THE GREATEST
MEDICAL
DISCOVERY
OF THE AGE.
MR. Kennedy, of Roxbury, has discovered in one of our common Pasture Weeds, a remedy that cures EVERY KIND OF HUMOR, from the worst scrofula, down to a common Pimple. He has tried it in over eleven hundred cases, (both tender and tender humor.) He has now in his possession over two hundred certificates, of its value, all within twenty miles of Boston.
Two bottles are warranted to cure a running sore mouth.
One to three bottles will cure the worst kind of pimples on the face.
Two to three bottles will cure the system of boils.
Two bottles are warranted to cure the worst kind of tetter in the mouth and stomach.
Three to five bottles are warranted to cure the worst kind of erysipelas.
One to two bottles are warranted to cure all humor in the eyes.
Two bottles are warranted to cure running of the ears and blotches among the hair.
Four to six bottles are warranted to cure corrupt and running ulcers.
One bottle will cure scaly eruptions of the skin.
Two to three bottles are warranted to cure the worst case of ringworm.
Two to three bottles are warranted to cure the most desperate case of Rheumatism.
Three to four bottles are warranted to cure salt rheum.
Five to eight bottles will cure the worst case of scrofula.
A benefit is always experienced from the first bottle, and a perfect cure is warranted when the above quantity is taken.
Chatham, N. H., Dec. 15, 1858.
Dr. Kennedy—Dear Sir: In hopes to be a benefit to my fellow man, I write to you what your discovery has done for me.
In December, 1839, I was taken with the Rheumatics; since then, I have suffered every thing but death for fourteen years.
I have paid $500 to different doctors, and never received any benefit, not even to the amount of one dollar.
Last June I heard of your Discovery. I told a man I would try it. He said I had tried everything and there was no help for me. I was so old, being 70 years of age. He was a good doctor so called. I told him nothing ventured, nothing made.
I got one bottle of your Discovery. Before I got it I heard the stock stirring every hour for five nights. On the fourth night I took the spoonful and the next morning I was as sure pissing more than a child two years old, and have been gaining ever since. I am now, (No. 6th,) on my seventh bottle.
When I first took my of it, I had to walk or hobble on two crutches; this day I can go not have gone over the floor without any crutch or cane, but I am yet weak in my hips; but I feel better every hour of it.
If I had a chest four feet square, it would not hold one half I could write. Had I the voice to be heard from the North to the South pole, I would proclaim it as long as I live. It is curse not a soul any one in God's world.
You would not believe how much better I feel. I am now almost a new man made out of an old one.
There have been over 300 hundred people to see me since I began to recover,—they are astonished. One man said, if all the cuts in Chatham had said him what his eyes now saw, he would not have believed them; but he must believe his own eyes.
Abraham Wentworth, Chatham, N. H.
CURE OF A TUMOR OF 14 YEARS' STANDING.
Mr. Kennedy—Dear Sir: I address you with feelings of heartfelt gratitude for the wonderful cures of your Medicine. Discovery has done to me.
For twenty long years I suffered with a tumor of the most distressing kind. It would break out, covering my body with sores and blotches, out of which would flow a yellow matter of the most offensive kind. I was in object of disgust to myself and every body else. When it began to dry up a little, it would irritate and scald. I often felt, that I could tear flesh off the bone. In this state I suffered during these long years, inconsolable and despairing of relief. Every winter for this time cut my face, and the hair of my eyebrows came out by the roots. My sore looked like roasted meat, dry and black to a stump, that I was an object of pity to all that knew me.
When I look back upon it, I can hardly think that I am myself. When your Discovery first came to Maine, I helped upon it as a trouting and set myself against it; after a few months I heard of so many wonderful cures by it, that I concluded to try some more. I could hardly believe it when I was getting better. You will remember the letter I told you that I was the last to believe it. It proved to be the best letter I could be cured.
I took in all five bottles. I am now as well as I ever was in my life.
BENJAMIN SMITH, Alfreton, Me.
Dr. Kennedy's Medicine—We are informed by Major Douglass, of Hancock, in this county, to publish the following fact in relation to Dr. Donald Kennedy's wonderful Medicine.
Major Douglass states that his wife was afflicted with a fever sore on one of her ankles, for about twenty five years, which must of that time deprived her of the use of the limb. In October last, she commenced using Dr. Kennedy's Medicine, has taken four bottles, and is now and has been for the last three mos. in the enjoyment of perfect health; the fever sore is entirely healed up, and the ankle sound and healthy as the other.
Major Doughty feels under God, that he is indebted to the wonderful properties of Dr. Kennedy's Medicine for this cure, and is desirous that the public should become acquainted with the fact, and know where to apply for relief under similar circumstances. To the fact of which he is willing to make affidavit at any time.—Norway Adv. 193

TRUE TIME.
AMERICAN WATCHES.
These superior Watches are made by the aid of new and original machinery, expressly designed to secure with a low price, a firm substantial and uniformly reliable time-keeper. The movements are now in construction, have been pronounced by the highest authorities to be faultless in principle and quality, and have been proved by the most exacting tests to be unfailed in action. These watches are made entire from the crude materials, in a single establishment, by connected and uniform processes—the factory being organizing upon the same system that has been adopted in the production of the unequalled American fire-arms,—which enables us to produce a movement at one-half the price of a foreign movement of the same quality. Each watch is carefully tested, and is accompanied with the maker's certificate and warranty for two years.
All foreign watches are made by hand, the American watches being the only ones made by machinery upon a uniform system throughout. Nearly all hand-made watches are defective, and are continually getting out of order. In many parts of the country it is impossible to find good watch repairers, and watch repairing is always uncertain and expensive. The introduction of American watches disposes of this difficulty, and country merchants, as well as watch dealers, can keep watches as a part of their miscellaneous stock, and thus supply their customers with a new Staple, which may be used as any other article, without mystery or humbug. Sold by the trade generally.

THE NEW-YORK TRIBUNE,
1858-59.
—THE NEW-YORK TRIBUNE, now more than seventeen years old, which was the first journal in the world that appeared regularly on an imperial eight-page sheet at so low a price as two cents, and which has attained the unparalleled aggregate of more than 200,000 subscriptions, respectfully solicits its share of the patronage which the Metropolitan Press is henceforth to receive.
Within the present year THE TRIBUNE has provided itself with a new and faster Press, at a cost of $20,000, merely that some of our subscribers may receive their papers most earlier than they otherwise might do.
With correspondents at the most important points throughout the civilized world, and a staff of writers chosen from among the best in the country, we believe that even those who dislike the politics of our sheet concede to it frankness in avowing its convictions and ability in maintaining them. We appeal then, to those who believe that an increased circulation of THE TRIBUNE would conduce to the political, intellectual and moral-being of the Republic, to aid us in effecting such increase.
THE DAILY TRIBUNE is printed on a large imperial sheet, and published every morning and evening, (Sunday excepted,) and mailed to subscribers for six dollars per annum in advance; $3 for six months.
United States postage, $1 56 per annum, must be prepaid.
THE SEMI-WEEKLY TRIBUNE is published every TUESDAY and FRIDAY, and contains all the Editorials of the Daily with the Cattle, Horse and General markets carefully reported expressly for THE TRIBUNE; Foreign and Domestic Correspondence; and during the coming session of Congress it will contain a summary of Congressional doings with the more important speeches. It will also contain a first-class Novel, continued from number to number, thus affording a first-rate family newspaper to those who prefer not to take a Daily.

DR. M'LANE'S
CELEBRATED
VERMIFUGE
AND
LIVER PILLS.
WE beg leave to call the attention of the Trade, and more especially the Physicians of the country, to two of the most popular remedies now before the public. We refer to
Dr. McLane's celebrated
Vermifuge and Liver Pills.
We do not recommend them as universal Cure-alls, but simply for what their name purports, viz.:
THE VERMIFUGE,
For expelling Worms from the human system. It has also been administered with the most satisfactory results to various Animals subject to Worms.
THE LIVER PILLS,
For the cure of LIVER COMPLAINTS, all BILIOUS DERANGEMENTS, SICK HEADACHE, &c. In cases of
FEVER AND AGUE,
preparatory to or after taking Quinine, they almost invariably make a speedy and permanent cure.
As specifics for the above mentioned diseases, they are Unrivaled, and never known to fail when administered in accordance with the directions.
Their unprecedented popularity has induced the proprietors,
FLEMING BROTHERS,
PITTSBURGH, PA.,
to dispose of their Drug business, in which they have been successfully engaged for the last Twenty Years, and they will now give their undivided time and attention to their manufacture. And being determined that Dr. M'Lane's Celebrated Vermifuge and Liver Pills shall continue to occupy the high position they now hold among the great remedies of the day, they will continue to spare neither time nor expense in procuring the Best and Purest material, and compound them in the most thorough manner. Address all orders to
FLEMING BROS, Pittsburgh, Pa.
P.S. Dealers and Physicians ordering these celebrated Pills, will find it much to their interest to procure them of the Proprietors, Pittsburgh, Pa. No other Vermifuge and Liver Pills are genuine.
