

successful school fair at Monteith

The Annual Monteith-Shillington Fall Fair was held on September 14 at the Monteith Public School. In spite of its being a very rainy day many attended.

Judges and scribes started to judge at 10 a.m. Because this is such a big task all the judges and scribes were thanked for

helping. Judges and scribes play an important role in the local fall fairs.

There were 1,210 entries this year, which was considered very good. The exhibits were opened for viewing at 1.30.

While judging took place, students and teachers from the two schools, Shillington Senior Public School and Monteith

Public Schools stayed at the Gospel Hall in Monteith, thanks to the members of that church.

At 7 p.m. Mr. Doug Cook started the annual auction of the chickens, vegetables, flowers and baked goods. Assisting were Mr. Gord Phillips, principal of Shillington Senior Public School and Mrs. Kathleen Murray, grades 2 and 3 Monteith school teacher. Mrs. Ann Kriken was recorder and Mrs. Marg McGee looked after cash. Mrs. Janice Wells principal of Monteith School managed the coffee and pop stand on short notice.

The auction was well attended and successful. Proceeds will go to pay the winners in the fair.

Next year the Fall Fair is to be held at the Shillington Senior Public School.
