Editor Standard.

We noticed a communication in your valuable columns under the heading U. S. S. No. 1, Euphrasia and Artemesia, which we thought needed a little correction. We think your correspondent was rubbing it in a little too thick. Miss Cooper got the school here both years through a great deal of misrepresentation and the facts are the majority of the ratepayers are glad to have a change. Your cor. was very magnanimous when he would resort to falsehoods to give anyone a recommendation; this we think is a poor kind of chivalry. She is the first teacher who has left our school without some token of remembrance given by the pupils which goes far to prove that there were very few tears shed at her departure. Of course, we do not take into consideration other than the school children for we know of one aged gent, whom we think was the only one who was any way concerned about her going. Still we hope in her new field she will do more to merit friends than she did here. Your cor. probably thought she really needed a "lift in up" otherwise he would not have gone to so much trouble.

Suicide.

ORANGEVILLE, Ont., Jan. 25.—R. T. Haun, treasurer of Dufferin County, manager of the branch of the Bank of Hamilton here until 1891, and a general agent, died in Buffalo last night from the effects of a personally administered dose of Prussic acid.

He started for Utica, N. Y., last Monday to give evidence in a case against the Bank of Hamilton by George F. Hawkins, who was at one time an extensive egg-packer here and failed. Haun evidently laid over at Buffalo, for he was there since Monday.

The Dufferin County Council is now in session. An audit of the accounts is ordered, but as yet no shortage has been discovered. Judge McCarthy and W. H. Hunter are Haun's securities for $50,000.

Mrs. Haun and family reside here. She is known in literary circles, under the pseudonym of Marie Street. Haun carried a life insurance of $20,000.

The cause of his suicide is yet a suspicion of financial troubles and intemperance. His domestic affairs are also said to have been in an unsettled condition.

BRONCHITIS CURED.

GENTLEMEN,—I suffered four or five years bronchitis and a severe hacking cough, and could not nothing to do me any good. A friend told me to get a Hagyard's Pectoral Balsam, and I did so with good results. Two bottles cured me and I hardly know what a cold is now.

Where hope dies hell begins.

The man who robs the poor robs God.

A bad man can never own anything that is fireproof.

In Christian life no one can live any higher than he looks.

God employs no hired men. His work is all done by his sons.

The devil is afraid of the man who always has sunshine in his heart.

Christ was crucified by sinners who occupied front seats in the church.

Nothing pays a poorer interest on the investment than wearing a long face.

The windows of heaven are always shut against the man who will not work.

It never hurts the man of faith a bit to sometimes have to travel in the dark.

When we love the Lord in earnest some of the neighbors will be sure to find it out.

The devil never throws any stones at the preacher whose religion is all in his head.

Some folks are willing to serve the Lord, provided they can pick out their own work.

No church is ready for revival as long as the members are afraid to sit close together.

Whenever we help the poor it is an opportunity God gives us to show that we are true to Him.

All prosperity that does not have God's favor is simply an accumulation of chaff and stubble.

God does not want his children to live on stale bread, but a good many of them are trying to do it.

You can drink or let it alone, eh? Well suppose you try letting it alone for a week as an experiment.

There is now and then a preacher who has nothing about him to make you think he is religious but his white cravat.

There is no promise in the Bible for the man who is lazy, no matter whether he wears a preacher's coat or a farmer's straw hat.—Ram's Horn.

Pistol and Axe.

CHATHAM, Jan. 22.—The news has just reached here of the brutal murder of Policeman Rankin, of this city. He and Policeman Dezelia went out to the township of Raleigh to assist County Constable McDonald to arrest a colored man named Charles W. Freeman, charged with the seduction of a white girl under 14 years of age.

A FIERCE CONFLICT.

Arriving at the house of Freeman's father they met Freeman (who is a large and powerful man), and some other colored men, who attacked them with axes and revolvers. Rankin was shot and struck on the neck and head with a chopping axe, and

SANK TO THE GROUND DEAD.

Dezelia was driven off and shot at, three bullets passing through his clothes, one through the back of his coat, one through his sleeve, and another through the leg of his trousers. Dezelia returned the fire, emptying his revolver,

SHOOTING ONE OF THE NEGROES,

who was assaulting Rankin.

Constable McDonald was shot in the leg. He and Dezelia had a most wonderful escape.

A posse of special constables have just been sworn in, and accompanied by about 100 citizens, are now on the way to the scene of the murder.

A number of mill hands from Bigram's mill, who had gathered around, were driven off by the negroes.

Police Constable Rankin was the largest man on the force, very powerful and courageous. He was about thirty years of age and was very popular. He leaves a wife and one child.

CHATHAM, Ont., Jan. 25.

The expedition sent out last night to Raleigh Township to recover the corpse of Policeman Rankin and to arrest his murderers returned to town early this morning, bringing in the body of the dead man and six of his assailants, namely, W. T. Freeman, Henry Freeman, Jesse Freeman, Alexander Freeman, Jerry Freeman, Milton Freeman, old man Freeman and his wife.

These were at once lodged in jail. William and Henry Freemen are both in the doctor's hands suffering from bullet wounds inflicted by P. C. Dezelia while trying to rescue P. C. Rankin.

These two are identified by the other constables as the men who struck Rankin with the axes, and George who is still at large, as the man who gave the last and finishing blow on the head with a fence rail.

On the arrival of the posse from Chatham at the Freeman homestead no resistance was offered, all the prisoners giving themselves up quietly.

Reeve W. Pedwell of Thornbury, was not present owing to illness, but sent word he would probably join the Council Tuesday night. On this account an adjournment was moved until 7 p. m. At first the motion was put and lost.

2nd Deputy Reeve Armstrong, of Owen Sound, then drew attention to the fact that 1st Deputy Reeve Gorden and 3rd Deputy Reeve Lemon were not present.

The motion was again put and this time carried by a small majority.

At 7:10 the Clerk took the chair and called for nominations for Warden. There were five candidates nominated, namely, Messrs. Agnew, Hanbury, Kerr, Lang, Rogers.

Messrs. James C. Miller and Robert Edgar were appointed scrutineers, and they on the first count declared Mr. Rogers elected.

Mr. Lang moved that a Committee of five be elected to strike the standing committees for the year, and that the number of each standing committee be reduced to 7.

There was considerable discussion on this question. Some held that large committees facilitated work, as by this means having discussed the question in committee, the greater number of the members were familiar with all questions when they came before the Council. Others held that heretofore the main cause of delay in committee work, had been that members oftentimes being on several committees, one committee would have to wait for another.

Mr. Wm. Lemon then moved in amendment that the committees be simply struck without any restrictions as to numbers—carried.

The committee appointed consisted of Messrs. Brown, Chisholm, Clarke, Lang, Read.

Council adjourned at 8:45 p. m.

At 10 p. m. Wednesday morning the Council again came to order. The Warden delivered a pithy little speech He congratulated the Council on the generally good health prevailing. He spoke of the House of Refuge question, which would probably come up at this session.

The following communications were then read:

The report of the Agricultural Societies at North, East and South Grey; a communication from the town of Thornbury demanding payment of amounts due them by virtue of the award made, in the County vs. Thornbury arbitration, the amounts to be paid part on February 1st and part on March 1st; letter from Prisoner's Aid Association, asking assistance; accounts as follows:—Geo. Corbet & Sons, $2.50; John Waits, $1.50; John Harrison, $88.52; R. P. Butchart, $47.70; Geo. Rankin, $2.55; Kendey & Sons, $5.80; James Patterson, Meaford, for printing, $47.49; a letter from Duncan Cambell, of Bentinck, and H. W. Jenkins, of Owen Sound asking to be appointed Auditors; letter from K. W. McKay, Clerk of Elgin County, asking the co-operation of this Council in petitioning the Legislature to amend the Railway act in such a manner as to make provision for culverts on natural water courses; letter from Rev. Mr. McLennan, of Heath Head, stating that his son wishes to attend the Agricultural College and asking if a student from this county has been appointed; letter from the clerk of Dufferin re the erection of a House of Refuge, to be joint property of the Counties of Grey and Dufferin. The Treasurer's statement of non-resident land.

The next order of business was the presentation of committee reports. Mr Clarke, Chairman, read the special report of the committee appointed to strike the standing committees, which as as follows;

Irwin—Kerr—That the report of the special committee be adopted—carried.

Gamey—Preston—That the Reeves of Collingwood, Egremont and Derby be a committee to enquire into the Treasurer's securities and report at this meeting—carried.

Mr. Gamey next read the report of the Court of Judicial Audit. This report was referred to the Committee on Memorials and Communications. A motion was passed instructing the Finance Committee to take into consideration the equalization of the assessment.

Council adjourned at 12 o'clock noon.

Council assembled about 10 o'clock Thursday morning. A communication was read from Inspector Grier of East Grey, stating all the schools there were in a flourishing condition. The report to be presented to the Council to the Ontario Legislature re changes in the present arrangements of County Council sittings was submitted to the Council for approval. Several accounts were also presented.

Chairman Lang read report No. 1 of the Finance and Assessment Committee. The report contained the following assessments of the various municipalities,

Artemesia, $1,140,000; Bentinck, $1,335,000; Collingwood, $1,360,000; Derby, $740,000; Euphrasia, $1,170,000: Egremont, $1,345,000; Glenelg, $960,000; Holland, $960,000; Keppel, $684,000; Normanby, $1,570,000; Osprey, $960,000; Proton, $990,000; St. Vincent, $1,420,000; Sydenham, $1,230,000: Sullivan, $1,214,000; Sarawak, $226,000; Owen Sound, $1,640,000; Meaford, $460,000; Durham $200,000; Dundalk, $120,000; Thornbury, $160,005; Markdale, $130,000.

There was considerable discussion over the Dundalk and Markdale assessment and slight changes made; Dundalk being changed to $115,000 and Markdale to $135,000.

The following by-laws were presented and read a first time. By-law 453 to appoint a member for the Judicial Board of Audit; 454 to appoint a high school trustee for Owen Sound Colegiate Institute; 457 to appoint auditors for the County of Grey.

Council adjourned at 12 o'clock noon noon, to meet again at 7 p. m.
