Principal of Monteith Public School, Mr. Gord Phillips, presented awards to students last Monday at the school.

Mr. Phillips told the audience that he was very glad to see so many parents present. The awards, trophies and crests were the results of the children's efforts during the past term, he said.

This year Monteith Women's Institute donated two trophies for a Grade 5 boy and girl who had at least a 70 per cent average. A vote was taken and the winners were Anne Mack and Tim Peever.
