Meaford Road.

It is with feelings of regret that we are called upon this week to report the demise of another of Artemesia's early settlers, Mr. William Buchanan, Sr., who departed this life on Friday, the 25th inst. The deceased was born in the County of Tyrone, Ireland, in the year 1824, and was therefore in his 68th year. Coming to Canada when a young man he with his wife resided in the County of Peel, near Brampton; but being satisfied that the chances of a young man with small means of procuring a permanent home were more sure of attainment in the new settlement he with commendable energy and pluck removed to the County of Grey and resided for a short time on the farm now owned by Mr. Wm. Galbraith on the gravel road and eventually purchased the present homestead on the Meaford Road which he has lived to see transformed from a wilderness into a well-tilled farm. In private life he was quiet and unassuming of a kind and charitable disposition ever ready to speak a kind word or lend a helping hand to those that were in need. In politics he was a Liberal, and in religion a Methodist. His wife and seven children survive him. The funeral on Sunday was largely attended. His remains were interred at the Irwin cemetery gravel road. The burial service was conducted by the Rev. Mr. Tong. In many households this winter there is left a vacant chair and heavy hearts whose only source of comfort is that the dear ones for whom they mourn have been removed to the realms of eternal bliss.

Markdale Council.

On Friday evening last a special meeting was convened for general business and especially for the purpose of taking into consideration the appointing of a representative to join the deputation which is to interview the Dominion Government on the 31st in behalf of a grant for the proposed railway from Durham via Markdale to Meaford.

W. J. McFarland was appointed as delegate to Ottawa on motion of Haskett and Armstrong.

Gamble by Armstrong and Haskett the Treasurer's bonds, as presented were accepted.

The accounts of T. Campbell, for sidewalk material, $7.25; C. W. Rutledge, for municipal election printing, advertising and assessment stationery, $10.10; and the Clerk for quarter's salary and postage $10.70 were ordered to be paid.

The Auditors' Report was accepted and 100 copies ordered to be printed in pamphlet form on motion of Messrs. Rae and Haskett.

The council conducts the business coming before it with commendable business tact and harmony, while cautiousness and economy seems to temper their actions especially.

The meeting adjourned until the last Wednesday in April.

CABINET RECONSTRUCTION.

A popular topic is cabinet reconstruction which really does not concern the public so much as the reconstruction and cleansing of the human system against the ravages of spring. The premier medicine for the purpose is Burdock Blood Bitters, and health parties recognize it as the best blood purifier and general system regulator known.

Address and Presentation.

Having learned of Alex. Carruther's intention of leaving Kimberley and he being a faithful member of the choir therefore the choir wished to present him with some token of their friendship and esteem. Accordingly a number of the young people assembled at the house of Mr. A. McConnell on the 24th inst., when our friend was presented with a bible and the following address.

Kimberley, March 1, '92.

Mr. Alex. J. Carruthers,

Dear Friend,—We are heartily sorry to learn of your leaving Kimberley. Your kindness, sociability and cheerfulness have gained for you the good wishes of all who know you. In our social circles and in the choir your presence and labor will be very much missed, and now in behalf of the choir and friends allow me to present you with this Book as a token of our friendship and esteem. May you take this the Book of books as your counsellor and guide and may God spare you and may His richest Blessings be upon you.

[illegible]

Is the prayerful desire of the choir for you.

Signed

The Choir.

Mr. Carruthers replied in a few words well chosen with much feeling.

After which the evening was spent in merriment, games, etc., and the company went away very pleased feeling that it was a very enjoyable time.

As a pick-me-up after excessive exertion or exposure, Milburn's Beef, Iron and Wine is powerful and comforting.

Euphrasia's Budding Politicians.

Young Men's Liberal-Conservative Association organized at the Cattle.

At the annual meeting of the Liberal-Conservative Association of East and Centre Grey, held at Markdale in January, the Vice-President, Mr. Thomas Gilray, suggested the propriety of a move to establish Young Men's Liberal-Conservative Associations throughout the riding. The proposition was favorably received, and President Kells was requested to hold meetings for organization in the several municipalities. Mr. Kells, untiring Conservative worker that he is, took up the subject with vigor, and as a result live Conservative associations with large membership have already sprung into existence in the southern townships, and in the villages of Dundalk and Shelburne.

Euphrasia organization meeting was held in the town hall, Rocklyn, on Wednesday evening of last week. The attendance was large and representative, [illegible] present being Messrs. T. J. Wallace, Dr. Bennett, S. J. McKnight, J. E. Richards, Robert Ward, H. S. Lougheed, W. H. DeLong, George Armstrong, R. J. Sturgeon, Jas. McMaghan, Alex. Hall, H. Curry, Alex. Cook, J. J. Falls and John A. Patton. In the absence of Mr. Kells who was unavoidably detained, Vice-President Gilray took charge of the preliminary proceedings, and lucidly explained the objects of the prospective association. A general discussion followed, taken part in by Messrs. Wallace, McMaghan, Hall, Richards, and others.

Those officers were elected: Honorary President, Thos. Gilray; President, Thomas J. Wallace; Vice-President, T. E. Bennett M. D.; Secretary, W. H. Doelton; Treasurer, J. E. Richards.

Messrs. S. J. McKnight, David S. Lougheed and J. J. Falls were appointed delegates to attend with the officers at a general meeting of the riding associations to be held in June next.

The next meeting will take place at Rocklyn on Wednesday, 6th April, at 7 o'clock, at which it is expected the membership will be much increased. Every Liberal-Conservative in the township, young and old, is cordially invited to be present.
