Paper and Stationery, Wholesale.

THE Subscribers, in calling the attention of the trade and merchants generally to their Stock of PAPERS and STATIONERY, beg to state that they are now receiving the Papers manufactured at Four Extensive Mills—that they are sole agents for the

First Prize Canadian Manufactured Writing, Printing and Wrapping Papers

The Mills with which they are connected having taken all the First Prizes for Paper at Kingston in 1858, and at Montreal in 1857.

Their Canadian Manufactured Writing Papers are 25 per cent cheaper than imported papers of a similar quality; and as one large Mill is now devoted exclusively to this branch, the quality of the Goods is daily improving, while the increased production has enabled the makers to reduce their prices equal to 10 per cent from the former rates. An unusually large Stock of

WRAPPING PAPER

also on hand, at reduced rates.

The ordinary Sizes of PRINTING PAPER always in Stock, and Paper of any size and weight made to order.

Additional attention will in future be given to

Imported Stationery, &c.,

their intention being to make their Warehouse a Depot where Stationers, Bookbinders, Printers, &c., will always find a full and complete assortment of the best

British and Foreign Staple & Fancy Goods.

Orders per post will have our best attention.

THIS COMPANY is established at South Quebec, for the purpose of connecting the Transit Commerce of the Port of Quebec, and the Grand Trunk Railway, with Ocean Steamers, and the important and increasing Ocean, Lake, and River steam traffic.

The Company provides deep water Wharves for Ocean Ships and Lake and River Craft, with suitable Storage for Flour, Grain, Ashes, Timber, Iron, Coals, Salt, &c., &c., in immediate communication with the Grand Trunk Railway Station at Point Levi.

The Establishment is situated between the Passenger and Goods Depot of the Railway, affording all the security of enclosed Docks and Warehouses.

The Company have four thousand feet of River frontage, with a Timber Cove capable of holding six millions feet in the Raft; where vessels of any class can moor in safety out of the influence of the strong tides, sheltered from the effects of those periodical easterly gales which so frequently cause damage to Shipping on the North side of the St. Lawrence.

Railway Turntables and sidings on the Company's property will enable Goods and Produce to be transferred direct from the Railway Cars and Shipping, and vice versa. Steam Elevators, Cranes, &c., &c., will also be provided for the expeditious and economical loading and unloading of the same.

The site is so commodious as to leave no reasonable doubt that the undertaking will yield a high remunerative return.

Detailed Prospectuses, and every requisite information may be obtained upon application at the Offices of the Company in QUEBEC, or at their Agencies in MONTREAL, TORONTO, CHICAGO, and here to

A new, speedy, and most successful mode of treating Spermatorrhœa, Nervous Debility, and all Urinary and Nervous Diseases.

Seventy Engravings. Price 1s through any bookseller, or post free from the Author for 25 postage stamps.

THE MEDICAL ADVISER on debility both mental and physical, arising from excesses, infection, climate, &c.; remarks on the use of the Microscope, and the devices of certain quacks to alarm the too sensitive invalid; observations on Marriage, the prevention and removal of certain disqualifications, rules for self-treatment, &c. By Walter De Roos, M.D., of the Ecole de Medecine, Paris; Member of the Royal College of Surgeons, London; Licentiate in Midwifery, &c., &c., &c. 10, Berners-street, Oxford street, London. Hours for personal consultation daily from 1 till 4 Sunday excepted.

Sold in Dublin by Beary, 169, Great Britain street, Edinburgh, Robinson, 1 Greenside st, Glasgow, Love, Bookseller, and by all the Agents.

From long practical observation of the treatment pursued in the various Institutions of London and Paris for those diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring the accuracy of diagnosis, and uniform success, which have characterised his practice for so many years in this country, in which the lamentable neglect of those diseases by medical men generally, and their futile attempts to cure by mercury, copaiba, sarsaparilla, &c. have produced most distressing results. Lasting benefit in such cases can only be reasonably expected at the hands of the legally qualified medical man who devotes his chief attention to their removal; and to him only who can show his possession of the necessary qualifications, can confidence be safely extended. Dr D. R. receives with pride to the numbers he has been instrumental in restoring to health and happiness and to those who may be in need of such aid, he offers every assurance of speedy restoration.

Persons residing abroad can be successfully treated by correspondence, on sending a full detail of their case, with a Bank note, or Bill on a London house for £5, in order to have a packet of medicines sufficient to meet the exigencies of the case, sent out by next mail; thus avoiding unnecessary loss of valuable time, and much suffering which might otherwise occur.

The Great European Remedy for Nervousness, Relaxation and Exhaustion.

Protected by Royal Letters Patent of England, and sanctioned by all the great Continental Colleges of Medicine.

DR. DE ROOS' GUTTÆ VITÆ; or LIFE DROPS, are the great remedy for Spermatorrhœa, Exhaustion, Nervousness, Debility, Aversion to and Incapacity for Society, Study or Business, Shaking of the Hands and Limbs, Indigestion, Flatulence, Shortness of Breath, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, Eruptions, Sore Throat, Pains in the Bones, and all those diseases for which mercury, sarsaparilla, &c. are too often employed, to the utter destruction of health. Their almost marvellous powers must be felt to be believed. Hundreds of apparently hopeless cases have been cured, and thousands almost miraculously relieved, when everything else had failed; and they must sooner or later supersede all those questionable remedies which have hitherto been the sole reliance of English medical men.

Price 11s, and four times the quantity at 33s per bottle of the Agents below. The £5 packages containing twelve 11s quantities, (by which £1 12s are saved, will be sent from the Establishment only, on receipt of the amount per draft on a London house or otherwise.

CAUTION.—Sufferers must guard against the recommendation of spurious or other medicines by unprincipled vendors, who thereby obtain a larger profit. The words "Walter De Roos, London," are printed in White letters on the Stamp affixed to the above, by order of Her Majesty's Honorable Commissioners, to protect the public against fraud, as without this none can be genuine, and to imitate which is felony.

Pains in the Back, Gravel, Lumbago, Rheumatism, Gout, Disease of the Kidneys and Bladder, Stricture, &c.

DR. DE ROOS' COMPOUND RENAL PILLS are a well known safe and speedy remedy for the above dangerous complaints, Discharges, and Diseases of the Kidneys and Urinary Organs generally. Possessing tonic properties, they agree with the most delicate stomach, improve the health, and in three days effect a cure when copaiba, cubebs, and all such dangerous medicines have utterly failed. 2s 9d., 4s 6d., 11s and 33s per box, of the Agents below, or post free on receipt of the amount by Dr. DE ROOS, 10, Berners Street, Oxford Street, London.

The superiority of these celebrated Pills over every thing of the kind is universally acknowledged, and no extraordinary demand for them without precedent.

Many there are, who from natural diffidence or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above Pills, the sufferer may without the knowledge of a second person, cure himself speedily, privately, and at the least possible expence.

Sold at Langley's Drug Store, Hollis street, Halifax, Nova Scotia; by Hazzard, Charlottetown, Prince Edward Island; Ward, News Office, Sidney, Cape Breton; Ashton, Richardson & Co., Mount Road, Madras; Howe & Nephew, Agra; Treacher & Co., Poonah and Kurachee; Smith & Co., Scinde; Dodsworth & Co., Cairo, Gomer & Co., and Hawle & Co., Colombo and Candy; Lyman & Co., Montreal; Pestonjee & Co., 1, Military Square, Bombay; R. Rose, Laboratory, Falmouth, and Lawton, Advertiser Office, Kingston, Jamaica; Belchmann and Tait, Port of Spain, Trinidad; Hagan, Weekly Register Office, Antigua; Hayfoot, Belize, Honduras; Weld, Farmer & Co., Kingston, Canada; Strickland & Co., Mobile, Alabama; Stamps, Constantinople; Pabey & Fryer, 184, George-st, Sidney, and Ford, Chemist, Swanston street, Melbourne Australia, of whom also may be had "THE MEDICAL ADVISER," or should difficulty arise in procuring any of the above, enclose the amount by draft or otherwise to 10, Berners Street, Oxford st. London, and they will be securely packed per return. 19
