PERUVIAN SYRUP;
OR, PROTECTED
Solution of Protoxide of Iron
Having successfully passed the ordeal to which new discoveries in the Materia Medica are subjected, must now be received as an established Medicine.
ITS EFFICACY IN CURING
DYSPEPSIA,
Affections of the Liver, Dropsy, Neuralgia, Bronchitis and Consumptive Tendencies, Disordered state of the Blood, Boils, Scurvy, and the prostrating effects of Lead or Mercury, General Debility, and all Diseases which require a
TONIC AND ALTERATIVE MEDICINE
IS BEYOND QUESTION.

THE proofs of its efficacy are so numerous, so well authenticated, and of such peculiar character that sufferers cannot reasonably hesitate to receive the proffered aid.

The Peruvian Syrup does not profess to be a cure-all, but its range is extensive, because many diseases, apparently opposite, are intimately related, and proceeding from one cause, may be cured by one remedy.

The class of diseases for which the Syrup provides a cure, is precisely that which has so often baffled the highest order of medical skill. The facts are simple, the witnesses are accessible, and the safety and efficacy of the Syrup incontrovertible.

Those who may wish for an opinion from disinterested persons respecting the character of the Syrup, cannot fail to be satisfied with the following, among numerous testimonials in the hands of the Agents. The signatures are those of gentlemen well known in the community, and of the highest respectability.

CARD.

The undersigned having experienced the beneficial effects of the "Peruvian Syrup," do not hesitate to recommend it to the attention of the public.

From our own experience, as well as from the testimony of others whose intelligence and integrity are altogether unquestionable, we have no doubt of its efficacy in cases of Incipient Diseases of the Lungs and Bronchial Passages, Dyspepsia, Liver Complaint, Dropsy, Neuralgia, &c. Indeed its effects would be incredible, but from the high character of those who have witnessed them, and have volunteered their testimony as we do only, to its restorative powers.

CERTIFICATE OF DR. HAYES.

It is well known that the medicinal effects of Protoxide of Iron is lost by even a brief exposure to air, and that to maintain a solution of Protoxide of Iron, without further addition, has been deemed impossible.

In the Peruvian Syrup this desirable point is attained by COMBINATION IN A WAY NEVER KNOWN TO AND, this solution may replace all the protocarbonates, citrates and tartrates of the Materia Medica. A. A. HAYES, M. D.

STEAMBOAT NOTICE.

1858. 1858.

THE PUBLIC generally are hereby notified that the Steamers of the Union Forwarding Company have commenced their regular trips for the season, and that the Steamers

'Pontiac,' 'Emerald,' and 'Oregon,'

have been during the past winter very carefully and perfectly over-hauled and put in to excellent order and condition. The Boilers of the 'Emerald' and 'Oregon' have undergone thorough repair, and are pronounced, so far as safety is concerned as good as new. Every requisite and attention, as by law directed, for the safety of passengers has been strictly attended to; and until further notice their Days of Sailing will be as under:

Downwards, from the Rapids des Joachim, passing through Deep River by Day-Light.

Str. PONTIAC, Capt. Jno. G. Cuming, Will leave Des Joachim on Fridays at 6 o'clock a. m., touching at intermediate Stopping places—Arriving at Pembroke at 10 a. m., in time for Stages & Steamer to Portage-du-Fort.—Connecting there with steamers, 'Oregon' and 'Emerald' on Saturdays for Ottawa City and intermediate places.

Str. OREGON, Capt. M. Hilliard, Leaves Portage-du-Fort on Tuesdays, Thursdays, and Saturdays at 7 a. m., touching at Castleford (Farrell's Wharf), Rounechere Point, Bristol, Sand Point, and Aylmer, arriving at Union Village at 10 a. m.,—there connecting by Railroad Chalts Portage (4 miles) with the steamer Emerald for Aylmer and intermediate places—arriving at Aylmer at 3:30 p. m.

Str. EMERALD, Capt. T. A. Cuming, Leaves Aylmer on Tuesdays, Thursdays & Saturdays, at 7 a.m., touching at March, Rocky Point, Crown Point, Quio, Fitzroy Harbor and Pontiac—there connecting with the steamer Oregon for Arnprior, Sand Point, and other stopping places en route—arriving at Portage-du-Fort at 4 p. m., where passengers take Stage for the Interior and Upper Ottawa—connecting at Pembroke with the steamer Pontiac.

Str. PONTIAC, (Upwards.)

Leaves Pembroke on Mondays at 9 a. m.—touching at Pittewawa, Fort William, Point Alexander, and other intermediate stopping places—arriving at Des Joachim early in the afternoon of the same day.

Parties travelling for pleasure, or otherwise will notice that these vessels ply together in Day Light, consequently every opportunity of seeing and enjoying the beautiful and magnificent scenery of the Ottawa is afforded—and particularly that of the Deep River, which is passed, downwards, by early sunrise, and upwards in the afternoon.

Parties of Pleasure, desirous of visiting the Upper Ottawa can be accommodated on reasonable terms by special arrangement, timely notice being given to make connections off regular day trips.

These Steamers will be prepared to Tow Rafts, Logs, &c., when off trips, at reasonable rates by the hour, mile or job, as may be agreed upon.

Freights received daily, (Sundays excepted,) from 7 o'clock a. m., to 8 p. m., and forwarded with care and dispatch.

To prevent any misunderstanding or trouble hereafter, notice is hereby given that the Union Forwarding Company will not grant receipts for quantity or quality of whatsoever it may be; and that all Liquors, Wines, &c., badly coopered, or put up in bad casks, leaky, &c., shall be and will be carried at the owner's risk.

Syrups, Oils, Molasses, Beer, Ale, and Porter will be received and carried at the owner's risk in all cases, at any time during the season. Powder will be carried by special arrangement only, and safely packed. The Company will not be responsible for any loss or damage to Crockery or Glassware received in a frail condition, nor for Mirrors or Clocks, or for Castings, or any such brittle wares or metals, or for loose Furniture, the Trans-shipping and Portaging en route requiring and exacting from Shippers more care and attention to the putting up of packages than has hitherto been manifested, and consequently losses to the carriers. This the Company wish to avoid.

Passengers' baggage at their own risk, unless specially given in charge to a servant of the Company and entered as freight, and charged for accordingly.

The Company having in the past season sustained heavy losses by the too general credit system, are forced to notify parties still indebted that any further accommodation must be refused until arrears are paid, and arrangements made for the future; and also that all accounts for freight or passages are considered due when rendered, and expected to be met in the same spirit as contracted.

Freights from Aylmer to Arnprior, 1s 2d per cwt.

Freights from Ottawa to Arnprior, 1s 9d per cwt.

☞ Should business warrant, the 'Emerald' and 'Oregon' will run daily.—Due notice of change will be given.
