. My hair was becoming, as I thought, prematurely gray, but by the use of his Restorative it has resumed its original color, and have no doubt permanently so.

LITTLE GIANT.

Corn and Cob, Pea and Oat Mill!

THIS MILL combines, in a remarkable manner, SIMPLICITY and POWER and may be adjusted and put into operation by any person, (no matter how ignorant he may be of machinery); while its efficiency, as a

Corn and Cob Crusher,

surpasses anything of the kind in existence, and fully warrants the unique appelation of the "Little Giant."

This crusher is adapted not only to the grinding of Ear Corn for feed, but also to the cracking of Corn, Peas, and Oats, together; in which it is unrivalled.

The economy of grinding up cobs with corn is hardly now an open question. Full experiments have been made, and the results frequently published. It is not pretended that the cobs are rich in the element of nutrition, compared with the grain, but they have been found to yield spirit or distillation, a proof that they are far from valueless, and also answer admirably the purpose of procuring the necessary distention of the stomach, and promoting digestion.

The "Little Giant" is of two sizes, costing respectively $40 and $60. It will turn out, according to size, from ten to twenty bushels an hour and do its work most thoroughly and satisfactorily!

These Mills are to be had in all the principal Towns in Canada.

THE LIVER
INVIGORATOR!
PREPARED BY DR. SANFORD,
Compounded entirely from Gums,

IS one of the best Purgative and Liver Medicines now before the public, that acts as Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human body, and when it performs its functions well the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions. When the stomach is at fault, and the whole system suffers in consequence of one organ—the Liver—having ceased to do its duty, that organ, one of the principal regulators, has made it its study, in a practice of more than twenty years to find some remedy wherewith to counteract the many derangements to which it is liable.

To prove that this remedy is at last found any person troubled with Liver Complaint in any of its forms, but to try a bottle, and conviction is certain.

These Gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the cause of the disease—effecting a radical cure.

Billious attacks are cured, and, what is better, prevented, by the occasional use of the Liver Invigorator.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring prevents nightmare.

Only one dose taken at night loosens the bowels gently, and cures costiveness.

One dose taken after each meal will cure Dyspepsia.

☞ One dose of two teaspoonfuls will always relieve Sick-Headache.

One bottle taken for female obstruction removes the cause of the disease, and makes a perfect cure.

Only one dose immediately relieves Cholic, while

One dose often repeated is a sure cure for Cholera Morbus, & a preventative of Cholera.

One dose taken often will prevent the attacks, while it recurrence of billious fevings is needed to throw off the system the effects of medicine after a long sickness.

☞ Only one bottle.

One bottle taken for Jaundice removes all yellowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite and makes food digest well.

One dose often repeated cures Chronic Diarrhœa in its worst forms, while summer and bowel complaints yield almost to the first dose.

One or two doses cures attacks caused by worms, in children, there is no surer, safer, or speedier remedy in the world, as it never fails.

☞ A few bottles cures Dropsy by exciting the absorbents.

We take pleasure in recommending this medicine as a preventive for Fever and Ague, Chill Fever, and all Fevers of Billious Type. It operates with a certainty, and thousands are willing to testify to its wonderful virtues.

All who use it are giving their unanimous testimony in its favor.

☞ Mix Water in the mouth with the Invigorator, and swallow both together.

THE LIVER INVIGORATOR

is a Scientific Medical Discovery, and is daily working cures, almost too great to believe.
