A BEAUTIFUL HEAD OF RICH GLOSSY HAIR,
Completely Preserved
TO THE GREATEST AGE.

And who that is gray would not have it restored to former color; or bald, but would have the growth restored, or troubled with dandruff and itching but would have it removed, or troubled with scrofula, scald head, or other eruptions, but would be cured, or with sick head ache, (neuralgia) but would be cured. It will also remove all pimples from the face and skin. Prof. Wood's Hair Restorative will do all this, see circular and the following.

Ann Arbor, November 5, 1856.

Prof. O. J. Wood—Dear Sir: I have heard much said of the wonderful effects of your Hair Restorative, but having been so often cheated by quackery and quack nostrums, hair dyes, &c., I was disposed to place your Restorative in the same category with the thousand and one loudly trumpeted quack remedies until I met you in Lawrence county some months since, when you gave me such assurance as induced the trial of your Restorative in my family—first by my good wife, whose hair had become very thin and entirely white; and before exhausting one of your large bottles, her hair was restored nearly to its original beautiful brown color, and had thickened and become beautiful and glossy upon, and entirely over the head; she continues to use it, not simply because of its beautifying effects upon the hair, but because of its healthful influence upon the head and mind. Others of my family and friends are using your Restorative, with the happiest effects; therefore, my skepticism and doubts in reference to its character and value are entirely removed; and I can and do most cordially and confidentially recommend its use by all who would have their hair restored from white or gray [by reason of sickness or age,] to original color and beauty, and by all young persons who would have their hair beautiful and glossy.

Very truly and gratefully yours,
SOLOMON MANN.

Friend Wood; I was a long time after I saw you at Blissfield before I got the bottle of Restorative for which you gave me an order upon your agent in Detroit, and when I got it we concluded to try it on Mrs Mann's hair, as the surest test of its power. It has done at that you assured me it would do; and others of my family and friends, having witnessed its effects, are now using and recommending its use to others as entitled to the highest consideration you claim for it.

Again very respectfully and truly yours,
SOLOMON MANN.

Carlyle, Ill., June 28, 1852.

I have used Prof. O. J. Wood's Hair Restorative, and have admired its wonderful effects. My hair was becoming, as I thought, prematurely gray, but by the use of his Restorative it has resumed its original color, and has no doubt permanently so.

Parties of Pleasure, desirous of visiting the Upper Ottawa can be accommodated on reasonable terms by special arrangement, timely notice being given to make connections off regular day trips.

These Steamers will be prepared to Tow Rafts, Logs, &c., when off trips, at reasonable rates by the hour, mile, or job, as may be agreed upon.

Freights received daily, (Sundays excepted,) from 7 o'clock a.m. to 8 p.m., and forwarded with care and dispatch.

To prevent any misunderstanding or trouble hereafter, notice is hereby given that the Union Forwarding Company will not grant receipts for quantity or quality of whatsoever it may be; and that all Liquors, Wines, &c. badly coopered, or put up in bad casks, leaky, &c. shall be and will be carried at the owner's risk.

Syrups, Oils, Molasses, Beer, Ale, and Porter will be received and carried at the owner's risk in all cases, at any time during the season. Powder will be carried by special arrangement only and safely packed. The Company will not be responsible for any loss or damage to Crockery or Glassware received in a frail condition, nor for Mirrors or Clocks, or for Castings, or any such brittle wares or metals, or for loose Furniture, the Trans-shipping and Portaging en route requiring and exacting from shippers more care and attention to the putting up of packages than has hitherto been manifested, and consequently losses to the carriers. This the Company wish to avoid.

Passengers' baggage at their own risk, unless specially given in charge to a servant of the Company and entered as freight, and charged for accordingly.

The Company having in the past season sustained heavy losses by the too general credit system, are forced to notify parties still indebted that any further accommodation must be refused until arrears are paid, and arrangements made for the future; and also that all accounts for freight or passages are considered due when rendered, and expected to be met in the same spirit as contracted.

'LITTLE GIANT.'

Corn and Cob, Pea and Oat Mill!

THIS MILL combines, in a remarkable manner, SIMPLICITY and POWER and may be adjusted and put into operation by any person, (no matter how ignorant he may be of machinery); while its efficiency, as a

Corn and Cob Crusher,

surpasses anything of the kind in existence and fully warrants the unique appelation of the "Little Giant."

This crusher is adapted not only to the grinding of Ear Corn for feed, but also to the cracking of Corn, Peas, and Oats, together; in which it is unrivalled.

The economy of grinding up cobs with corn, is hardly now an open question. Full experiments have been made, and the results frequently published. It is not pretended that the cobs are rich in the element of nutrition, compared with the grain, but they have been found to yield spirit or distillation, a proof that they are far from valueless, and also answer admirably the purpose of procuring the necessary distention of the stomach, and promoting digestion.

The "Little Giant" is of two sizes, costing respectively $40 and $60. It will turn out, according to size, from ten to twenty bushels an hour and do its work most thoroughly and satisfactorily!

These Mills are to be had in all the principal Towns in Canada.

A new, speedy, and most successful mode of treating Spermatorrhœa, Nervous Debility, and all Urino-Genital Diseases.

Seventy Engravings. Price 1s through all Booksellers, or post free from the Author for 14 postage stamps.

THE MEDICAL ADVISER on decay, both mental and physical, arising from excesses, infection, climate, &c.; remarks on the use of the Microscope, and the devices of certain quacks to alarm the too sensitive invalid; observations on Marriage, the prevention and removal of certain disqualifications, rules for self treatment, &c. By Walter De Roos, M.D., of the Ecole de Medecine, Paris; Member of the Royal College of Surgeons, London; Licentiate; Midwifery, &c., &c., &c., 10, Berners street, Oxford street, London. Hours for personal consultation daily from 1 till 4 Sunday excepted.

Sold in Dublin by Beary, 162, Great Britain street, Edinburgh, Robinson, 1, George street, Glasgow, Love, Bookseller and by all the Agents.

From long practice observation of the treatment pursued in the various hospitals of London and Paris for those diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring the accuracy of diagnosis, and uniform success which have characterised his practice for so many years in this country, in which the lamentable neglect of these diseases is met by men generally, and their fruitless attempts to cure by mercury, copaiba, sarsaparilla, &c. have produced most distressing results. Lasting benefit in such cases can only be reasonably expected at the hands of the legally qualified medical man who devotes his entire attention to their removal; and to him only who can show his possession of the necessary qualifications, can confidence be safely extended. Dr. D. R. refers with pride to the numbers he has been instrumental in restoring to health and happiness; and to those who may be in need of such aid, he offers every assurance of speedy restoration.

Persons residing abroad can be successfully treated by correspondence, on sending a full detail of their case, with a Bank note, or Bill on a London house for £5, in order to have a packet of medicines sufficient to meet the exigencies of the case sent out by next mail thus avoiding unnecessary loss of time and much suffering which might otherwise occur.

The Great European Remedy for Nervousness, Relaxation and Exhaustion.

Protected by Royal Letters Patent of England, and sanctioned by all the great Continental Colleges of Medicine.

R. DE ROOS' GUTTÆ VITÆ; or, LIFE DROPS, are the great remedy for Spermatorrhœa, Exhaustion, Nervousness, Debility, Aversion to and Incapacity for Society, Study or Business, Shaking of the Hands and Limbs, Indigestion, Flatulence, Shortness of Breath, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, Eruptions, Sore Throat, Pains in the Bones, and all those diseases for which mercury, sarsaparilla &c. are too often employed, to the utter destruction of health. Their almost marvellous powers must be felt to be believed. Hundreds of apparently hopeless cases have been cured, and thousands almost miraculously relieved, when everything else had failed; and they must sooner or later supersede all those questionable remedies which have hitherto been the sole reliance of English medical men.

Price 11s, and four times the quantity at 33 per bottle of the Agents below. The £1 packages containing twelve 11s quantities, which £1 12s are saved, will be sent from the Establishment only, on receipt of the amount, or direct on a London house, or otherwise.

CAUTION.—Sufferers must guard against the recommendation of spurious or other medicines by unprincipled vendors, who may be obtain a larger profit. The words "Walter De Roos, London," are printed in White letters on the Stamp affixed to the above, by order of Her Majesty's Honorable Commissioners to protect the public against fraud, as without this none can be genuine, and to imitate which is felony.

Pains in the Back, Gravel, Lumbago, Rheumatism, Gout, Disease of the Kidneys and Bladder, Stricture, &c.

DR. DE ROOS' COMPOUND RENAL PILLS are a well known safe and speedy remedy for the above dangerous complaints, Discharges, and Diseases of the Kidneys and Urinary Organs, generally. Possessing tonic properties, they agree with the most delicate stomach, improve the health, and in three days effect a cure when copaiba, cubebs, and all such dangerous medicines have utterly failed. 2s 9d., 4s 6d, 11s and 33s per box, of the Agents below, or post free on receipt of the amount by Dr. DE ROOS, 10, Berners Street, Oxford Street, London.

The superiority of these celebrated Pills over every thing of the kind is universally acknowledged, and be extraordinary demand for them without precedent.

Many there are who from stern difficulty or fear of discovery, would silently bear their affliction rather than apply for aid to those from whom they may reasonably expect relief. With the above Pills, the sufferer may without the knowledge of a second person, cure himself as easily privately, and at the least possible expense.

THE LIVER INVIGORATOR!

PREPARED BY DR. SANFORD.

Compounded entirely from Gums,

IS one of the best Purgative and Liver Medicines now before the public; that acts as Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject the morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human body, and when it performs its functions well the powers of the system are fully developed. The stomach is almost entirely dependent on the healthy action of the Liver for the proper performance of its functions. When the stomach is at fault, the bowels are affected, and the whole system suffers in consequence—the Liver—having ceased to do its duty that organ, one of the principal regulators of the
