C. W. Rutledge, Proprietor.

MARKDALE DECEMBER 7, 1893

WHAT NEXT.

The returns from Saturday's bye-elections have furnished political gossip and effected the party pulse throughout the Dominion. North Bruce elected Mr. McNaughton the Patron candidate by over 500 of a majority, while in East Lampton Mr. McCallum, the P. P. A. candidate was returned by 403. This kerflop is looked upon by some politicians as ominious of a breaking up of partyism, while others consider it but a passing throb of sentiment. Time only will tell what is ahead.

Holland Centre.

Teamsters are taking advantage of the snow and are hustling in both cordwood and logs.

We are glad to see Mr. Norman McDonald in his old situation again.

Friend McLesh still holds forth at Presbyterian Tabernacle and we are glad to say with some good results.

Mr. M. Bruce spent Sunday in town.

The Master and scholars had a holiday on Monday owing to a defective chimney which sent the smoke inside the building in place of outside.

Rocklyn.

Mr. Alex. McDougall has left for Erin, where he will spend the winter.

Mr. Chas. G. Devitt is preparing to build a commodious barn, with basement stabling, next summer. Mr. Jas. Trickey will do the stone work, and Mr. John Dillon the wood work.

Mr. Geo. Armstrong left on Monday to enjoy a short visit in Orangeville and vicinity. He will act as groomsman at the marriage of his sister, Miss Katie Armstrong, on Wednesday, 6th.

Mr. Alex. Erskine is taking preliminary steps for the organization of a lodge of the Ancient Order of United Workmen here. Every eligible man hereabout, especially if not already insured, should become a member of this worthy order.

Traverston.

Mr. Thos. Cook and wife of Owen Sound have been among the past week, combining business with pleasure. They are doing well in the county town.

A temperance prohibition meeting is to be held in Zion on Thursday, beginning at 7:30 p.m. Addresses will be given by Principal Alexander, Rev. A. K. Birks and others. All are invited to come.

Miss Annie Cox came home from London on Wednesday. She is unwell at present, but is improving.

A bundle of series of Walter's Falls, [illegible] the new agently to the "Sun," [illegible] that "Hustler" is a [illegible]. In fact, he is the owner of as [illegible] as there [illegible] "Hustler" is ever ready, [illegible] a smile and a bean and [illegible] to choose [illegible]

[illegible] an old package, but in the [illegible] many means happiness. A [illegible] happy event took place on Tuesday morning, the 28th ult. at the residence of Rev. Father Maloney, Durham, it being the marriage of Mr. John A. Clift of Flesherwood and Miss Sara Daisy of Traverston. Mr. John Orgedo of Durham and Miss Mary A. Doherty of the same place were the groomsman and bridesmaid at a handsome quadrille. The following is a pleasant breakfast at the bride's old home. The evening train bore away the happy couple to their new home in Flesherwood, carrying with them the best wishes of their many friends and acquaintances.

HUSTLER.

AT HOME AND ABROAD.

PHYSICIANS, [illegible] pioneers, settlers [illegible] and all classes of people everywhere testify to the medicinal and curative virtues of Hop Bitters, the most popular and effective medicine extant. For all diseases of the stomach, liver, bowels and blood.

Walter's Falls.

Lots of snow now and good sleighing.

We are pleased to learn that Mrs. R. Walter is now improving.

Mr. Wm. Picard of Desboro, visited his brother here Saturday last. They took a trip out to Rocklyn Sunday and called on their uncle, Mr. Sturgeon.

Mr. G. Karstadt, our tailor, visited his friends in Flesherton the beginning of this week. He is receiving a large consignment of stoves this week.

The hare and partridge season closes on Dec. 15, and has been a very good one so far as we can learn.

On Mr. H. Bonnell's return from Owenbridge where he was performing the last rites to the body of his departed father, he was presented with the following resolution of condolence on behalf of the R. T. of T. Council here.

MR. H. BONNELL,
Walters Falls, Ont.

Dear Sir and Bro.—Walters Falls Council R. T. of T. No. 449 assembled this Monday evening, Nov. 21, 1893, desire to express their sympathy for you and your family in the loss you have sustained in the death of your revered father. By his purity of character, uprightness of life and kindness of heart, he gained the admiration and love of all who knew him; yet we rejoice in the midst of sorrow that he is "forever with the Lord," for "blessed are the dead that die in the Lord. They rest from their labors and their works do follow them."

Commending you to the God of all comfort, may a happy re-union be yours in that land where parting never comes.

S. C., R. J. WATSON.
Sec., W. J. HENDERSON.

Walters Falls, Nov. 28, 1893.

FOR SEVERE COLDS

GENTLEMEN.—I had a severe cold, for which I took Dr Wood's Norway Pine Syrup. I find it an excellent remedy, giving prompt relief and pleasant to take.

J PAYNTER, Huntsville, Ont.

BEYOND DISPUTE.

THERE is no better, safer or more pleasant cough remedy made than Hagyard's Pectoral Balsam. It cures hoarseness, sore throat, coughs, colds, bronchitis, and all throat and lung troubles.

Flesherton.

Quietness in municipal matters reigns supreme. Is it the "calm before the storm."

A plebiscite mass meeting was held in the the Town Hall last Friday evening for the purpose of discussing the question. Some interesting facts were laid before the meeting by the various speakers interested in movement.

The patrons of Flesherton cheese factory held the closing meeting of the year on Saturday afternoon. Although the receipts of milk were affected by the prevailing draught of the past summer yet the patrons of this institution can look back upon another year of success, a state of things satisfactory to all concerned. The usual descent (liberal and figurative) was made upon the cashier at the close of the meeting.

Horse trading has probably been practised from time immemorial but even now in the sere and yellow leaf of the XIXth century it is fraught with difficulties. For surprises sometimes pleasant, oft times the reverse it beats most undertakings of a commercial nature, and furnishes a mild excitement to the community. If our Mechanic's Institute would organize a Prize Essay Competition on the subject some interesting contribution might be reasonably expected from our village.

The strife between the "Clarksburg Reflector" and the "Advance" with so much sarcastic fire is not yet quenched, if one may judge from the fitful flicker in last week's issue of the latter paper. Pity the two papers do not take warning by the fate of the historic cats referred to by the "Advance" man.

Municipal Matters in Euphrasia.

So far as we have learned no definite announcements have yet been made by the new aspirants in Euphrasia. First deputy-reeve Stuart appears to be undecided as to whether or not to oppose Mr. Gilray for the Reeveship. Like many other prospective candidates, he is "in the hands of his friends." Some parties in the east talk of bringing out Mr. Cameron McRae, of lot 10, con. 1. Mr. McRae has had experience in municipal affairs, having been Reeve of a township in the Algoma district.

It is positively stated that Mr. Albert Paterson, of Blantyre, will re-enter the municipal arena, and that he will be a candidate for the first deputy-reeveship whether Mr. Stuart steps up or not.

Councillor James Erskine is also spoken of for this position.

It is understood that second deputy-reeve Elliott will seek re-election, and it is rumored that he will be opposed by Messrs. McAuslan and Davis.

For councillors Messrs. John Easton, Wm. Fawcett, J. W. Patton, W. J. Black and Geo. Beatty are spoken of.

All Men

Young, old or middle aged, who find themselves, nervous, weak and exhausted, who are broken down from excess or overwork, resulting in many of the following symptoms: Mental depression premature old age, loss of vitality, loss of memory, bad dreams, dimness of sight, palpitation of the heart emissions lack of energy, pain in the kidneys, headaches, pimples on the face and body, itching or peculiar sensation about the scrotum, wasting of the organs, dizziness, specks before the eyes twitching of the muscles, eyelids and elsewhere, bashfulness, deposit in the urine, loss of will power, tenderness of the scalp and spine, weak and flabby muscles, desire to sleep, constipation, dullness of hearing, loss of voice, desire for solitude, excitability of temper, sunken eyes, surrounded with LEADEN CIRCLES, oily looking skin, etc., are all symptoms of nervous debility that lead to insanity unless cured. The spring of vital force having lost its tension every function wanes in consequence. Those who through abuse committed in ignorance, may be permanently cured. Send your address and 10c. in stamps for book on diseases peculiar to man sent sealed. Address M. V. LUBON, 24 Macdonnell Ave., Toronto, Ont., Canada.

County Council.

The autumn session of the County Council opened with a special sitting on Monday evening for the purpose of finally passing By-law 463 for the purpose of raising $20,000 for defraying the costs of certain permanent improvements in the county and for expenditures over and above the sums required for the ordinary expenditure of the county and to authorize the issue of debentures therefore. This by-law received its first and second reading at the June session.

When Warden Rogers took the chair the following members were present: Messrs. Agnew, Allan, Anderson, Armstrong, Binnie, Boland, Brown, Campbell, Chisholm, Clark, Dickson, Elliott, Galbraith, Gamey, Gilray, Gordon, Graham, Hanbury, Harness, Irwin, Jacklyn, Kerr, Lang, Lemon Wm., Lemon Elias, Messenger, McDonald John, McDonald Robt., McGregor, McPhee, Pedlar, Preston, Pringle, Read, Ries, Schenn, Shaw, Shute, Sing, Staples, Stark, Stuart, Swanston, Tedford, Wilcox; the only absentees being Damude of Flesherton, and Lucas of Markdale. Mr. S. L. Howe, the newly elected reeve of Thornbury in place of Mr. Pedwell, who resigned in order to enter into an arbitration with that municipality entered late, filed his certificate of election with county clerk Rutherford and took his seat.

It was moved by Mr. Lang, seconded by Mr. Armstrong, that by-law 463 be read a third time, finally passed, signed, sealed and engrossed. A lengthy discussion took place on the motion, which was finally passed with an overwhelming vote. Mr. Howe of Thornbury, one of the opponents of the bylaw, demanded that the yeas and nays be called and only four members recorded themselves against it, viz., Messrs. Allan, Howe, Irwin and Wilcox. The special session was then adjourned.

TUESDAY MORNING.

The regular session opened at 10 o'clock on Tuesday morning Warden Rogers in the chair and all the members present excepting Damude and Lucas. The Warden delivered his opening address in which he congratulated the council on the good harvest they had garnered in and on the sound financial condition of the country. He referred to the triumphs of Ontario at the World's Fair and thought that the county of Grey had especial cause to be proud of her record there. In cheese and butter exhibits there was no county that had taken so high a place and this was but an evidence of the rich character of our soil. Another matter of congratulation was the low figure at which the expenses of the county stood this year. This was true also of the various local municipalities. Comparing the expenditure of the various townships with that of adjoining townships in other counties, it was found that in Grey county the people were much less burdened. He thought this was due to the cautious, careful thinking men at the head of municipal affairs in this county. After a reference to the Meaford bridge matter, the warden closed his address by thanking the council for the courtesy and consideration shown him during his year of office.

The clerk read a communication from the town clerk of Meaford enclosing a resolution of the council of that town accepting $500 offered by the County council as its share towards the repairing of the bridge over the Big Head river; an application from S. Leonard, Woodford, to become the county pupil at the Guelph Agricultural college; an invitation from Principal Jenkins of the Collegiate Institute asking the council to visit and inspect the school; a letter from Judges Creasor and Morrison, local masters of the high Court of Justice asking that the council provide a master's room in the court house; a letter from Dr. A. M. Roseburgh of the Prisoner's Aid Association asking co-operation in prison reform; and a number of accounts and statements. These communications the warden referred to the various committees.

Mr. Clarke of Keppel introduced bylaw 468 to amend bylaw 465, defining the duties of the surgeon by adding a clause repealing all bylaws conflicting with said bylaw 465. This bylaw received a first and second reading and was passed through committee of the whole.

Moved by Hanbury and Gilray, that the distribution of the $20,000 provided under bylaw 463 (passed Monday night) be referred to the Finance committee to report by Thursday—carried.

At 11:20 a.m. the council adjourned to meet again at 2 p. m., Wednesday.

WEDNESDAY AFTERNOON.

The Warden took the chair at 2:10 o'clock. After the reading and confirmation of the minutes the clerk read a large number of accounts; a petition from the town of Durham for aid from the county in building a bridge on Lambton street according to section 533 (a) of the Municipal act of 1892; the annual report of the North Grey Ploughing Association; the county clerk's report as to the issue of forms to magistrates. These communications were referred as usual to the various committees.

Mr. Graham gave notice that he will move that this council memoralize the Dominion Government to so amend existing legislation as to reduce first class railway fare to 2 cents per mile and 2nd class fares to 1½ cents per mile; and that the council ask the corporation of other county councils in this matter.

Mr. Lang presented report No. 1 of the Finance Committee recommending that the account for stationary $55.15 be paid per treasurer; that the list of auctioneers licenses for the year be published in the minutes and that Mr. S. Leonard of Sydenham township receive the appointment of county pupil at the Ontario Agricultural College upon the first vacancy occuring. The report was adopted.

Mr. Clark presented No. 1 of the committee on Communications and Memorials. The main part of report dealt with the communication of Dr. Roseburgh regarding prison reform. With regard to the establishment of reformatories for inebriates the committee recommended that the Warden and Clerk memoralize the Ontario Government establish one or more such institutions. As to house of refuge, the report made no recommendation, this matter being under consideration of another committee of the council. As to the industrial employment of able bodied prisoners, the report recommended that such prisoners continue to be employed as recommended in a former report. With regard to grants for the aid of discharged prisoners this council has already set aside a sum for that purpose. As the condition of police cells and lock-ups the report recommended that the Ontario government should be urged to see that a rigid inspection of such places take place. In the matter of the communication of the council of Huron asking re-operation in petitioning for the repeal of section 533 (a) of the Municipal Act of 1892, the recommendation of the report was that the warden, the clerk and the deputy reeve of St. Vincent be a committee to petition the government for such repeal and to ask the co-operation of other councils. The section referred to is the notorious one which permits municipalities of less than 4,000 inhabitants to petition for county aid for the maintenance and building of bridges over 100 feet in length.

The report took the council into committee of the whole. Mr. Messenger in the chair. After considerable discussion the first clause was struck out, re reformatories for inibriates, and in the last clause the name of Mr. Clarke was added.

Mr. Binnie, chairman of the special committee to which was referred the question submitted to county councils by the Ontario Government with regard to certain amendments to the assessment act, presented the report of his committee. The report states that the effect of proposed amendments will be to exempt all personal property and tax incomes—in other words the exemption of capital invested in industry and the taxing of the interest derived therefrom. The proposed amendments affect only urban municipalities, the personalty of farmers being now exempt. The committee endorsed these amendments.

The council went into committee of the whole on the report, Mr. Wm. Lemon in the chair. In answer to an appeal from Mr. Kerr for more light on the subject, Mr. Binnie made a full and able explanation, and after a hot discussion the committe rose to sit again. In the meantime members will be supplied with printed copies of the proposed amendments in order that there may be fuller information on the subject.

Bylaw 468 amending bylaw 465 was given a third reading and finally passed.

Mr. Binnie introduced bylaw 469 repealing bylaw 466 by which the county assumed the Nelson St. bridge in Meaford. The bylaw was passed through all its stages and became law. The clerk was instructed to forward a copy to the mayor and clerk of Meaford.

On motion Col. J. P. Telford, secretary of the N. G. Fruit Growers' Association was requested to furnish a report of the moneys expended and prizes won at the World's Fair.

Moved by Messrs. Irwin and Gamey that the council memoralize the Ontario government to prohibit the hunting and running of deers by dogs or hounds except in the district of Muskoka. This motion caused a prolonged discussion and was only carried by the close vote of 23 to 20.

The council adjourned at 5.35 till 2:30 o'clock this afternoon.

(Owen Sound Times.)

Extending Their Boundaries.

A NEW LINE OF MANUFACTURE TO BEGIN IN BRANTFORD.

The citizens of Freeport always take pride in the progress of its citizens, and especially in the development of its industries, for much of our prosperity depends on their success. We have a number of strong and enterprising manufacturing concerns in this city, and among them the Stover Manufacturing company occupies a leading place. Their exhibit at the World's fair has been the centre of attraction in the windmill division all summer, and energetic Mr. John M. Irwin, superintendent of agencies, with able assistance has had his hands full and his tongue more than ordinarily busy explaining the merits of the Ideal Pumping Wind mill and Ideal Junior Sectional Power mill, and booking orders for them. Mr. Irwin reports business, done with numerous foreign countries and within the last few weeks the company has arranged with a live Canadian firm, Messrs. Goold, Shapley & Muir Co., Ltd., of Brantford, Canada, to manufacture and sell the Ideal, and Ideal Junior wind mills, exclusively in Canada. Mr. E. L. Goold, president, and Mr. John Muir, vice-president, were in the city recently arranging the details and they report the prospects for business in Canada as excellent. Mr. Muir, who by the way, is a noted salesman, said some very complimentary things about the members of the Stover Manufacturing company, and their honorable ways of doing business, also about the excellence of their goods, but we will not tell more for fear it might make the worthy members of that company blush. We can endorse all Mr. Muir said about their business enterprise and integrity.

Freeport (Ill.) Journal.

Wm. Jackson, agent, Markdale.

DEATHS

HEWITT.—On the 5th inst., Joseph Hewitt, one of the pioneers of Glenelg, aged 74 years. His end was peace.

Bob'l Wright's Blood Bitters. For Sale by all Dealers. T. MILBURN & CO., Proprs., Toronto.

HAVE YOU BACKACHE?

DODD'S KIDNEY PILLS WILL CURE YOU!

"Backache means the kidneys are in trouble. Dodd's Kidney Pills give prompt relief."

"75 per cent. of disease is first caused by disordered kidneys.

"Might as well try to have a healthy city without sewerage, as good health when the kidneys are clogged, they are the scavengers of the system.

"Delay is dangerous. Neglected kidney troubles result in Bad Blood, Dyspepsia, Liver Complaint, and the most dangerous of all, Bright's Disease, Diabetes and Dropsy."

"The above diseases cannot exist where Dodd's Kidney Pills are used."

Sold by all dealers or sent by mail on receipt of price 50 cents per box or six for $2.50. Dodd's Kidney Pills. Write for
