Eureka! shout all manufacturers machinists and mill men when they first try Lardine.

Thirteen Irish counties have been proclaimed under the new Repression Bill.

Lardine machine oil will not gum or freeze, and wears better than any other oil in the market. Ask your local dealer and take no other.

Everybody think they can tell the editor how to conduct a newspaper to "go."

What is Lardine? Ask any farmer thrasher, or mill man, in fact any man who runs machinery, and he will tell you that it is the only oil which will wear equal to Castor oil and won't gum or clog your machinery.

The man who does not advertise sells but little, and therefore has to sell dear.

There would be little or no sickness during the hot months of July and August if every one would take Dr Carson's Stomach and Constipation Bitters, as they prevent and cure all derangements of the stomach and bowels. Finding fault with the weather is about as profitable a piece of business as one can engage in. Yet they all do it.

An honest machine is the noblest work of man, and we can assure our readers that Dr. Fowler's Extract of Wild Strawberry is not only reliable, but is absolutely infallible in curing Cholera Morbus, Dysentery, Cholera Infantum, Stomach and Bowel Complaints, and the Summer Complaints incident to childhood, and are often fatal in a few hours.

We are in receipt of the following extract from a letter to an editor in Bethany, Ont., and the paper. He was healed.

L. F. Smith, Druggist of Danville, under date of June 14, writes of Dr. Fowler's Extract of Wild Strawberry, "It is manufactured by a gentleman of the highest standing in this place, and is a patent medicine that I can recommend to the public. The above medicine is nature's grand cure for Cholera, Dysentery and all summer complaints."

"Th[illegible] Fowler's Extract of Wild Strawberry is the best medicine I have ever used for diarrhœa. I had tried many other remedies without effect, but one bottle of your medicine effected a cure in a few days."—[illegible], Wallaceburg, Ont.

Among the most prevalent, fatal and painful diseases of this country are those incident to the urinary organs, such as choleraic diarrhœa, bilious colic, dysentery, cholera morbus, and others equally dangerous, that often prove fatal in a few hours. The great reliable remedy, Dr. Fowler's Extract of Wild Strawberry, should be at hand, for use in emergency.

The traffic returns of the T. G. & B. for week ending June 8 were $8167 being $3928 over the corresponding week of 1881.

Those affected with weak lungs, sluggish liver, or derangement of the kidneys, should procure a package of Dr Carson's Liver and Lung Compound. Price 50 cent package makes three pints of syrup. LIVER COMPLAINT

Is rather an indefinite term, as commonly understood it consists of a torpid sluggish state of the liver, a deficiency or a superabundance of bile, or an alteration from its proper character. All disturbed action of the liver and biliary organs giving rise to pain in the side, or under the shoulder blade, headache, weariness, dizziness, sick stomach, loss of appetite, bad bowels &c. are promptly cured by Burdock Blood Bitters.

KENDALL'S SPAVIN CURE.

The most successful Remedy ever discovered, as it is certain in its effects and does not blister. READ PROOF BELOW.

Kendall's Spavin Cure.

HAVERHILL, Mo., June 14, 1881.

B. J. KENDALL & Co., Gents:—This is to certify that I have used Kendall's Spavin Cure, and have found it to be all that it is recommended to be and in fact more too; I have recovered using the above: Callous Spavins, Ring-bone, Splints, and can cheerfully testify and recommend it to be the best remedy for anybody substance I have ever used, and have used many as I have been doing stock for years.

Respectfully yours,

P. V. CRIST.

FROM

Col. T. L. Foster,

YOUNGSTOWN, Ohio, May 10, 1880.

Dr. B. J. Kendall & Co., Gents:—I had a valuable Hackney colt that I prized highly. He had a large bone spavin on one hind leg and one on the other which were very troublesome. I had Pain under the care of three surgeons which failed to cure. I was one day reading the Kendall's Spavin Cure in your pamphlet, and I determined at once to try it. I wrote to our druggist here to send me three bottles; I took them home, I spoke to a thorough horseman about the directions and the horse thought the colt ought to be lame and stiff for a month. I used but one bottle, and he was as free from lame and as smooth as any horse in the state. He is entirely cured. The cure was so remarkable that I had two of my neighbors follow my example, two bottles, who are now sound.

Very respectfully,

L. T. FOSTER.

Dr. B. J. Kendall & Co., Gents:—This is to certify that I have used Kendall's Spavin Cure for Spavin, Ringbone, or Curbs. I have used it in my stock for several years with good success, and I do not hesitate to pronounce it an invaluable remedy for the above complaints. I gladly make this certificate in answer to many questions or

ON HUMAN FLESH.

WEST FARNHAM, P.Q., Feb. 15, 1881.

Dr. B. J. Kendall & Co., Gents:—Several years ago I injured my knee joint which caused me considerable pain and trouble. I was induced to try your Kendall's Spavin Cure, and after using it for a few weeks, when I began to use the Spavin Cure with the most astonishing effect. It has entirely removed the crippling pain and stiffness and the lameness. I have long known it to be excellent for man or beast, but now I know it to be the best liniment for human flesh that I am acquainted with.

Yours truly,

T. P. LAWRENCE.

ST. JEAN, P.Q. Oct. 27, 1881.

Dr. B. J. Kendall & Co., Gents:—I have used your Spavin Cure with great success on spavins, curbs and splints. I know it to be a certain cure for ringbones, bone spavins, and all kinds of lameness and other ailments about the horse. One of my men injured his ankle very badly. I applied Kendall's Spavin Cure and I never saw anything work like it. He was well in a few days. I recommend it for man as well as beast. I place the signature of your Treatise on the Horse, Spavin and Lameness, and I think it was the means of saving me $100 on one horse that I treated according to the directions given in your book, for displaced stifle.

Yours truly,

WM. J. PEARSON.
