DUNCAN LAKE WAS HOME OF BIG FISH IN SLATER FISH DERBY

Duncan Lake on the East Mountain, east of Kimberley, came into prominence this year in the Frank Slater Fishing Contest when three of the eight prize winning fish were taken out of that little lake. All the other fish were caught in Eugenia Lake, which has been so prominent for many years in this famous contest.

Walter Swannell of Heathcote won first prize with a trout three pounds and three ounces, taken at Duncan Lake, and his two sons, Bob and Dick, placed first and second in the junior division. Wm. Vessie of Owen Sound was second in the senior class with one three pounds, and Willard Shaw, Owen Sound caught his two pounds nine ounce trout on a flat fish to place third, and fourth went to S. E. Allen, a cottage owner near the lake, was fourth with one two pounds, six and a half ounces.

The one who really stole the show was Garry Ricketts of Owen Sound, 8 years old, who took third and fourth prize, catching three altogether.

Fishermen were here all the way from Windsor and Buffalo matching their wits against these fighting fish, most of the fishermen having very good luck and taking home fair catches. Monday was ideal for fishing and one Toronto party caught 17 during the day and evening. The editor and son, Earle, were out Monday night and caught five, three of them being over a pound and a half.

The weather over the week end was extremely cold and many fishermen could not stay out too long at a time. It was one of the most successful opening seasons that have yet been held. A number of the fish caught were hatchery grown.

Local Couple Feted With Surprise Dinner

As Thursday, April 27th, was the 40th wedding anniversary of two well-known residents of Flesherton, Mr. and Mrs. W. T. Genoe were guests of honor at the home of their daughter, Mrs. Arnett, Durham, when a dinner was served to their immediate family to mark the happy occasion.

The dining room was tastefully decorated with ruby bows and white wedding bells, while the two-tier wedding cake centred the table. Immediately following the dinner, the grandchildren presented the honored couple with a beautiful tri lite floor lamp with hand painted shade and ruby trim, also a reversible wool blanket in ruby and gold. Although taken completely by surprise, the recipients both replied fittingly.

Gordon has been with the Bell Telephone Company for thirty-six and a half years and took his superannuation from the Company the middle of April. Local fishermen will have to look to their laurels, as both Mr. and Mrs. McKinnon are ardent fishermen and have enjoyed fishing in this district on the week ends and holidays they would ipend at their cottage. In Memoriam

WILLIAMSON — In loving memory of Geo. Williamson, who died April 27th, 1947.

Dear Brother, years roll on,
How swiftly do they pass,
But time or space cannot erase
Sweet memories will always last.
Yes, memories are all that's left to us
Of all our loved ones gone,
They soothe our heart-ache, dry our tears
While we linger here alone.

—Never forgotten by his only Sister, Mrs. M. Gilbert.

Father And Son Banquet Held In Priceville Church

(By Priceville Reporter)

The Trail Rangers held a Father and Son banquet on Tuesday night of last week in St. Andrew's Church, when a bountiful supper was served.

Following the banquet, Jimmie Carson proposed a toast to the King and response was made by singing the National Anthem. Glen Meads proposed a toast to the Church and response was made by singing "The Church is One Foundation," followed with a toast by Alfred O'dell to the Fathers, Andrew Hincks replying. Mr. Leonard Self of Norval was the guest speaker and gave a splendid talk to both fathers and sons.

Jimmie Carson read a nicely worded address to Rev. L. W. Mould and Kenneth MacPhail presented him with a nice birthday gift, on behalf of the Trail Rangers, for the wonderful work he has done and is doing for the boys each week. Although taken completely by surprise, Mr. Mould thanked the boys for the gift and their best wishes. Mr. Mould then showed moving pictures with his projector, which were enjoyed. The evening was brought to a close with "taps."

The banquet was presided over by Mrs. Elwood Kinsman, Mrs. E. Vergoz, Mrs. Wilfred Frook, Mrs. Don Reiley and Mrs. Jim McDougall.
