The Markdale Citizen's Band will be in attendance, also the Highland Pipes and a good string band to furnish music. Admission 25 and 15 cents. See large posters.

A BOON TO HORSEMEN.—One bottle of English Spavin Liniment completely removed a curb from my horse. I take pleasure in recommending the remedy, as it acts with mysterious promptness in the removal from horses of hard, soft or collouse lumps, blood spavin, splints, curbs, sweeny, stifles and sprains. George Robb, (Farmer,) Markham, Ont. Sold by W. Turner & Co.

OWEN SOUND DISTRICT CONVENTION.—The first Woman's Missionary convention of this district will be held at Markdale on Wednesday, June 13. All members of auxiliaries and others interested in missionary work are earnestly invited to attend. Mrs. (Rev.) R. J. Cuylor, late of BellaBella, B. C., will address the evening meeting. Addie W. Garrett, District Organizer.

THE Saturday Edition of the Toronto Daily Mail is a beautiful paper full of the news of the world and special articles of interest to men, women and children. The Women's Kingdom department, edited by "Kit," is the brightest in America. The Flaneur and Boys and Girls are both very popular departments. There are over $250.00 worth of engravings in each issue of The Saturday Mail. You should have it. Two Dollars a year. Address, The Mail, Toronto, Canada.

A PUZZLER.—Great interest and curiosity has been aroused in the vicinity of Priceville, over a strange and unaccountable noise which has been heard in school house No. 10, Glenelg, three miles south of there. On Monday afternoon, May 21, a sound resembling the whirr of a threshing machine when the cylinder is empty was heard, and increased in volume till school work had to be abandoned. It has been heard almost constantly during school hours since, some times in one part of the room and then in another. On Monday May 28, Inspector Campbell and some twenty others made a most thorough search, but without any result other than deepening the mystery. The school has been visited by scores from every part of the country, as many as seventy teams having been there at one time. We understand the school has been vacated since Monday noon, June 4

GROW SUN-FLOWERS.—Professor Robertson, the Dominion Dairy Commissioner recommends the following mixture for ensilage for winter feeding: 10 tons of Indian Corn Fodder, 3 tons of horse beans and 1½ tons of sun-flower heads. This he says makes the best feed for animals. The proportion of land to these crops would be for each acre of corn, half an acre of horse beans and a quarter acre for sun-flowers. If farmers will send to the Dominion Experiment farm for bulletins on this subject they will be sent free giving full particulars how to grow the crops and prepare them for the silo. Apart from this purpose, it would pay to grow sunflowers to some extent as poultry food. The mammoth Russian is the best kind to grow and they could very well take the place of weeds in fence corners and other places, where their big yellow flowers would add beauty instead of disfigurement.

WOOL taken in exchange for work. Markdale woolen mill.

We have consigned Berkeley correspondence, (Rambler), to the waste basket, it being of too personal a character to publish.

DRESSMAKING.—Mrs. Seymour, late of Toronto, is to open a cutting and fitting shop in Markdale this week. Full announcement later.

MR. G. O. BOWES who has passed his pharmaceutical examination with honors will manage Mr. Turner's business during his absence.

The new Catholic church at Glenelg Centre was dedicated last Sunday by Bishop Dowling of Hamilton. We have failed to procure a full account for this issue, but expect to give particulars next week.

PATRON ENTERTAINMENT.—A Patron entertainment was given in Richardson's school house townline Holland and Euphrasia on Tuesday evening last. Mr W H Moore successfully piloted the different parts of the program—readings, recitations, music, political speeches, etc. A very sociable, enjoyable and profitable time was spent.

THE Patrons of Industry of Centre Grey met in Marsh's Hall, Markdale, on June 4. There was a large representation from almost every Association in the riding. Arrangements were made for the campaign, and there is every prospect of Thos. Gamey their candidate being elected.—Patron.

THE second game of the scheduled matches of the Georgian Bay Baseball League was played on the Agricultural Grounds here on Wednesday p. m. last between Owen Sound and Markdale. Both teams acquitted themselves well, and the score stood 13 and 15 in favor of the visiting team. About 100 O. S. sports and 300 citizens attended. The weather was A1 for the players, but rather chilly for the spectators.

WE regret to say that Mr. W. A. Brown, owing to weak health, has been obliged to withdraw for a time from his bible class in the Markdale Methodist S. S. Mr. Brown has filled this position in a very able manner for many years and we trust to see him so recruited in health as to be able to resume the position before long. In the meantime Mr. E. Rutledge has been prevailed upon to assume the arduous task and is we believe, well qualified for it.

THE first convention of the Woman's missionary society of the Owen Sound district will be held in the Markdale methodist church on Wednesday, June 13. There will be three sessions, 10 a. m., 2:30 p. m. and 7:30 p. m. At the afternoon session an interesting program will be rendered by Owen Sound talent. Among the items of interest on the evening program is an address by Mrs. (Rev) R. J. Cuyler, a returned missionary. A cordial invitation is extended to all who can to be present at every session.

LOCUSTS.—While working about 7 miles from Markdale, one of our citizens betook himself to the "Priceville" Saugeen on Thursday, May 31, for a fish. Coming up to the stream he was surprised to see millions of locusts floating down. Their bodies were about 1½ inches long, color green, wings ¾ inches long, color green and yellow spotted, and three long black hairs protruding from tail. The day being cold they had become numbed, and where there was a protrusion of the banks, they had collected thereon until you could shovel them off. By the following day they had all passed that point save a few which had been washed by the current from spears of grass.

OBITUARY.—With sorrow we record the death of Anne White, the daughter of Mr. John White of Priceville. She came to visit with her sister, Mrs. A. S. Irving about three weeks ago and took sick the second day after she came and died on the second inst. Pain of the heart was the trouble, which she bore with christian resignation and was conscious to the last. She was visited by the Rev. Mr. Gardner of Flesherton, who also gave a very edifying and soul quickening sermon at the house of Mr. Irving on the 4th when the remains of deceased were conveyed to the last resting place in the Priceville cemetery by a large company of friends and neighbors. The subject of this memo was born in the city of Londonderry, Ireland, on the 12th of July, 1852.—Com.
