Flesherton Horses Doing Well On Race Tracks

George Armstrong took his horse, George Rambler, to his home town Old Home Week last Wednesday and captured three firsts in the 2:28 class. Alex. Henderson, with Tootsy Patch, gathered in two seconds and almost had George caught at the wire in one heat. George was at Guelph on Saturday and won a first and second in the two-heat race. Both these horses are giving a good account of their prowess and their owners are really proud of them, and take a following with them when they race.

Horse to Race in States

George Rambler is being sent on Monday to Fox, Mass., with Shorty Guise of Shelburne for 62 days of racing. Mr. Guise will also have Sir Peter L., owned by Dr. Vern. Loughheed of Dundalk, and which has a mark of 2.09 3|5.

Christian Education Sermon Given At St. John's Church

Back again in his pulpit at St. John's after nine days at Miramichi Bay as Director of the United Church Boys' Camp there, Rev. A. G. Macpherson spoke on the magnitude and importance of the work of Christian education among the youth. Referring to the World Convention on Christian Education in Toronto, Aug. 10-16, Mr. Macpherson declared that the greatest army ever recruited in the cause of the world's peace and happiness is that composed of thousands of volunteer teachers and leaders in our Sunday Schools, Vacation Schools and Summer Camps. He said that giving leadership to a camp of boys or girls from 7 a.m. to 10 p.m. for eight or ten days was not exactly a "holiday," but it was a great privilege for everyone who shared in it.

Mr. Angus Macpherson, a brother of the minister, rendered two baritone solos during the service, 'The Voice in the Wilderness" and "Thanks be to God."

Durham Won Second Game

Durham Cubs took the second ball game of the series from the Flesherton Juniors in a good game of baseball played here Monday night, by the score of 6-2. The local team had six errors and were unable to fathom the slants of D. Corbett, who had one of his good nights Jack Banks again started this game and went along nicely for four innings, collecting three strike-outs, but five errors by the players resulted in his giving up to Falconer in the fifth. Bob kept the goose-eggs on the score board from there on, had four strike-outs and only one Durham player reached first base, and he on a walk.

The next game will be at Durham Thursday evening and the fourth in Flesherton next Monday evening, when the locals hope to have the series well in hand. The boys played good ball and with a little bit of luck and more hitting power, they might have made the score closer. However, they are in there playing ball the best they can and deserve credit for their playing.

Priceville Civic Holiday Celebration Successful

(By Priceville Reporter)

Ideal weather was enjoyed for the gathering of Priceville old boys and girls on Monday, Aug. 7th, when a large crowd was present. In the morning the Durham pipe band supplied music for the parade, which had several floats and created considerable amusement.

The main event of the afternoon, following the school children's parade, was the official opening by Mrs. E. Pinkerton, 99 years of age, who cut the ribbon, officially opening the gala affair. Many old boys and girls were present, and Archie MacCuaig was chairman. As a tribute to the old boys and girls, all joined hands and sang "For they are jolly good fellows" and "Auld Lang Syne." The following gave short addresses, voicing their appreciation at being at the gathering and recalling old times: Herb Timmins, Reeve of Glenelg; J. A. Davis, veteran Reeve of Artemesia; Wm. Hunter, Reeve of Egremont; John L. McLeod, Ottawa; Martin McLeod, Tilbury; Ray McLean, Toronto; Hunter Harrow, Essex; Jacob Parslow, Thornbury; Miss Agnes Macphail, Toronto.

Mrs. John Whyte brought greetings from the W.I. and stated that the historical book of Priceville was on display in the hall, and also gave a poem "Coming Back Home."

Hon. F. R. Oliver made the presentation of a life-saving medal to Kenneth MacPhail for the saving of Kenneth Hiltz from drowning in the Saugeen River at Priceville. A gift of a white shawl was made by Mr. A. MacCuaig to Mrs. Pinkerton.

A splendid musical program was presented and included: two duets by Helen and Reta McKeown and Eleanor MacArthur and Shirley Hincks, accompanied by Grant Sayers at the piano. Teddy MacCannell gave two songs with accompaniment by his guitar, and Mr. Ed. Vergoz gave two Scotch songs. John L. MacDonald of Ottawa and sister, Mrs. Alex. McLean, of Ceylon step danced to music by Ed. Haw of Swinton Park with violin and Mrs. Hunter of Egremont at the piano, while Mr. Neil McKinnon of Priceville, who is 80, played an old-time waltz, accompanied by Mrs. Archie MacCuaig. A lovely bagpipe selection was given by the Durham pipe band, which provided music throughout the day. Another fine number was a violin selection by Mr. Geo. Haw of Swinton Park, who has been a prize winner at the C.N.E. Old-time square dancing on the platform was enjoyed, music being supplied by Ed. Haw and Mrs. Hunter.

Chairman MacCuaig thanked one and all who helped make the afternoon such a success. Races, horseshoe pitching and mixed ball teams from the O.D.R., Top Cliff, Bunessan aad Priceville schools, resulted in the latter winning. The ladies of the W. I. conducted booths and were kept busy at the lunch counter.

A dance was reld in the evening, the hall being packed to the doors, with Sharpe's orchestra giving out the music. An exhibition of step dancing was given by John L. MacDonald of Ottawa, Donald McMillan of Toronto and Dan MacCannell of Proton.

Mr. Archie MacCuaig, the president, and his committee deserve a great deal of credit for the work and time spent in preparing and arranging for the fine celebration.
