Hagyard's Pectoral Balsam; a few doses relieves the most distressing cough, and a twenty-five cent bottle has cured many a sufferer from Asthma, Bronchitis, Croup, Influenza, Hoarseness and Soreness of the chest. It is the grand specific for all throat and complaints leading to consumption.

Toronto, Grey, and Bruce Railway.—The traffic returns of the Toronto, Grey, and Bruce railway for the week ending March 19th amounted to $6,807, an increase of $1,238, or nearly one fifth over the corresponding week of 1880. The increase was chiefly in freight.

"Hail beauteous, bounteous, gladsome Spring"—this was Mark Twain's prize poem—but the dire diseases incident to Spring, spoil the romance. Burcock Blood Bitters is the prize remedy prized by all who have tried it as the best Blood Purifying Tonic and System Regulator in the market. It cures all Blood Humors from the worst Scrofula to a common Pimple. Sample bottle 10 cents, for sale by all dealers in medicine.

The Toronto News company have issued Josh Billing's Cook Book and Piktorial Proverbs. Josh says in the introductory remarks the receipts are not to be considered arbitrary, as he has never been able to cook his own goose just exactly right. A good hearty laugh, it is said will help digestion, therefore, if the cooking is not all right, the laugh will certainly be provoked by reading this little work, and we would recommend all to buy it. Fifteen cents, to be had from all News dealers.

Hagyard's Pectoral Balsom is composed of the most healing balsams and gums. The Balsam, which enters its composition, were used by the natives when America was first discovered, and are combined with other vegetable tonics, so blended together, that it is a specific for all affections of the throat and lungs. Thousands of bottles are used annually, and it is considered one of the standard preparations of the day.

The advance in sience and art the last few years has been very great, and in no branch have greater strides been made than in Agriculture. Subscriptions taken here, where specimens can be seen. Price $1.50 per annum.

POST OFFICE STORE,

In order to make room for heavy Spring Importations now arriving daily, I have decided reducing my present large and well selected and assorted stock of

GENERAL DRY GOODS, FURS, MILLINERY,

Ready-Made Clothing,

BOOTS AND SHOES,

Hats, Caps and Groceries

TO THE LOWEST POINT POSSIBLE,

and in order to do so,

Will Sell at and Under COST,

The stock is all new, well bought, and well worth the attention of the closet buyers.

In GROCERIES you will find everything of First-Class Value.

As I do not pursue the course of some of our windy Merchants of our neighboring Villages, of sending out numerous samples of cheap trash (with unscrupulous recommendations) outside our natural business relations, in order to impress the public that they are not properly treated by their more honorable dealers, and draw custom from the many.

You will find everything that I sell just as I represent it, and as good value as you can possibly get for your money anywhere, as I have always held that honorable dealing is the only true course for a business man.

My Groceries are all bought for strictly nett cash, consequently I can and will sell at

The Lowest Possible Prices!

For CASH and FARM PRODUCE

BUT NOT FOR CREDIT.

I have also in stock and for sale, a large quantity of

PURE SEED GRAIN

Such as White Russian, Glasgow, Red Chaff, and other varieties of Spring wheat. Also Pure Clean Peas, Oats and Barley. Prime Timothy and Clover Seed; also Fresh Garden Seeds, and as it pays each and every Farmer to sow clean seed, you will make money by paying a few cents extra, and purchasing a good article.

I am now selling large quantities of

COARSE LAND SALT,

FOR MANURE.

Which will pay every Farmer *Five Dollars for every one invested* in it, and as I am anxious that every Farmer in this locality and neighboring Townships shall try it, have decided in selling in five and ten barrel lots at the Lowest Cash Price laid down by the car direct from the Manufacturers, and bought for nett cash at Bottom Prices.

I would also intimate that my
