A Merry Christmas and Happy New Year to all!

Do you see the boy and pig? Yes, but why does the boy and pig run so fast? The pig runs--not the boy. Yes, but why do they go so fast? Oh, the boy is in a hurry to have his picture taken at BULMER'S Photograph Gallery, Flesherton.

Photo and all kinds of Picture Framing promptly attended to.

JAS. BULMER, - - - THE PEOPLE'S PHOTOGRAPHER.

Local and Other News.

Deer shooting seems to be the favorite pastime with our sportsmen just now.

Read our clubbing announcement with the *Chicago Weekly News*.

You can afford to take a Chicago paper. See announcement in another column of clubbing arrangement with the ADVANCE.

Go to Richardson's for Christmas Fruits & Groceries, all fresh and best values.

The necessity for a good road to Flesherton Station is becoming more and more apparent every day. When will our citizens awake to a sense of their duty?

ACCIDENT.—A T. G. & B. R. brakeman had his wrist broken while coupling cars one day last week at Flesherton Station.

Mud or snow it does not make any difference, you can have just as good a Photo taken by going to Bulmer's Photo Gallery, Flesherton.

Mr. J. M. Davis, of the 7th line, Euphrasia, is a candidate for the Councillorship of Euphrasia. It is said his chances for success are good.

EUGENIA MILLS.—Mr. M. Akitt has again taken charge of the Eugenia Grist and Flour Mills, and is prepared to do all work in his line promptly and satisfactorily. See bills for particulars.

A first-class lot of Frames and Mottos on hand for Christmas Holidays at Bulmer's Photograph Gallery, where you get the good photographs. Prices low.

The wind—or something else—carried our woodshed about fifteen feet from its original position, on Tuesday last. Our worthy contractor, Mr. John Whitten, can tell you all about it.

Just the thing for Christmas presents! What is? Why those beautiful little Hand-sleighs and Horse-Rockers at J. W. Bates' Furniture Store, Flesherton. Cheap for cash! See them.

AUCTIONEERING.—Mr. W. H. Campaigne is a Licensed Auctioneer for this County. He is a capital man for the business as has been shown on several occasions. Try him.

PERSONAL.—Mr. C. J. Leitch and family remove to Titusville, Pen., U. S. to-day. Mr. Leitch is a first-class workman and a good citizen, and we wish him all success in his new home.

MR. M. Cumming agreeably surprised us again, by coming into our sanctum on Wednesday something, looking good-natured, doing nicely, and expects to be able to go to work again in a short time.

Mr. Varty is burning a kiln of lime this week, at Little Falls, for Wm. Hogg. If it turns out all right, fresh lime can be got at the kiln next week at 12½ cents per bushel.

Fur Overcoats, Fur Caps, Fur Mantles, Mitts, Muffs, Capes, &c. at
M. Richardson's.
Another lot of Fall Boots.

Tone up the system by the use of Ayer's Sarsaparilla. It will make you feel like a new person. Thousands have found health and relief from suffering by the use of this great blood purifier when all other means fails.

SHOOTING MATCH.—There will be a grand shooting match at Allison's Hotel, Maxwell, on Christmas day, for fowl, &c. The "light fantastic toe" will be "tripped" in the evening.

PERSONAL.—Mr. David Clayton, son of our esteemed citizen, Mr. Wm. Clayton, arrived home from Port Huron, Michigan, last Friday evening. He will stay here until after Christmas Holidays.

TEA-MEETING.—A Tea-Meeting will be given in the Maxwell C. M. Church on Christmas day, Tuesday, December 25th. Tea will be served at four o'clock p. m. Admission 25 cents. For full particulars see bills.

A street squabble awoke the echoes of our usually well-behaved little town, on Friday last. We presume whiskey had as much to do with it as anything else. We forbear giving names, as scenes like that referred to are a rare thing in Flesherton.

A GOOD REFORM.—Children are not often tortured now-a-days with bitter Aloes, Brimstone and Treacle, and the many nauseous remedies of the olden times. Freeman's Worm Powders are pleasant to take, contain their own purgative, and safely and effectually remove all ordinary species of worms afflicting children or adults.

Overcoats! Furs! Shawls!
at Richardson's.

GRAND SOIREE.—There will be a grand Soiree at McIntyre on New Year's day, in aid of the Presbyterian Church. Tea to be served from 4 to 7 o'clock p. m. Speeches, music, dialogues, recitations, &c. All for 25 cents. See the bills.

ACCIDENT.—Another accident occurred at the Presbyterian Church, here on Tuesday, whereby Mr. John Bellamy sustained some rather severe injuries by a fall from the sleepers to the ground floor, a distance of about 10 feet.

LOTS OF FAT.—Mr. Jas. A. Blakely, of this Township, sold some beef to Mr. Sept. Good last Tuesday. There was no less than 46 pounds of solid fat around one kidney, the like of which Mr. Good has not seen since he was in business.

JUST SO.—"The Flesherton ADVANCE is one of the neatest and newsiest papers in the County of Grey.—*Hanover Post.*

Well, then, all we have to say is, that the *Post* is *the* neatest and newsiest paper in Grey, and we are telling the truth, too.

M. Richardson has just received a large stock of Silver Plate Goods for Christmas trade, Cruets, Cake Baskets, Pickle Stands, Butter Coolers, &c. All from the well-known Meriden Manufacturing Co., will be sold at the lowest list price.

Mr. Jessie T. Purdy, who for many years was a prominent citizen of Meaford, is dead. His death occurred at his late residence in Dakota, U. S. He leaves a family to mourn his loss. He was the founder of that portion of Meaford known as Purdytown.

Forty years experience, in every clime on earth, has proved Ayer's Cherry Pectoral to be the most reliable remedy for colds, coughs, and all lung diseases. Neglected colds often become incurable ailments. Deal with them in time, and prevent their becoming deep-seated in the system.

TEA MEETING.—The managers of the Presbyterian congregation at Eugenia, intend giving a grand tea-meeting in the Orange Hall on the evening of Thursday next, the 20th inst. Doors open at 6 o'clock p. m., tea to be served at 7, chair taken at 8. Admission 25 cents, children half price. See bills for particulars.

CLUBBING OFFER.—We have made arrangements with the publishers of *Grip* whereby we can offer the Flesherton ADVANCE and *Grip* for one year, for $2.50. This is an excellent opportunity to obtain Canada's only cartoon paper and a good family journal for one year, at about the price of subscription to one paper.

EUPHRASIA.—The probability is that Gilray will be re-elected Reeve of this Township. Mr. Wm. Fawcett is one of the most popular candidates for the Councillorship. Henry Hurd and Wm. Stewart of Kimberley are spoken of as candidates. Mr. R. Myles seems to have drifted over the municipal horizon altogether.

SHOOTING.—Somebody has been practicing shooting with a revolver in the neighborhood of the ADVANCE office during the past two weeks. Please don't do any more shooting, Mr. Whoever-you-are—you might accidentally shoot yourself one of these days, and then you would be angry because you did not take our advice.!

Remember! the names of all subscribers in arrears will be published in our issue of Dec. 20th inst. We are giving fair warning. The amounts are small, and no one can be put to any inconvenience by paying now. We give those in arrears a week longer in which to pay what they owe us, and they will have only themselves to blame if their names are published.

DEER SHOOTING.—On Friday last Mr. W. H. Campaigne went out deer-shooting. He returned home in the evening with a fine fat doe in his buggy. Others were out hunting on the same day, and we are told that, altogether, seven deers fell victims to the skill of our marksmen. We will postpone our shooting expedition until next fall, and then—stand from under!

REMOVAL.—Miss G. A. N. Page will be found in Mrs. Bulmer's shop, nearly opposite Mr. M. Richardson's general store, Flesherton, on and after Saturday, Dec. 15th, where she will be prepared as usual to do over and make up Ladies and Gentlemen's Felt, Straw, Beaver, and Camel's Hair Hats and make them equal to new. She is giving good satisfaction. See advt. in this issue.

THAT "CRACKED EGG."—The Flesherton correspondent sayes he has found a mare's nest, and "strange to say it contained one egg, badly cracked at the upper end, and labelled (FLESHERTON ADVANCE) hence the rottenness the subscribers have borne with in the past." Rather hard on our large, intelligent and respectable list of subscribers, is it not, Mr. T. H. —?—yourself included, but not on the "intelligent" list. If the "upper end" of this correspondent's cranium were cracked, we would venture to predict that it would be found to contain more *gas* than anything else.

XMAS ENTERTAINMENT.—There will be a grand entertainment in the Town Hall, Flesherton, under the auspices of the Presbyterian Sabbath School, on the evening of Christmas day, Dec. 25th, 1883. The programme will consist of choice selections of Vocal and Instrumental Music, under the able leadership of Mr. J. R. Anderson, besides Dialogues, Recitations, Readings, &c. by the school. Admission 25 cents, children 15 cents. Doors open at 6, tea served at 7 o'clock. The anniversary sermon will be preached in the Town Hall on Sabbath, Dec. 23rd, by Rev. A. Wilson.

FROM KIMBERLEY.—Our old friend, Mr. John Hurlburt, in the course of a letter, in which he enclosed $1.00 for the ADVANCE, says:—"We hope you will finish that dream soon, if your devil don't wake you up before you get through; and try and dream that railroad down through the village, so that it will terminate somewhere near where the "east wash" originated—but don't tell Farewell about it!" We will do our best, friend Hurlburt; but we would like to see the railway through your beautiful valley a reality instead of a dream. It certainly is, in our opinion, the most practicable route from Durham to the Georgian Bay—by all odds.

JACK HOPPS AGAIN.—That drunken, worthless character, known as Jack Hopps ought to get another three months in Owen Sound Jail. On Sunday last he hired a horse and rig and drove to Eugenia, where he soon got well-filled with fire-water. While in a beastly state of intoxication, he drove over to the residence of his father, who is a respectable and honest man. Here he conducted himself in the most disgraceful manner. Now, we would like to know who furnished Jack Hopps with the liquor which made him act more like a brute than a man? Did he get it at the Eugenia Hotel? If so, was the proprietor not aware that he was guilty of an illegal act?

A DIFFICULTY OVERCOME.—It is often very difficult to get children to take medicine, and especially Worm Remedies, which they often require. Dr. Low's Pleasant Worm Syrup is not only agreeable to take, but a safe and certain cure for all varieties of worms, including tape worms, that produce serious disturbance with children and adults.

MARRIED.

ROSBOROUGH—REID.—On the 3rd inst., by the Rev. S. C. Edmunds, B. D., at the residence of the bride's parents, John H. Rosborough, of Sarawak, to Eliza Reid, daughter of John Reid, of Artemesia.

An Editor's Tribute.

Theron P. Keator, Editor of Ft. Wayne Ind., "Gazette," writes: "For the past five years have always used Dr. King's New Discovery, for coughs of most severe character, as well as those of a milder type. It never fails to effect a speedy cure. My friends to whom I have recommended it speak of it in same high terms. Having been cured by it of every cough I have had for five years, I consider it the only reliable and sure cure for Coughs, Colds, etc." Call at Richardson's drug store and get a Free Trial Bottle. Large size $1.00.

NOTICE.

All parties are cautioned against negotiating for three Notes drawn by me in favor of Globe Manufacturing Co., London, through their agent, Mr. J. G. Carson, as I have not received value for the same. One note for $50 payable April 1st, 1884; one for $50 payable April 1st, 1885; and one for $60 payable April 1st, 1886.
