THE GREAT RESTORATIVE.

FEVER AND AGUE CURED BY DR. M'LANE'S LIVER PILLS.

☞ Mr. Jonathan Houghman, of West Union, Park County, Illinois, writes to the proprietors, Fleming Bros. of Pittsburgh, that he had suffered greatly from a severe and protracted attack of Fever & Ague, and was completely restored to health by the use of the Liver Pills alone. These Pills unquestionably possess great tonic properties, and can be taken with decided advantage for many diseases requiring invigorating remedies; but the Liver Pills stand pre-eminent as a means of restoring a disorganized Liver to healthy action; hence the great celebrity they have attained. The numerous formidable diseases arising from a diseased Liver, which so long baffled the skill of the most eminent physicians of the United States, are now rendered easy of cure, thanks to the study and perseverance of the distinguished physician whose name this great medicine bears—a name which will descend to posterity as one deserving of gratitude. This invaluable medicine should always be kept within reach; and on the appearance of the earliest symptoms of diseased Liver, it can be safely and usefully administered.

☞ Purchasers will be careful to ask for DR. M'LANE'S CELEBRATED LIVER PILLS, manufactured by FLEMING Bros. of Pittsburgh, Pa. There are other Pills purporting to be Liver Pills now before the public. Dr. M'Lane's genuine Liver Pills, also his celebrated Vermifuge, can now be had at all respectable drug stores. None genuine without the signature of

Dailey's Magical Pain Extractor.

In all diseases inflammation strikes at the root of disease—hence an immediate cure.

DAILEY'S MAGICAL PAIN EXTRACTOR,

and nothing else, will allay inflammation at once, and make a certain cure.

DAILEY'S MAGICAL PAIN EXTRACTOR

will cure the following among a great catalogue of diseases: burns, scalds, cuts, chafes, sore nipples, corns, bunions, bruises, strains, bites, poison, chilblains, boils, scrofula, ulcers, fever sores, felons, ear-ache, piles, sore eyes, gout, swellings, rheumatism, scald head, salt rheum, baldness, erysipelas, ringworm, barber's itch, small pox, measles, rash, &c., &c.

To some it may appear incredible that so many diseases should be reached by one article; such an idea will vanish when reflection of ingredients, each and every one applying a perfect antidote to its opposite disorder.

DAILEY'S MAGICAL PAIN EXTRACTOR.

In its effects is magical, because the time is so short between disease and a permanent cure; and it is an extractor, as it draws all disease out of the affected part, leaving nature as perfect as before the injury. It is scarcely necessary to say that no house, workshop, or manufactory should be one moment without it.

No Pain Extractor is genuine unless the box has upon it a steel plate engraving, with the name of Henry Dailey, Manufacturer.

LEONARD SCOTT & CO.'S

REPRINT OF THE

BRITISH REVIEWS, & BLACKWOOD'S MAGAZINE.

L. SCOTT & CO., NEW YORK, continue to publish the following leading British Periodicals, viz.:

1.
THE LONDON QUARTERLY (Conservative.)
2.
THE EDINBURGH REVIEW (Whig.)
3.
THE NORTH BRITISH REVIEW (Free Church)
4.
THE WESTMINSTER REVIEW (Liberal.)
5.
BLACKWOOD'S EDINBURGH MAGAZINE (Tory)

These Periodicals ably represent the three great political parties of Great Britain—Whig, Tory, and Radical,—but politics forms only one feature of their character. As organs of the most profound writers on Science, Literature, Morality and Religion, they stand, as they ever have stood, unrivalled in the world of letters, being considered indispensable to the scholar and the professional man, while to the intelligent reader of every class they furnish a more correct and satisfactory record of the current literature of the day, throughout the world, than can be possibly obtained from any other source.

EARLY COPIES.

The receipt of Advance Sheets from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

POSTAGE.

Canadian Mail Subscribers supplied free of U. S. Postage.

N. B.—The price in Great Britain of the five Periodicals above named is $31 per annum.

OUR REPRINTS vs. ECLECTICS, &c.

As we have for many years been paying more than $3,000 annually to the British Publishers for the matter furnished in these Periodicals, thus virtually becoming copartners with them in the profits of the Reprints, we trust the public will consider this in bestowing their patronage, and give us the preference over Eclectic and other patchwork publications, whether monthly or weekly, which, now extract so liberally from our works and pay nothing either to the Foreign Publishers or to us for the same. As to cheapness, nobody can complain of paying $10 a year for the four leading British Reviews and Blackwood's Magazine, and by taking these works entire, subscribers are not obliged to be guided by others in the choice of the articles they may desire to read. Moreover, taking into consideration the style in which our Reprints are published and their acknowledged fidelity to the original editions, and also the advantage of an early issue by means of the advance Sheets—our series will be found as cheap as any of the competing publications to which we have alluded.

THE GREAT FAMILY PAPER!
THE GREAT FAMILY PAPER!
THE GREAT FAMILY PAPER!
THE GREAT FAMILY PAPER!
THE GREAT FAMILY PAPER!
THE GREAT FAMILY PAPER!

Prospectus for the Year 1859.

The proprietor of the NEW YORK LEDGER is gratified at having it in his power to announce in his Prospectus for the new year—1859—that all the old popular and eminent writers of the LEDGER staff have been retained, and new ones added. Among the latter we are pleased to mention the name of the Hon. EDWARD EVERETT, who is to furnish a series of articles, to be continued during the entire year, under the title of "THE MOUNT VERNON PAPERS." For these articles alone we have already paid Mr. Everett (for the benefit of the Ladies' Mount Vernon Association) the sum of TEN THOUSAND DOLLARS.

As an indication of the popularity of the LEDGER, we need only state the simple fact, that its circulation is larger than that of any other TEN literary papers in the country. Its great success is owing to the fact that its proprietor secures the best writers in the country, and spares no expense in getting up the BEST FAMILY PAPER—a paper of high moral tone. The exalted reputation of its contributors, the practical and invariably pure and healthy character of all its articles, the care which is taken that not even one offensive word shall appear in its columns, and the superiority of its tales and sketches, have gained for the NEW YORK LEDGER a position that no literary paper has ever before reached. We feel, and always have felt, since the LEDGER attained immense circulation, that a heavy responsibility rests upon us, and have endeavored to discharge that responsibility conscientiously, feeling confident that ultimately we should receive the thanks of thousands and tens of thousands of families.

As to the future we are at a loss what to say. We prefer to perform rather than to promise. What we have heretofore done is known to our readers; they know what the LEDGER has been, and is now, and must therefrom judge what it will be hereafter. We can only say that among the regular contributors to the LEDGER are:

GEORGE D. PRENTICE, FANNY FERN, JOHN G. SAXE, MRS. SIGORNEY, SYLVANUS COBB, JR., MRS. SOUTHWORTH, EMERSON BENNETT, ALICE CARY, T. S. ARTHUR, EMMA ALICE BROWNE, WM. ROSS WALLACE, CARLOS D. STEWART, MARY STANZEY GIBSON, COL. W. B. DUNLAP, AUGUSTA MOORE.

And many eminent Lawers, Clergymen, Professors in Colleges, and others, who write for the LEDGER anonymously; and that our complete arrangements are such that the current expenses of the LEDGER are now, and will constantly be, at the rate of over three hundred thousand dollars per annum.

FACTS like these carry with them more weight than any comments that could be made, and comments will therefore be dispensed with. As we have already intimated, we shall leave promising to those who prefer to expend their force in that way, and content ourselves with doing what we can to make the LEDGER the most interesting and instructive FAMILY PAPER in the World.

THE NEW YORK LEDGER is published every Saturday, and sold at all the news offices in every city and town throughout the country, and is mailed to subscribers at two dollars per annum; two copies are sent for three dollars. Any person obtaining eight subscribers at $1.50 each (which is our lowest club rates), and sending us $12, will be entitled to one copy free. Terms invariably in advance.

☞ The postage on the LEDGER to any part of the United States, paid quarterly or yearly in advance, at the office where it is received, is only twenty-six cents a year. Canada subscribers must each send us twenty-six cents in addition to the subscription price of the LEDGER, to pay the American postage.

☞ Subscribers must write their addresses, including the name of the place, County and State, in which they reside, in a plain hand, so as to avoid mistakes.

☞ No subscriptions are wanted from cities, large villages or other places where news offices are permanently established.

☞ All communications must be addressed, postage paid, to

N. B.—The number of the Ledger, dated Jan. 1st, 1859, will be a good one for subscriptions to date from, as in that number the 'MOUNT VERNON PAPERS,' by the HON. EDWARD EVERETT, will be commenced. Mr. Everett's articles will be copyrighted, so as to prevent publication in any other paper. 263

Kingston, Dec. 2nd, 1858.

To Mr. Alderman Robert Jackson.

We the undersigned Electors in the City of Kingston herewith request that you will allow yourself to be put in nomination for Mayor of the City, for the ensuing year, and in acceding to our request we pledge you our cordial support.

Signed,
JAMES MORTON,
And Five Hundred and sixty-three others, Municipal Electors of the City of Kingston.

To JAMES MORTON, Esq.,

AND FIVE HUNDRED AND SIXTY-THREE OTHERS; MUNICIPAL ELECTORS OF THE CITY OF KINGSTON.

GENTLEMEN,—

In acknowledging the receipt of your requisition so numerously signed, and containing as it does the names of the Laboring classes, Mechanics and Merchants, constituting a very large portion of the wealth and intelligence of the City, I feel bound to accept the very kind offer of your confidence and support for the Mayoralty of 1859; in doing so, permit me to say that the duties of the Mayor for the ensuing year, will require to be discharged with vigilence and energy, and without fear or favor to any party or sect whatever.

As electors, you have a serious duty to discharge to yourselves and the city generally, you should not hastily pledge yourselves to any candidate, but first see all before you, and then vote for the man, irrespective of party, private or personal feeling, who may be most competent to discharge the duties of Mayor, for the interest of the City. In adopting this course an efficient Chief Magistrate may be elected, a thorough Police and Fire Brigade force organized; the finances of the City judiciously managed and improved, and peace and good order restored.

By an energetic perseverance, the Railway now brought into the City, will be carried though and connected at or about Collins' Bay; the passenger depot will be erected within the City near the property known as Shaw's Wharf, Ontario Street, extensive piers and steam elevators will be constructed for the accommodation of shippers and sailing craft, and the transhipment of produce. The Provincial Exhibition is to be held in Kingston next year, these measures are named, all of which require immediate attention.

I will endeavor to call on you prior to the day of Election personally, and will meet you on Monday, the Twentieth instant, being the day of Nomination; in the meantime I thank you sincerely for the honor thus conferred on me, and will only add, if you should think that any other Candidate offering is more competent to aid in carrying out such measures, as I allude to, and as must benefit the City, then vote against me, but if you think I possess the qualification for the efficient discharge of the duties devolving on the Mayor of Kingston for 1859, vote for me, and in return I pledge myself, if elected, to act to the best of my judgment and ability, without favor or partiality.

Some persons are circulating reports that I would run the City in debt, and am in some way connected with the Railways, in both assertions I answer they are untrue, and the enunciators of such lash recently the unenviable position of circulating them without any foundation in fact.

I have the honor to be,
Gentlemen,
Your obedient servant,
ROBERT JACKSON.

More to be Admired than the Richest Diadem ever Worn by

KINGS OR EMPERORS.

What? Why a beautiful Head of Hair.

Because it is the ornament God himself provided for all our race. Besides, although the rose may bloom over so brightly in the glowing cheek, the eye be ever so sparkling, the teeth be those of pearls, if the head is bereft of its covering, or the hair be snarled and shrivelled, harsh and dry, or worse still, if sprinkled with gray, nature will lose more than half her charms. Prof. Wood's Hair Restorative, if used two or three times a week, will restore and permanently secure to all such an ornament. Read the following and judge. The writer of the first is the celebrated Pianist, Thalberg:

New York, April 12, 1858.

Dr. Wood:—

Dear Sir,—Permit me to express to you the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your 'Hair Restorative' it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable.

I am, dear sir, yours truly,
S. THALBERG.

Prof. O. J. Wood:—Dear sir,—Some month or six weeks ago I received a bottle of your Hair Restorative, and gave it to my wife, who concluded to try it on her hair, little thinking at the time that it would restore the gray to its original color, but to her as well as my surprise, after a few weeks' trial it has performed that wonderful effect by turning all the gray hairs to a dark brown, at the same time beautifying and thickening the hair. I strongly recommend the above Restorative to all persons in want of such a change of their hair.

CHARLES CARDEW.

New York, July 25, 1858.

Prof. O. J. Wood: With confidence do I recommend your Hair Restorative, as being the most efficacious article I ever used. Since using your Hair Restorative my hair and whiskers which were almost white have gradually grown dark, and I now feel confident that a few more applications will restore them to their nat
