The longitude of all British charts and maps is reckoned from Greenwich observatory.

When you know the ropes of your business well enough, you're not tied down.

Take it from life insurance companies: Women can expect to live longer than men.

Average profit of Canadian manufacturing companies is only six and two-fifths.

Mr. and Mrs. Albert Reid, Elda and Helen, of Brampton accompanied friends to Dundalk attending the 12th of July celebration, later visiting the Linton and Stewart homes. Mr. and Mrs. Jack Linton, Preston, were recent week end visitors in the same homes.

Mrs. Borman, Ross and baby of Barrie are visiting the former's parents, Mr. and Mrs. Hugh Bumstead. Isobel Bumstead is enjoying some holidays with Markdale friends.

Dr. Paul and Mrs. Leffler and little daughter, Anne, of Pittsburg, Kas., were guests during the week with the former's cousin, Mr. Milton Bannon, and family.

Many from here attended the 12th celebrating in Dundalk. The day was ideal and everybody enjoyed honoring the members of L.O.L. 244, Proton Station, on this, the occasion of their 100th anniversary. Five new members joined the local Lodge at the last meetings, namely: Aubrey Gott, Glenn Nixon, Sandy Walker, Jas. Forbes and Carl Teeter. and a sixth, Elwood Stevens, became a member, being re-instated from the former Gott's Lodge No. 737.

Inistioge W.A. held a booth in the downtown business section at Dundalk, and although business was slow in that part due to activities all being centred at the Park and Arena, the Society cleared $50.00. The ladies were glad to greet Mrs. Jas. Lockhart, her daughter Otillie (Mrs. Bert Rowden) and her two daughters, all of Clinton.

Our deepest sympathy is extended to Mr. and Mrs. Arthur Nicholls in the passing of their infant son in the Centre Grey General Hospital Tuesday night, July 11th. Interment was made in Inistioge Cemetery.

Mr. and Mrs. Wilfred Gallagher were Saturday visitors at Ceylon with Mr. and Mrs. Jas. Copeland.

Little Maureen McGregor, Preston, is enjoying some holidays with her uncle and aunt, Mr. and Mrs. Leslie Batchelor.

Service at Inistioge was held at 2 p.m. on Sunday, with Rev. Paul Christensen in charge. The four Patterson brothers, Jim, Paul, Robert and John, rendered a guartette. Sunday School followed church service with a large attendance. As has been the custom, an item of music is supplied each Sunday by a different family. Sunday was the turn of the Linton family and Douglas favored with two violin selections of sacred songs.

Mr. Walter Nicholls, Mrs. Art Jackson and Mrs. Wm. Crockford received word Friday that their aged mother. Mrs. Wm. Nicholls, Dundalk, while proceeding to her home following a shopping trip down town, had fallen in some manner and fractured her hip. She was removed to Orangeville Hospital, where she is resting as well as can be expected, pending the setting of the injury, when a pin will have to be set in.

Week end guests in the Art Jackson home were: Mr. and Mrs. Joe McCutcheon, Mr. and Mrs. John Arnott and Mrs. Thos. Wilson, all of Toronto.

In most respects the nickel is worth very little today, it is true, but one can still buy $4 worth of noise with it by sticking it in a juke box.

TENDERS WANTED

GREY COUNTY'S GREATEST STREET FROLIC

In the good old days most people thought a person had as much right to work an another person had to strike.

As the Brandon Sun sagely observes: "Sleep proves you can go eight hours without smoking if you really want to."

Commercial fishermen at Pt. Stanley are getting 25 cents per pound for the lowly catfish. Has this any conrection with the sky-high price of meat.
