A BEAUTIFUL HEAD
OF
RICH GLOSSY HAIR,
Completely Preserved
TO THE GREATEST AGE.

And who that is gray would not have it restored to former color; or bald, but would have the growth restored, or troubled with dandruff and itching but would have it removed, or troubled with scrofula, scald head, or other eruptions, but would be cured, or with sick headache, (neuralgia) but would be cured. It will also remove all pimples from the face and skin. Prof. Wood's Hair Restorative will do all this, see circular and the following.

Ann Arbor, November 5, 1856.

Prof. O. J. Wood—Dear Sir: I have heard much said of the wonderful effects of your Hair Restorative, but having been so often cheated by quackery and quack nostrums, hair dyes, &c., I was disposed to place your Restorative in the same category with the thousand and one loudly trumpeted quack remedies until I met you in Lawrence county some months since, when you gave me such assurance as induced the trial of your Restorative in my family—first by my good wife, whose hair had become very thin and entirely whitet and before exhausting one of your large bottles, her hair was restored nearly to its original beautiful brown color, and had thickened and become beautiful and glossy upon, and entirely over the head; she continues to use it, not simply because of its beautifying effects upon the hair, but because of its healthful influence upon the head and mind. Others of my family and friends are using your Restorative, with the happiest effects; therefore, my skepticism and doubts in reference to its character and value are entirely removed; and I can and do most cordially and confidentially recommend its use by all who would have their hair restored from white or gray [by reason of sickness or age,] to original color and beauty, and by all young persons who would have their hair beautiful and glossy.

Very truly and gratefully yours,
SOLOMON MANN.

Friend Wood: I was a long time after I saw you at Blissfield before I got the bottle of Restorative for which you gave me an order upon your agent in Detroit, and when I got it we concluded to try it on Mrs Mann's hair, as the surest test of its power. It has done at that you assured me it would do; and others of my family and friends, having witnessed its effects, are now using and recommending its use to others as entitled to the highest consideration you claim for it.

Again very respectfully and truly yours,
SOLOMON MANN.

Carlyle, Ill., June 28, 1852.

I have used Prof. O. J. Wood's Hair Restorative, and have admired its wonderful effects. My hair was becoming, as I thought, prematurely gray, but by the use of his Restorative it has resumed its original color, and has no doubt permanently so.

'LITTLE GIANT.'

Corn and Cob, Pea and Oat Mill!

THIS MILL combines, in a remarkable manner, SIMPLICITY and POWER, and may be adjusted and put into operation by any person, (no matter how ignorant he may be of machinery); while its efficiency, as a

Corn and Cob Crusher,

surpasses anything of the kind in existence, and fully warrants the unique appelation of the "Little Giant."

This crusher is adapted not only to the grinding of Ear Corn for feed, but also to the cracking of Corn, Peas, and Oats, together; in which it is unrivalled.

The economy of grinding up cobs with corn, is hardly now an open question. Full experiments have been made, and the results frequently published. It is not pretended that the cobs are rich in the element of nutrition, compared with the grain, but they have been found to yield spirit or distillation, a proof that they are far from valueless, and also answer admirably the purpose of procuring the necessary distention of the stomach, and promoting digestion.

The "Little Giant" is of two sizes, costing respectively $40 and $60. It will turn out, according to size, from ten to twenty bushels an hour and do its work most thoroughly and satisfactorily!

These Mills are to be had in all the principal Towns in Canada.

A new, speedy, and most successful mode of treating Spermatorrhœa, Nervous Debility, and all Urino-Genital Diseases.

Seventy Engravings. Price 1s through all Booksellers, or post free from the Author for 14 postage stamps.

THE MEDICAL ADVISER on decay, both mental and physical, arising from excesses, infection, climate, &c; remarks on the use of the Microscope, and the devices of certain quacks to alarm the too sensitive invalid; observations on Marriage, the prevention and removal of certain disqualifications, rules for self-treatment, &c. By Walter De Roos, M. D., of the Ecole de Medecine, Paris: Member of the Royal College of Surgeons, London; Licentiate in Midwifery, &c., &c., &c., 10, Berners-street, Oxford street, London. Hours for personal consultation daily from 1 till 4 Sunday excepted.

Sold in Dublin by Beary, 182, Great Britain street, Edinburgh, Robinson, 1 Greenside st, Glasgow, Love, Bookseller, and by all the Agents.

From long practical observation of the treatment pursued in the various Institutions of London and Paris for those diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring that accuracy of diagnosis, and uniform success, which have characterized his practice for so many years in this country, in which the lamentable neglect of these diseases by medical men generally, and their futile attempts to cure by mercury, copaiba, sarsaparilla, &c. have produced most distressing results. Lasting benefit in such cases can only be reasonably expected at the hands of the legally qualified medical man who devotes his chief attention to their removal; and to him only who can show his possession of the necessary qualifications, can confidence be safely extended. Dr D. R. refers with pride to the numbers he has been instrumental in restoring to health and happiness and to those who may be in need of such aid, he offers every assurance of speedy restoration.

Persons residing abroad can be successfully treated by correspondence, on sending a full detail of their case, with a Bank note, or Bill on a London house for £5, in order to have a packet of medicines sufficient to meet the exigencies of the case, sent out by next mail thus avoiding unnecessary loss of valuable time, and much suffering which might otherwise occur.

The Great European Remedy for Nervousness, Relaxation and Exhaustion.

Protected by Royal Letters Patent of England, and sanctioned by all the great Continental Colleges of Medicine.

DR DE ROOS' GUTTÆ VITÆ; or LIFE DROPS, are the great remedy for Spermatorrhœa, Exhaustion, Nervousness, Debility, Aversion to and Incapacity for Society, Study or Business, Shaking of the Hands and Limbs, Indigestion, Flatulence, Shortness of Breath, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, Eruptions, Sore Throat, Pains in the Bones, and all those diseases for which mercury, sarsaparilla, &c. are too often employed, to the utter destruction of health. Their almost marvellous powers must be felt to be believed. Hundreds of apparently hopeless cases have been cured, and thousands almost miraculously relieved, when everything else had failed; and they must sooner or later supersede all those questionable remedies which have hitherto been the sole reliance of English medical men.

Price 11s, and four times the quantity at 33s per bottle of the Agents below. The £3 packages containing twelve 11s quantities, (by which £1 12s are saved, will be sent from the Establishment only, on receipt of the amount per draft on a London house or otherwise.

CAUTION.—Sufferers must guard against the recommendation of spurious or other medicines by unprincipled vendors, who thereby obtain a larger profit. The words "Walter De Roos, London," are printed in White letters on the Stamp affixed to the above, by order of Her Majesty's Honorable Commissioners, to protect the public against fraud, as without this none can be genuine, and to imitate which is felony.

Pains in the Back, Gravel, Lumbago, Rheumatism, Gout, Disease of the Kidneys and Bladder, Stricture, &c.

DR. DE ROOS' COMPOUND RENAL PILLS are a well known safe and speedy remedy for the above dangerous complaints, Discharges, and Diseases of the Kidneys and Urinary Organs generally. Possessing tonic properties, they agree with the most delicate stomach, improve the health, and in three days effect a cure when copaiba, cubebs, and all such dangerous medicines have utterly failed. 2s 9d., 4s 6d., 11s and 33s per box, of the Agents below, or post free on receipt of the amount by Dr. DE ROOS, 10, Berners Street, Oxford Street, London.

The superiority of these celebrated Pills over every thing of the kind is universally acknowledged, and the extraordinary demand for them without precedent

Many there are, who from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above Pills, the sufferer may without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.

Sold at Langley's Drug Store, Hollis street, Halifax, Nova Scotia; by Hazzard, Charlottetown, Prince Edward Island; Ward, News Office, Sidney, Cape Breton; Ashton, Richardson & Co., Mount Road, Madras; Huise & Nephew, Agra; Thacker & Co.; Poonah and Kurnchee; Smith & Co., Scinde; Dodsworth & Co., Clark, Romer & Co., and Gawie & Co; Colombo and Candy; Lyman & Co., Montreal; Pestonjee & Co, 1, Military Square, Bombay; R. THE LIVER
INVIGORATOR!
PREPARED BY DR. SANFORD.
Compounded entirely from Gums,

IS one of the best Purgative and Liver Medicines now before the public, that acts as Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful feelings experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity.

The Liver is one of the principal regulators of the human body, and when it performs its functions well the powers of the system are fully developed, and almost entirely dependent on the action of the Liver for the performance of its functions. If at fault, the bowels are deranged, system suffers in consequence—the Liver—having the principal regulating power—For the diseases of the Liver, and when it performs proprietary remedy, wherewith to the powers of the system, remedy is at last found disarrangements to which it is liable.

To prove that this remedy is at last found any person troubled with Liver Complaint in any of its forms, has but to try a bottle, and conviction is certain.

These Gums remove all morbid or bad matter from the system, supplying in their place a healthy flow of bile, invigorating the stomach, causing food to digest well, purifying the blood, giving tone and health to the whole machinery, removing the cause of the disease—effecting a radical cure.

Bilious attacks are cured, and, what is better, prevented, by the occasional use of the Liver Invigorator.

One dose after eating is sufficient to relieve the stomach and prevent the food from rising and souring.

Only one dose taken before retiring prevents nightmare.

Only one dose taken at night loosens the bowels gently, and cures costiveness.

One dose taken after each meal will cure Dyspepsia.

One dose of two teaspoonfuls will always relieve Sick-Headache.

One bottle taken for female obstruction removes the cause of the disease, and makes a per rect cure.

Only one dose immediately relieves Cholic, while

One dose often repeated is a sure cure for Cholera Morbus, & a preventative of Cholera.

One dose taken often will prevent the recurrence of billious attacks, while it relieves all painful feelings.

Only one bottle is needed to throw out of the system effects of medicine after a long sickness.

One bottle taken for Jaundice removes all yellowness or unnatural color from the skin.

One dose taken a short time before eating gives vigor to the appetite and makes food digest well.

One dose often repeated cures Chronic Diarrhœa in its worst forms, while summer and bowel complaints yield almost to the first dose.

One or two doses cures attacks caused by worms, in children, there is no surer, safer, or speedier remedy in the world, as it never fails.

A few bottles recommending this cures Dropsy by exciting the absorbents.

We take pleasure in recommending this medicine as a preventive for Fever and Ague, Chill Fever, and all Fevers of Billious Type. It operates with a certainty, and thousands are willing to testify to its wonderful virtues.

All who use it are giving their unanimous testimony in its favor.

Mix Water in the mouth with the Invigorator, and swallow both together.

THE LIVER INVIGORATOR

is a Scientific Medical Discovery, and is daily working cures, almost too great to believe. It cures as if by magic, even the first dose giving benefit, and seldom more than one bottle is required to cure any kind of Liver Complaint, from the worst Jaundice or Dyspepsia to a common Headache, of all which are the result of a Diseased Liver.

WONDERFUL COINCIDENCE

All Nations of the same Mind!

HOLLOWAY'S OINTMENT.

The anniversary of the introduction of Holloway's Ointment ought to be a jubilee forever. It has saved countless multitude from disfigurement, paralyzation, mutilation, agony and death. Starting from the surface to which it is applied, its healing balm finds its way through every coating and ligament of the body, to the very source and basis of all eruptive, ulcerous, tumorous, and cancerous diseases. It extinguishes the febrile principle that feeds them, and the outward symptoms fade, heal, and pass away with a rapidity incredible to those who have not witnessed it.

Scrofula, Eruptions and Ulcers.

The poison of Scrofula has never been neutralized or expelled by any of the remedies of the pharmacopœia. The Sole Antidote to this virulent and destructive element, is Holloway's Ointment. Majendie & Brodie, the great French and English surgeons, do not deny or dispute this great fact. There is no form of scrofula that may not be controlled and cured by this balsamic remedy.

Cancers and Tumors.

The knife or caustic may remove a cancer or tumor, but the seeds of the terrible excrescence remain in the blood, and it is soon reproduced in a worse form than before. Holloway's Ointment, on the contrary, penetrates into the circulation, and pervades every infected vessel, and kills the disease by destroying the corrosive principle that generated and sustained it.

Inflammations of the Skin.

All tetters and ordinary eruptions, as well as ERYCIPELAS, ACNE, RINGWORM, CARBUNCLES, SCALD HEAD, SALT RHEUM, LEPROSY, PICKLY HEAT, &c., are removed by a few brief applications of the Ointment.

ACCIDENTAL INJURIES.

WOUNDS, SPRAINS, BRUISES, SCALDS and BURNS are immediately relieved by its application. The inflammation quickly subsides, fever and lockjaw are prevented, and under a preserving use of the preparation, the process of healing is soon accomplished.

Both the Ointment and the Pills should be used in the following cases:

Bunions,	Rheumatism,	Sore Throats,
Burns,	Ringworm,	Sores of all kinds
Chapped Hands,	Salt Rheum,	Sprains,
Chilblains,	Scalds,	Stiff Joints,
Corns,	Skin Diseases,	Tetters,
Gout,	Swollen Glands,	Ulcers,
Lumbago,	Sore Legs,	Venereal Sores,
Mercurial Eruptions,	Sore Breasts,	Wounds of all kinds.
Piles,	Sore Heads,	

CAUTION!—None are genuine unless the words "Holloway, New York and London," are discernable as a water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.
