Several hymns were sung and Mr. Gordon read the scripture. Two minutes of silence was observed and the Last Post was sounded by Mr. Cooper. Mr. John L. MacDonald of Ottawa read the names of the fallen in the two world wars.

Splendid addresses were given by Miss Agnes Macphail and Mr. F. R. Oliver. Mr. Archie Sturrock of Dundalk placed the wreath on the memorial, and Mr. Hunter Harrow of Harrow raised the Union Jack. The Durham pipe band provided martial music and led the veterans in the parade to and from the Cenotaph. The editor has a report of the Civic Holiday gathering from our Priceville reporter, but it arrived too late for this issue.

In Memoriam

MAGEE—In loving memory of our dear daughter, Hazel Marjorie, who passed away eight years ago on August 7th, 1942.

Dear Hazel, how much we miss you
No one will ever know,
It seems so long, dear Hazel,
Why did you have to go?
We miss the times we used to have,
The things we used to do,
But God was short of one more hand,
That's why He sent for you.

Richard Porteous Observes His 88th Birthday Sunday

(By Rock Mills Reporter)

A very enjoyable time was spent ta the home of Mr. Jas. Porteous, when relatives gathered on Sunday afternoon to celebrate with Mr. Richard Porteous his 88th birthday. Five generations were present and had their picture taken. Mr. Porteous farmed for many years where Richard Clark now resides, later moving to Flesherton, when he retired over thirty years ago. Since the death of Mrs. Porteous he has made his home with his son, Jim. Mr. Porteous is enjoying good health and able to be about and help with light chores on the farm. His many friends join in wishing him the very best of health and trust that he may be spared to have many more birthday anniversaries.

A dainty supper was served, including a lovely birthday cake, made by his great granddaughter, with candles and other pretty trimmings. Altogether, a happy time was spent. Relatives were present from Toronto, Vandeleur, Ravenna and Eugenia.

Mrs. Chris. Lougheed Dies Following Stroke

(By Stephen's Corners Reporter)

Our communiuty was again saddened Wednesday night by the news of the death of Mrs. Chris. Lougheed at the age of 55 years. She suffered a stroke on Tuesday, July 25th, and at first hopes were held out for her recovery, but the following Saturday she was seized with another stroke from which she failed to rally, and she passed peacefully away on Wednesday night, Aug. 2nd.

Teh late Mrs. Lougheed was born at Bracebridge and came as a young girl to the 4th line, Osprey, where she was raised. She was a kind friend and neighbor and devoted most of her time to her home. Thirty years ago she was married to Chris. Lougheed, who survives, along with a family of three daughters and six sons, namely: Margaret (Mrs. Bert Hawton) of Stayner, Ernest, Percy, Leslie and Lloyd, who are employed away from home, Janet employed at the home of Mr. Wes Plantt, Anna (Mrs. John Blakey) of Banks, and Arnold and Kenneth at home. Two sons, Mervin and Bill, predeceased her. She also leaves in sad bereavement two sisters and a brother, Mrs. Percy Dagg of Cache Bay, Ont., Mrs. Charlie Mulveney of Toronto, and Mr. Eddie Kyle of Timagami, Ont.

The funeral was held on Saturday afternoon, when a short service was held at the home, followed by a public service in Maxwell United Church, where Rev. A. E. Millen brought a comforting message to the family. The hymns used were favorites of Mrs. Lougheed "Jesus is Tenderly Calling To-day" and "O Safe to the Rock that is Higher Than I." The choir rendered "Good-night and Good-morning. Interment was made in the family plot in Maxwell Cemetery.

The casket bearers were: Messrs. Stanley Patton, Wallace Fisher, Joe Porteous, Marvin Londry, Earl Croft and Ray Pedlar.

The floral offerings were beautiful and among them was a basket from the neighbors being carried by Mrs. Earl Croft, Isabel Croft, Mrs. Wes Plantt, Evelyn Fisher, Mrs. Wilbert Fisher and Mrs. Bob Allison.

Among the friends and relatives who attended the funeral from a distance were: Mr. and Mrs. Eddie Kyle of Timagami; Mr. and Mrs. Ansley Milne and Mrs. Weir, Mr. and Mrs. Ray Tuck and Miss May Robinson, all of Duntroon, Mr. and Mrs. John Lougheed, Elmvale; Mr. and Mrs. Hawton, Mrs. Tom Hawton, Mr. and Mrs. Sam Hawton, all of Stayner; Mr. and Mrs. Kenneth McKee, Toronto, and Mr. and Mrs. Bill Crockford, Dundalk.

One by one they go before us,
They are fading like the dew,
But we know they're watching o'er us
They the good, the fair, the true.
They are waiting for us only
Where no pain can ever mar,
Dear ones who left us lonely
Watch us through the gates ajar.

SPLENDID PROGRAM OVER CIVIC HOLIDAY

Another Civic Holiday celebration in Flesherton has come and gone and a most interesting program was provided by the committee in charge. The crowds were not large, due to the excellent haying weather prevailing on Monday, hence it is doubtful if the finances will break even with expenses, which were heavy to provide the type of entertainment given. It was unfortunate that conditions were unfavorable for the crowds to attend. They would have had a good time.

The holiday program opened with a church service in Memorial Park on Sunday afternoon, with Rev. A. J. Fletcher of Cedarside Baptist Chlrch presiding. Rev. G. K. McMillan of Division Street United Church, Owen Sound, and former minister of St. John's, was the guest preacher. The Hanover band provided music for the three hymns and also gave a musical program following the service. Their program was greatly appreciated.

The program at the pond Monday morning was well attended and the program was a pleasing affair, although not as exciting as other years. Four young ladies of the Mermaid Swimming Club of Toronto gave a pleasing demonstration of swimming and were aplauded for their performance. The clown added his bit of fun with his antics. Eddie Frisco gave a fine demonstration of wire walking on the north bank of the pond, but not able to walk the heavy wire over the pond, which gave too much side-sway, and he did not have time to place the ropes to stop sway after he arrived.

The result of the races follow: boys 8-10, M. Lang; girls 8-10, H. Macpherson, P. MacLean; boys 10-13, K. Lang, J. Smith, J. Campbell, E. Stoddart; boys 13-16, J. Smith; girls 13-16, Janet Betts; balloon race, Janet Betts, J. Macpherson, N. Cook; walking greasy pole, J. Crossley, R. Johnson, J. Smith.

The afternoon sports at the ball park saw two good games of ball, a softball game between Maxwell and Dundalk, resulting in a 9-2 win for Maxwell, and the other was a junior baseball game between Markdale and Flesherton, with the home team taking the big end of a 10-5 score.

Between ball games, a program of wire walking and knife throwing was presented by Eddie and Bea Frisco, while Buddy Herrick gave a splendid demonstration of juggling, that was particularly clever and pleasing.

A splendid concert was presented in the rink in the evening, the feature being a laugh-quizz contest in which many residents co-operated to their full extent, to make the program one of the best ever held here. The laugh-quizz was the same as you hear on the radio circuit and thirty prizes of nationally advertised goods were given to the contestants. An instrumental trio from Toronto supplied splendid entertainment with hit tunes of the day. A dance wound up the civic holiday proceedings, with music supplied by the Russell Hill orchestra.

Dances were held in the arena Saturday night, Sunday mid-night and Monday night following the concert.

Cornfield Reunion Held At Sunset Point

An event of interest took place on Sunday afternoon, July 23rd, when the descendants of the late Mr. and Mrs. Geo. Cornfield met at Sunset Point, Collingwood. Guests of honor were Mr. and Mrs. Tom Cornfield, their daughter, Mrs. Pearson, and granddaughter, Lauralu, of Whitehall, Mich. There are only two survivors of this pioneer family, George J., of Kimberley, and Tom, of Whitehall, Mich. Some sixty were present from Toronto, Meaford, Markdale, Rocklyn, Kimberley, Heathcote and Whitehall, Mich. The afternoon was spent in visiting and recalling occurrences of former years. A bountiful supper was enjoyed by all, followed by pictures, including snaps of four generation groups. Although it was the first gathering of this kind for this family, all are looking forward to one next year.

Card of Thanks

We wish to express our gratitude and thanks to our neighbors and other friends for their many acts of kindness to our wife and mother during her illness, and for the kind expressions of sympathy, in word and deed, in our bereavement.

—Chris. Lougheed and Family.

Flesherton Took First Game 12-2 From Durham

At last "Old Man Weather" let our junior baseball team get into action, and they journeyed to Durham Tuesday night for the first game and came home with the game salted 12-2. They played heads-up ball from catcher to the centre fielder, working as a great machine. Banks started on the mound and gave over to Falconer in the fifth. Both the boys were hurling like veterans, although this was the first league game Banks had pitched, and the kids behind them were also playing like veterans, as has been said "A little team playing big-league ball."

The second game of the play-offs is in Flesherton Friday night, to start at 6:15 sharp. This is your chance to put some "oomph" into the game. Come on down to the ball park and let's hear you exercise your lungs and warm your hands with some good old-time support. We'll be looking for you. Come on over, let's show the kids we like the brand of ball they play.

Elderly People Suffer Fractures In Accidents

Mrs. R. H. Henderson had the misfortune to fall in her home in town on Sunday and suffered a fracture of the hip. The acicdent occurred when Mrs. Henderson arose from a couch, where she had been lying, and lost her balance as she stood up, falling backwards with the regretted result. She was taken to Centre Grey Hospital, where she is resting at the present time.

Mr. George Bowles of the west backline received a fractured shoulder bone when he fell at his home, and is at present in Centre Grey Hospital. Mr. Bowles is 89 years of age and the shock of his accident has left him in a critical condition.

Won Bowling Honors

Messrs. H. W. Kernahan and H. A. McCauley won the district bowling honors last week. This is the third year in succession that Flesherton rink has taken this award and four times in five seasons of play. They will take part in the provincial playdowns at Kitchener shortly. Mr. G. A. McTavish was a member of the team in former years.

ENGAGEMENT

Mr. and Mrs. Thornton Sayers wish to announce the engayement of their second eldest daughter, Donelda Edith Mary, to Mr. Charles Albert Palmer, son of Mr. and Mrs. John Palmer of Collingwood, the marriage to take place in the Gospel Mission Church, Collingwood, on Friday, Aug. 19th, at 2 o'clock p.m.

Farm Dog Dislikes The Butter Substitute

The story is being told locally of a dog which refuses to eat margarine. At a farm house not far from Walkerton, where there are no children in the family, a small dog has been made the pet of the household. This animal sits in a high chair during meals and after bowing his head while grace is asked, is feed his usual quota of bread and good farm butter. Like many citizens the farmer and his wife decided to try margrine, it being the cheaper commodity. All went well until the perky purp was fed his bread with a lavish coating of the new substitute for butter. It is claimed that most humans can be fooled into thinking margarine is butter, but not so this wise barker, for it flatly refused to partake of its meal and would not be satisfied until the real farm product was spread on his slice. Farmers who have been decrying the use of margarine might well take the action of this canine as one of the arguments against using the stuff which a dog won't eat. — Walkerton Herald-Times.
