OWEN SOUND

Accident.—James Horn working in Cameron & McLeod's factory, had the 3rd finger of his left hand taken off with a circular saw on Saturday last, and the other finger on the same hand more or less damaged.

The Elevator.— As intimated last week, the directors of the T. G. & B. R. came up by special train last Wednesday evening. The object of the visit was to make arrangements for building operations, etc. The contract for building the elevator will be let next week, after which the building will imediaty be proceeded with. It is to be built directly opposite the dry dock, and a dock frontage is to be built from the present railway station to the elevator.

Discharged with caution.— The girl Connely, who was up before the magistrate last week, was discharged with a strong caution, and upon a promise that she would not steal again.—*Tribune.*

ORANGEVILLE

Police Court.—Jno. Tweedy, of Garafraxa, was up before the Mayor and Jno. Gillespie, J. P., on Monday last, charged with the theft of a watch, but as no one appeared against him he was discharged.

Enterprise.—Messrs Stewart & Bennett will ship for England on the first week of May 200 head of cattle. The greater part of these animals are now in their possession, and the balance will be obtained in the neighborhood.

Serious Accident.—On Thursday of last week, as Mr. Jno. Ferguson, of this town, was passing through the yard at the rear of Dean's Hotel, stumbled against some obstruction and fell, breaking his leg. Medical attendance was at once procured, and the injured man is now progressing as favorably as can be expected under the circumstances.

Accident.—On Sunday afternoon last, a two year old boy of Mr. Wm. Ryan, of Mill Street, followed its father into the stable, where he had gone to attend to his horses. The child walked up against one of them, and the horse kicked him in the forehead, making a very severe wound. We are happy to be able to state that the child is rapidly recovering from the effects of the blow.—*Gazette.*

ROCKLYN.

From a Correspondent.

The Euphrasia Agricultural Society's Spring Show came off, as advertised, on the 22nd inst. The day was all that could be desired, and the turn out of spectators was large. The show of horses was up to the average; bulls good, but few in number. We had no imported draught horses.

DURHAM.

The Fair.—The usual monthly Fair was held here on Tuesday last. The number of cattle on the ground was not large. Mr. George Moore, of Normanby, sold a cow for $55. Milk cows sold from $22 to $35. Steers sold from $25 to $52 each, or fat cattle from 4½ to 5½ cents live weight. Considerable business was done, and some good horses were sold at fair prices.

Resigned.—The Rev. Mr. Wray, Incumbent of Trinity Church, in this town, has resigned his charge. Since Mr. Wray has resided in Durham, from the catholicity of spirit, and sociable qualities he has become very popular with the ministers of the different denominations, and many of their adherents, who will be sorry to see him leave.—*Review.*

A freight train arrived at the Durham station on Friday last, about noon, bringing several car loads of salt and other freight. The train left about two o'clock on the return trip, taking a car load of wheat for Mr. Parker, of Woodstock, and several flat cars which were here all winter. As the road is not yet ballasted only a slow rate of speed can be made.—*Chronicle.*
