Dalley's Magical Pain Extractor,

In all diseases inflammation strikes at the root of disease—hence an immediate cure.

DALLEY'S MAGICAL PAIN EXTRACTOR,

and nothing else, will allay inflammation at once, and make a certain cure.

DALLEY'S MAGICAL PAIN EXTRACTOR

will cure the following among a great catalogue of diseases: burns, scalds, cuts, chafes, sore nipples, corns, bunions, bruises, strains, bites, poison, chilblains, boils, scrofula, ulcers, fever sores, felons, ear-ache, piles, sore eyes, gout, swellings, rheumatism, scald head, salt rheum, baldness, erysipelas, ringworm, barber's itch, small pox, measles, rash, &c., &c.

To some it may appear incredible that so many diseases should be reached by one article: such an idea will vanish when reflection of ingredients, each and every one applying a perfect antidote to its opposite disorder.

DALLEY'S MAGICAL PAIN EXTRACTOR.

In its effects is magical, because the time is so short between diseases and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be one moment without it.

No Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Dalley, Manufacturer.

For sale by all the Druggists and patent medicine dealers throughout the United States and Canadas.

PERUVIAN SYRUP;
OR, PROTECTED
Solution of Protoxide of Iron
Having successfully passed the ordeal in which new discoveries in the Materia Medica are subjected, must now be received as an established Medicine.
ITS EFFICACY IN CURING
DYSPEPSIA,
Affections of the Liver, Dropsy, Neuralgia, Rheumatism and Consumptive Tendencies, Disorders of the Blood, Bodily Scurvy, and the prostrating effects of Long Continued Fever, General Debility, and all Diseases which require a
TONIC AND ALTERATIVE MEDICINE
IS BEYOND QUESTION.

THE powers of the efficacy are so numerous, as well authenticated, and of such powerful character that it would be impossible to enumerate them in an advertisement of reasonable length to receive the merited attention.

The Peruvian Syrup does not profess to be a cure-all, but its range is extensive, embracing a class of diseases which, though not dangerous to life, are fearfully painful, and by their long continuance, not seldom induce a state of mind bordering on insanity.

The cause of disease for which the Syrup is offered is for a question from debilitated Females, requiring the stimulus of a tonic, combined with the invigorating assistance of iron in the blood of Females. The advertiser has found of the most perfect well known to the community, and of the highest responsibility.

CARD.

The undersigned having experienced the beneficial effects of the "Peruvian Syrup," do not hesitate to recommend it to the attention of the public.

From our own experience, as well as from the testimony of others whose intelligence and integrity are altogether above question, we have no doubt of its efficacy in cases of Liver and Dyspepsia of the Long and Obstinate Character, Chronic Diarrhœa, Dysentery, &c. Indeed, in Chronic cases, it has proved itself to be the best remedy we have ever used, and from the high character of those who have witnessed its effects, we feel bound to recommend it to the public.

TRUE TIME.

AMERICAN WATCHES.

These superior Watches are made by the aid of new and original machinery, expressly designed to secure with a low price, a fine substantial and uniformly reliable time-keeper. The movements are new in construction, have been pronounced by the highest authorities to be faultless in principle and quality, and have been proved by the most exacting tests to be unfailing in action. These watches are made entire from the crude materials, in a single establishment, by connected and uniform processes—the factory being organized upon the same system that has been adopted in the production of the unequalled American fire-arms,—which enables us to produce a movement at one-half the price of a foreign movement of the same quality. Each watch is carefully tested, and is accompanied with the maker's certificate and warranty for TEN years.

All foreign watches are made by hand, the American watches being the only ones made by machinery upon a uniform system throughout. Nearly all handmade watches are defective, and are continually getting out of order. In many parts of the country it is impossible to find good watch repairers, and watch repairing is always uncertain and expensive. The introduction of American watches disposes of this difficulty, and country merchants, as well as watch dealers, can keep watches as a part of their miscellaneous stock, and thus supply their customers with a new Staple, which may be used as any other article, without mystery or humbug. Sold by the trade generally.
