A BEAUTIFUL HEAD
OF
RICH GLOSSY HAIR,
Completely Preserved
TO THE GREATEST AGE.

And who that is gray would not have it restored to former color; or bald, but would have the growth restored, or troubled with dandruff and itching but would have it removed, or troubled with scrofula, scald head, or other eruptions, but would be cured, or with sick head ache, (neuralgia) but would be cured. It will also remove all pimples from the face and skin. Prof. Wood's Hair Restorative will do all this, see circular and the following.

Ann Arbor, November 5, 1856.

Prof. O. J. Wood—Dear Sir: I have heard much said of the wonderful effects of your Hair Restorative, but having been so often cheated by quackery and quackish nostrums, hair dyes, &c., I was disposed to place your Restorative in the same category with the thousand and one loudly trumpeted quack remedies until I met you in Lawrence county some months since, when you gave me such assurance as induced the trial of your Restorative in my family—first by my good wife, whose hair had become very thin and entirely white and before exhausting one of your large bottles, her hair was restored nearly to its original beautiful brown color, and had thickened and become beautiful and glossy upon, and entirely over the head; she continues to use it, not simply because of its beautifying effects upon the hair, but because of its healthful influence upon the head and mind. Others of my family and friends are using your Restorative, with the happiest effects; therefore, my skepticism and doubts in reference to its character and value are entirely removed; and I can and do most cordially and confidentially recommend its use by all who would have their hair restored from white or gray [by reason of sickness or age,] to original color and beauty, and by all young persons who would have their hair beautiful and glossy.

Very truly and gratefully yours,
SOLOMON MANN.

Friend Wood; I was a long time after I saw you at Blissfield before I got the bottle of Restorative for which you gave me an order upon your agent in Detroit, and when I got it we concluded to try it on Mrs Mann's hair, as the surest test of its power. It has done at that you assured me it would do; and others of my family and friends, having witnessed its effects, are now using and recommending its use to others as entitled to the highest consideration you claim for it.

Again very respectfully and truly yours,
SOLOMON MANN.

Carlyle, Ill., June 28, 1852.

I have used Prof. O. J. Wood's Hair Restorative, and have admired its wonderful effects My hair was becoming, as I thought, prematurely gray, but by the use of his Restorative it has resumed its original color, and has no doubt permanently so.

A new, speedy, and most successful mode of treating Spermatorrhœa, Nervous Debility, and all Urino-Genital Diseases.

Seventy Engravings. Price 1s (though all Booksellers or post free from the Author for 12 postage stamps.

THE MEDICAL ADVISER on decay, both mental and physical, arising from excesses, in youth, chronic, &c.; results on the use of the Microscope, and the services of certain quacks to alarm the too sensitive invalid; observations on marriage, the prevention and removal of certain disqualifications, rules for self treatment, &c. By Walter De Ross, M. D., of the Ecole de Medecine, Paris: Member of the Royal College of Surgeons, London; Incumbent Midwifery, &c., &c., &c., 10, Hanover street, Oxford street, London. Hours for personal consultation daily from 1 till 4 Sunday excepted.

Sold in Dublin by Beary, 182, Great Britain street, Edinburgh, Robinson, 1 Greenside st., Glasgow, Love, Bachelier, and by all the Agents.

From long practical observation of the treatment pursued in the various hospitals of London and Paris for those diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring the accuracy of diagnosis, and uniform success, which have characterized his practice for so many years in this country, in which the lamentable neglect of these diseases by medical men generally, and their injudicious attempts to cure by mercury, copaiba, nitrate of silver, &c., have produced most disastrous results. Lasting benefit in one case can only be reasonably expected at the hands of the legally qualified medical man who devotes his time and attention to their removal; and to him only who can show his possession of the necessary qualifications, can confidence be safely extended. Dr D. R. receives patients at the address he has been instrumental in restoring to health and happiness, and to those who may be never reached at home, he offers every assurance of speedy restoration.

Persons consulting above can be successfully treated by correspondence, on sending a full detail of their case, with a Blank dollar, or Bill on a London house for £5, in order to have a packet of medicines sufficient to meet the exigencies of the case sent out by next mail. Thousands annually have recourse to the advice and much suffering which might otherwise occur.

These powerful restoratives are not to be taken by those who seek only a temporary excitement, but by those who desire the knowledge of a second perfect manhood, purity, and of the great physical energy.
