PERUVIAN SYRUP;
OR, PROTECTED
Solution of Protoxide of Iron
Having successfully passed the ordeal to which new discoveries in the Materia Medica are subjected, must now be received as a established Medicine.
ITS EFFICACY IN CURING
DYSPEPSIA,
Affections of the Liver, Dropsy, Neuralgia, Bronchitis and Consumptive Tendencies, Disorders of state of the Blood, Boils, Scurvy, and the prostrating effects of Lead or Mercury, General Debility, and all Diseases which require a
TONIC AND ALTERATIVE MEDICINE
IS BEYOND QUESTION.

THE proofs of its efficacy are numerous, is well authenticated, and of such peculiar character that sufferers cannot reasonably hesitate to receive the testimonial.
The Peruvian Syrup does not profess to be a secret nostrum, but the range is extensive, from simply Dyspepsia, apparently trivial, yet painfully painful, and prostrating from one cause, may be cited in one variety.
The cost of Bottles for which the Syrup proves a cure, is precisely that which has ever a better claim, first, cost of medical aid. The facts are facts, the witnesses are accessible, and the early relief of the Syrup incontestible.
Those who may wish for an opinion from disinterested persons respecting the efficacy of the Syrup, cannot fail to be satisfied, if they will inquire among respectable individuals in the hospitals of the Army, Navy, Merchant Service, Factories and known in the community, and of the highest respectability.
C. A. ID. D.
The undersigned having experienced the beneficial effects of the "Peruvian Syrup" do not hesitate to recommend it to the attention of the public.
From our own experience, as well as from the testimony of others, whose intelligence and integrity are character unquestionable, we have no doubt of its efficacy in cases of Dropsy, Diseases of the Liver and Bronchial Passages, Dyspepsia, Liver Complaint, Dropsy, Neuralgia, &c., in fact, it would be incredible, if we should attempt to enumerate the cases of those who have witnessed its effects, and have volunteered their testimony as we do ours, to its remarkable powers.

CERTIFICATE OF DR. HAYES.
It is well known that the medicinal effects of Prepared Protoxide of Iron are lost by every efforts of chemistry to ally, and that to maintain a solution of Protoxide of Iron, without further modification, has been deemed impossible.
In the Peruvian Syrup this desirable point is attained by combination with a vegetable tonic, which, while it does not impair its efficacy, but replaces all the properties of the Protoxide, also adds the virtues of the Milk of Sulphur.

Parties of Pleasure, desirous of visiting the Upper Ottawa can be accommodated on reasonable terms by special arrangement, timely notice being given to make connections of regular day trips.

Powder will be carried by special arrangement only, and safely packed. The Company will not be responsible for any loss or damage to Crockery or Glassware received in a bad condition, nor for Mirrors or Clocks, or for Castings, or any such brittle wares or metals, or for loose Furniture, the Transshipping and Portaging en route requiring and exacting from Shippers more care and attention to the putting up of packages than has hitherto been manifested, and consequently losses to the carriers. A new, speedy, and most successful mode of treating Spermatorrhœa, Nervous Debility, and all Urino-Genital Diseases.
Seventy Engravings. Price 1s through all Booksellers, or post free from the Author for 14 postage stamps.
THE MEDICAL ADVISER on decay, both mental and physical, arising from excesses, infection, climate, &c., remarks on the use of the Microscope, and the devices of certain quacks to alarm the too sensitive invalid; observations on Marriage, the prevention and removal of certain disqualifications, rules for self treatment, &c. By Walter De Roos, M. D., of the Ecole de Medecine, Paris; Member of the Royal College of Surgeons, London; Licentiate in Midwifery, &c., &c., &c., 10, Berners-street, Oxford street, London. Hours for personal consultation daily from 1 till 4 Sunday excepted.
Sold in Dublin by Beary, 162 Great Britain street; Edinburgh, Robinson, 11 Greenside st.; Glasgow, Love, Bookseller, and by all the Agents.
From long practical observation of the treatment pursued in the various Institutions of London and Paris for those diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring that accuracy of diagnosis, and uniform success, which have characterised his practice for so many years in this country in which the lamentable neglect of these diseases by medical men generally, and their futile attempts to cure by mercury, copaiba, sarsaparilla, &c., have produced most distressing results. Lasting benefit in such cases can only be reasonably expected at the hands of the legally qualified medical man who devotes his chief attention to their removal; and to him only, who can show his possession of the necessary qualifications, can confidence be safely extended. Dr D. R. refers with pride to the numbers he has been instrumental in restoring to health and happiness, and to those who may be in need of such aid, he offers every assurance of speedy restoration.
Persons residing abroad can be successfully treated by correspondence, on sending a full detail of their case, with a Bank note, or Bill on a London house for £5 in order to have a packet of medicine sufficient to meet the exigencies of the case, sent on by next mail, thus avoiding unnecessary loss of valuable time, and much suffering which might otherwise occur.
The Great European Remedy for Nervousness, Relaxation and Exhaustion.
Protected by Royal Letters Patent of England, and sanctioned by all the great Continental Colleges of Medicine.
DR. DE ROOS' 'CULLE VITÆ;' or LIFE DROPS, are the great remedy for Spermatorrhœa, Exhaustion, Nervousness, Debility, Aversion to and Incapacity for Society, Study or Business, Shaking of the Hands and Limbs, Indigestion, Flatulence, Shortness of Breath, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, Eruptions, Sore Throat, Pains in the Bones, and all those diseases for which mercury, sarsaparilla &c., are too often employed to the utter destruction of health. Their almost marvelous powers must be felt to be believed. Hundreds of apparently hopeless cases have been cured and thousands administrably relieved, when everything else had failed; and they must sooner or later supersede all those questionable remedies which have hitherto been the sole reliance of English medical men.
Price, 11s, and four times the quantity at 33s per bottle of the Agents, below. The £5 packages containing twelve 11s quantities, (by which £1 12s are saved,) will be sent from the Establishment only on receipt of the amount per draft on a London house or otherwise.
CAUTION.—Sufferers must guard against the recommendation of spurious or other medicines by unprincipled vendors, who thereby obtain a larger profit. The words 'Walter De Roos, London,' are printed in white letters on the Stamp affixed to the above, by order of Her Majesty's Honorable Commissioners, to protect the public against fraud, as without this none can be genuine, and to imitate which is felony.
Pains in the Back, Gravel, Lumbago, Rheumatism, Gout, Disease of the Kidneys and Bladder, Stricture, &c.
DR. DE ROOS' COMPOUND RENAL PILLS are a well known safe and speedy remedy for the above dangerous complaints. Discharges and Diseases of the Kidneys and Urinary Organs generally. Possessing tonic properties, they agree with the most delicate stomach, improve the health, and in some days effect a cure when copaiba, cubebs, and all such dangerous medicines have utterly failed. 2s 9d, 4s 6d, 11s and 33s per box, of the Agents below, or post free on receipt of the money by Dr. DE ROOS, 10, Berners Street, Oxford Street, London.
The generosity of these celebrated Pills covers every thing of the kind in our country acknowledged and the extraordinary demand for them without ground.
Many there are, who from natural diffidence, or from mistaken delicacy, would scarcely bear their affliction to their own family for a short time, but they may remove the cause at once, without the slightest exposure to any one, or the loss of a second person, cure himself speedily, privately, and at the least possible expense.
