OFFICE—Shaw's Buildings, Quebec.
THIS COMPANY is established at South Quebec, for the purpose of connecting the Transit Commerce of the Port of Quebec, and the Grand Trunk Railway, with Ocean Steamers, and the important and increasing Ocean, Lake, and River steam traffic.
The Company provides deep water Wharves for Ocean Ships and Lake and River Craft, with suitable Storage for Flour, Grain, Ashes, Timber, Iron, Coals, Salt, &c., &c., in immediate communication with the Grand Trunk Railway Station at Point Levi.
The Establishment is situated between the Passenger and Goods Depot of the Railway, affording all the security of enclosed Docks and Warehouses.
The Company have four thousand feet of River frontage, with a Timber Core capable of holding six millions feet in the Raft; where vessels of any class can moor in safety out of the influence of the strong tides, sheltered from the effects of those periodical easterly gales which so frequently cause damage to Shipping on the North side of the St. Lawrence.
Railway Turntables and sidings on the Company's property will enable Goods and Produce to be transferred direct from the Railway Cars and Shipping, and vice versa. Steam Elevators, Cranes, &c., &c., will also be provided for the expeditious and economical loading and unloading of the same.
The site is so commodious as to leave no reasonable doubt that the undertaking will yield a high remunerative return.
Detailed Prospectuses, and every requisite information may be obtained upon application at the Offices of the Company in QUEBEC, or at their Agencies in MONTREAL, TORONTO, CHICAGO, and here to
E. BERRY & Co.
