UNEQUALLED WORM REMEDY!

[Extract of a Letter from Mr. A Payson, Woodstock, N. B.]

Woodstock, May 12, 1857.

Messrs. Fellows & Co.—Gents.—I have used in my family at different times all the different Vermifuges and other preparations vended for the destruction of Worms, and have much pleasure in saying that I lately tried a box of your Worm Lozenges, and consider them unequalled as a specific for worms—particularly as they produce none of the sickness and distress occasioned by the use of Vermifuge, Worm Nuts, &c., &c., and are certain in their effect.

Yours very truly, A. PAYSON.

[Extract from a letter from Mr. Edward E. Shead, Apothecary, Eastport, Maine.]

Eastport, May 12, 1857.

I believe your Worm Lozenges to be the best remedy for Worms I ever sold.

PERUVIAN SYRUP:
OR, PROTECTED
Solution of Protoxide of Iron
Having successfully passed the ordeal to which new discoveries in the Materia Medica are subjected, must now be received as an established Medicine.
ITS EFFICACY IN CURING—
DYSPEPSIA,
Affections of the Liver, Dropsy, Neuralgia, Bronchitis and Consumptive Tendencies, Disordered state of the Blood, Boils, Scurvy, and the prostrating effects of Lead or Mercury, General Debility, and all Diseases which require a
TONIC AND ALTERATIVE MEDICINE
IS BEYOND QUESTION.

THE proofs of its efficacy are so numerous, so well authenticated, and of such positive character that sufferers cannot reasonably hesitate to receive the proffered aid.

The Peruvian Syrup does not profess to be a cure-all, but its range is extensive, because many diseases, apparently opposite in character, are induced by, and proceeding from one cause, may be cured by one remedy.

The class of diseases for which the Syrup provides a cure, is precisely that which has so often baffled the highest order of medical skill. The facts are genuine, the witnesses are accessible, and the safety and efficacy of the Syrup incontrovertible.

Those who may wish for an opinion from disinterested persons respecting the efficacy of the Syrup, cannot fail to be satisfied with the following, among numerous testimonials in the hands of the Agents. The signatures are those of gentlemen well known in the community, and of the highest respectability.

CARD.

The undersigned having experienced the beneficial effects of the "Peruvian Syrup," do not hesitate to recommend it to the attention of the public.

From our own experience, as well as from the testimony of others whose intelligence and integrity are alike unquestionable, we have no doubt of its efficacy in cases of Incipient Diseases of the Lungs and Bronchial Passages, Dyspepsia, Liver Complaint, Dropsy, Neuralgia, &c. Indeed its effects would be incredible, but from the high character of those who have witnessed them, and have volunteered their testimony as we do ours, to its extraordinary powers.

CERTIFICATE OF DR. HAYES.

It is well known that the medicinal effects of Protoxide of Iron is lost by even a brief exposure to air, and that to maintain a solution of Protoxide of Iron, without further oxidation, has been deemed impossible.

In the Peruvian Syrup this desirable point is attained by combination in a way before unknown; and this solution may replace all the protoxide solutions, nitrates and tartrates of the Materia Medica. A. A. HAYES, M.D.

TRUE TIME.
AMERICAN WATCHES.

These superior Watches are made by the aid of new and original machinery, expressly designed to secure *with a low price*, a fine substantial and uniformly reliable time-keeper. The movements are new in construction, have been pronounced by the highest authorities to be faultless in principle and quality, and have been proved by the most exacting tests to be unfailed in action. These watches are made entire from the crude materials, in a single establishment, by connected and uniform processes—the factory being organized upon the same system that has been adopted in the production of the unequalled American fire-arms,—which enables us to produce a movement at one-half the price of a foreign movement of the same quality. Each watch is carefully tested, and is accompanied with the maker's certificate and warranty for TEN years.

All foreign watches are made by hand, the American watches being the only ones made by machinery upon a uniform system throughout. Nearly all hand-made watches are defective, and are continually getting out of order. In many parts of the country it is impossible to find good watch repairers, and watch repairing is always uncertain and expensive. The introduction of American watches disposes of this difficulty, and country merchants, as well as watch dealers, can keep watches as a part of their miscellaneous stock, and thus supply their customers with a new Staple, which may be used as any other article, without mystery or humbug. Sold by the trade generally.
