PERUVIAN SYRUP:
OR, PROTECTED
Solution of Protoxide of Iron
Having successfully passed the ordeal to which new discoveries in the Medical Science are subjected, must now be received as an established Medicine.
ITS EFFICACY IN CURING
DYSPEPSIA,
Affections of the Liver, Dropsy, Neuralgia, Bronchitis and Consumptive Tendencies, Disorders of state of the Blood, Boils, Scurvy, and the prostrating effects of Lead or Mercury, General Debility, and all Diseases which require a
TONIC AND ALTERATIVE MEDICINE
IS BEYOND QUESTION.

THE proofs of its efficacy are so numerous, so well authenticated, and of such positive character that sufferers cannot reasonably desirate to receive the proffered aid.
The Peruvian Syrup does not profess to be a cure-all, but its range is extensive, because many diseases, apparently various, are intimately related, and proceeding from one cause, may be cured by one remedy.
The class of diseases for which the Syrup provides a cure, is precisely that which has so often baffled the highest order of medical skill. The facts are tangible, the witnesses are accessible, and the safety and efficacy of the syrup incontrovertible.
Those who may wish for an opinion from disinterested persons respecting the character of the Syrup, cannot fail to be satisfied with the following, genuine unsolicited testimonials in the hands of the Agents. The signatures are those of gentlemen well known in the community, and of the highest respectability.
CARD.
The undersigned having experienced the beneficial effects of the "Peruvian Syrup," do not hesitate to recommend it to the attention of the public.
From our own experience, as well as from the testimony of others whose intelligence and integrity are altogether unquestionable, we have no doubt of its efficacy in cases of Incipient Diseases of the Lungs and Bronchial Passages, Dyspepsia, Liver Complaint, Dropsy, Neuralgia, &c. Indeed its effects would be incredible, but from the high character of those who have witnessed them, and have volunteered their testimony as we do ours, to its extraordinary powers.

CERTIFICATE OF DR. HAYES.
It is well known that the medicinal effects of Protoxide of Iron is lost by even a brief exposure to air, and that to maintain a solution of Protoxide of Iron, without further oxidation, has been deemed impossible.
In the Peruvian Syrup this desirable point is attained by combination in a way hitherto unknown; and this solution may replace all the proto-carbonates, hydro-and iodurets of the Materia Medica.

Str. EMERALD, Capt. T. A. Cuming, Leaves Aylmer on Tuesdays, Thursdays & Saturdays, at 7 a.m., touching at March, Rocky Point, Crown Point, Quio, Fitzroy Harbor and Pontiac—there connecting with the steamer Oregon for Arnprior, Sand Point, and other stopping places en route—arriving at Portage-du-Fort at 4 p. m., where passengers take Stage for the Interior and Upper Ottawa—connecting at Pembroke with the steamer Pontiac.

Parties of Pleasure, desirous of visiting the Upper Ottawa can be accommodated on reasonable terms by special arrangement, timely notice being given to make connections off regular day-trips.
These Steamers will be prepared to Tow Rafts, Logs, &c., when off trips, at reasonable rates by the hour, mile or job, as may be agreed upon.

Powder will be carried by special arrangement only, and safely packed. The Company will not be responsible for any loss or damage to Crockery or Glassware received in a frail condition, nor for Mirrors or Clocks, or for Castings, or any such brittle wares or metals, or for loose Furniture, the Trans-shipping and Portaging en route requiring and exacting from Shippers more care and attention to the putting up of packages than has hitherto been manifested, and consequently losses to the carriers. A new, speedy, and most successful mode of treating Spermatorrhœa, Nervous Debility, and all Urino-Genital Diseases.
Seventy Engravings. Price 1s through all Booksellers, or post free from the Author for 14 postage stamps.
THE MEDICAL ADVISER on decay, both mental and physical, arising from excesses, infection, climate, &c. remarks on the use of the Microscope, and the devices of certain quacks to alarm the too sensitive invalid; observations on Marriage, the prevention and removal of certain disqualifications, rules for self treatment, &c. By Walter De Roos, M. D., of the Ecole de Medicine, Paris; Member of the Royal College of Surgeons, London; Licentiate in Midwifery, &c., &c., &c., 10, Berners-street, Oxford street, London. Hours for personal consultation daily from 1 till 4 Sunday excepted.
Sold in Dublin by Beatty, 162 Great Britain street; Edinburgh, Robinson, 11 Greenside st.; Glasgow, Love, Bookseller, and by all the Agents.
From long practical observation of the treatment pursued in the various Institutions of London and Paris for those diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring that accuracy of diagnosis, and uniform success, which have characterised his practice for so many years in this country in which the lamentable neglect of these diseases by medical men generally, and their futile attempts to cure by mercury, copaiba, sarsaparilla, &c., have produced most distressing results. Lasting benefit in such cases can only be reasonably expected at the hands of the legally qualified medical man who devotes his chief attention to their removal; and to him only who can show his possession of the necessary qualifications, can confidence be safely extended. Dr. D'R. refers with pride to the numbers he has been instrumental in restoring to health and happiness, and to those who may be in need of such aid, he offers every assurance of speedy restoration.
Persons residing abroad can be successfully treated by correspondence, on sending a full detail of their case, with a Bank note, or Bill on a London house for £5, in order to have a packet of medicine sufficient to meet the exigencies of the case, sent out by next mail, thus avoiding unnecessary loss of valuable time, and much suffering which might otherwise occur.
The Great European Remedy for Nervousness, Relaxation and Exhaustion.
Protected by Royal Letters Patent of England, and sanctioned by all the great Continental Colleges of Medicine.
DR. DE ROOS' GUTTÆ VITÆ; or LIFE DROPS, are the great remedy for Spermatorrhœa, Exhaustion, Nervousness, Debility, Aversion to and Incapacity for Society, Study or Business, Shaking of the Hands and Limbs, Indigestion, Flatulence, Shortness of Breath, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, Eruptions, Sore Throat, Pains in the Bones, and all those diseases for which mercury, sarsaparilla &c., are too often employed to the utter destruction of health. Their almost marvellous powers must be felt to be believed. Hundreds of apparently hopeless cases have been cured, and thousands almost miraculously relieved, when everything else had failed; and they must sooner or later supersede all those questionable remedies which have hitherto been the sole reliance of English medical men.
Price 11s, and four times the quantity at 33s per bottle of the Agents below. The £5 packages containing twelve 11s quantities, (by which £1 12s are saved) will be sent from the Establishment only, on receipt of the amount, per draft on a London house or otherwise.
CAUTION.—Sufferers must guard against the recommendation of spurious or other medicines by unprincipled vendors, who thereby obtain a larger profit. The words 'Walter De Roos, London,' are printed in white letters on the Stamp affixed to the above, by order of Her Majesty's Honorable Commissioners, to protect the public against fraud, as without this none can be genuine, and to imitate which is felony.
Pains in the Back, Gravel, Lumbago, Rheumatism, Gout, Disease of the Kidneys and Bladder, Stricture, &c.
DR. DE ROOS' COMPOUND RENAL PILLS are a well known safe and speedy remedy for the above dangerous complaints, Discharges, and Diseases of the Kidneys and Urinary Organs generally. Possessing tonic properties, they agree with the most delicate stomach, improve the health, and in three days effect a cure when copaiba, cubebs, and all such dangerous medicines have utterly failed. 2s 8d, 4s 6d, 11s and 22s per box, of the Agents below, or post free on receipt of the amount by Dr. DE ROOS, 10, Berners Street, Oxford Street, London.
The superiority of these celebrated Pills over every thing of the kind is universally acknowledged, and the extraordinary demand for them without precedent.
Many there are, who from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above Pills, the sufferer may, without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.
