INVIGORATE THE LIVER.

It is a most undoubted fact that Dr. Sanford's Invigorator, or Liver Remedy is one of the greatest discoveries made in medicine the past century. It has been a study of the Dr. during twenty years practice to find what particular organ, when diseased, caused the greatest number of ills or pains, and his conclusion is, that the liver is the greatest regulator of the system and the most liable to disease, while if kept free from disease is a preventive of Dyspepsia, Jaundice, general debility, &c., while last but far from least we mention consumption; for our experience is that more cases of consumption occur from diseased liver than from all other causes put together.

Taking this to be a correct hypothesis, we have but to find a remedy with which to correct the liver, and we have a cure of nearly all the diseases we are subject to by simply using a preventive. That the Invigorator is such a remedy, is beyond doubt to all who try it, for its virtues are such that for all complaints arising from liver derangements, it is an unfailing remedy, while as a family medicine, for all diseases of the stomach or bowels, which are caused in a greater or less degree by liver derangement, it is the safest, surest and most efficacious remedy known.—Princeton Press.

LADIES AND GENTLEMEN.—We would call your attention to the advertisement of Prof. O. J. Wood's Hair Restorative, which appears in the columns of our present number.

From our long acquaintance with the proprietor, and with numerous individuals who have used his preparation with perfect success for the last two years, we feel no hesitation in recommending the article as superior to any other preparations now in use, for the same purpose, viz: for restoring gray hair to its original color, a sure and perfect cure for baldness, and a never failing preventive for the falling of the hair.

It is decidedly the best and most popular in use for beautifying, preserving restoring, and strengthening the hair, relieving diseases of the skin, and removing scruff, dandruff, and all eruptions and feverish heat from the scalp.

We speak in relation to the above from what we know, having been personally acquainted with numerous persons who have used the restorative for the above purposes with the most gratifying results.

It is not often we notice a patent medicine, indeed, we think we have never puffed one before; but Prof. Wood's Hair restorative is something so superior to most of the preparations of the day, that we cannot forbear asking the attention of our readers to it.—Catholic Vindicator.

DR. SANFORD'S LIVER Invigorator.

It has become an established fact that Dr. Sanford's Invigorator will cure Liver Complaint, Jaundice and general debility. Many people, personally known to us, whose word cannot be doubted, have given their certificates to prove this, and with such a mass of evidence who can doubt.

It is truly the invalid's friend, and will give relief when all other remedies fail, and in some instances that have come under our observation it seemed the means of snatching its victim from the grave. We wish all our readers who need medicine would try one bottle, for it will surely give relief.—True American. 25
