The wonderful cures wrought by the Great South American Nervine Tonic are due alone to the fact that this remedy is based upon the foregoing principle. It cures by rebuilding and strengthening the nerve centres, and thereby increasing the supply of nerve force or nervous energy.

This remedy has been found of unfailing value for the cure of Nervousness, Nervous Prostration, Nervous Paroxysms, Sleeplessness, Forgetfulness, Mental Despondency, Nervous Headache, Hot Flashes, Sick Heart Disease. The first bottle will convince anyone that a marvelous curative agent.

South American Nervine is without doubt the greatest remedy ever discovered for the cure of Indigestion, Dyspepsia, and all Chronic Stomach Troubles, because it acts through the nerves. It gives relief in one day, and invariably effects a permanent cure in every instance. Do not allow a large price, or the prejudice of others, to keep you from using this health giving remedy. It is based on the result of years of scientific research and study. A single bottle will convince the most incredulous.

THERE was a good attendance at the communion service in the Methodist church last Sunday. Six additions were made to the membership and a profitable season was experienced.

CONSIDERABLE dissatisfaction seems to exist re the management of the football picnic recently held at Bell's Lake, and a communication to that effect came to hand, which we consider unwise to publish.

IT is a common principle of business the world over that buying power makes selling power. This is illustrated in the extensive and ever expancing business of W. J. McFarland. He has just received his third car load of sugar inside of three months. Just think of 180,000 pounds over his counters in so short a time.

SCAT-ASTROPHE.—A cat is said to have nine lives. That depends on who handles the weapon. W. J. McFarland is a grass widower those times, his wife and the family being on a visit to Orchard Beach. One morning this week the old gentleman found that his neighbors' cats had purloined a quantity of his dainties from the larder, and before you could say scat he slew three of them.

ANNIVERSARY sermons will be preached at the Townline appointment Methodist church on Sunday next at 2:30 and 7 o'clock by the Rev. R. Davey, of Chesley. Under Mr. Davey's pastorate the erection of this sustantial new brick church was undertaken and almost completed before his removal from this circuit last year, and his many friends will be delighted to have an opportunity of hearing him preach on above occasion.

GARDEN PARTY.—The garden party held by the English church people of Berkeley at Mr. Jas. Wright's on Thursday evening last was a grand financial success. The attendance was large and the delightful evening much enjoyed. Markdale Citizens' Band furnished good music. A game of football was played between Berkeley and Lamriston teams resulting in a tie. The refreshments were abundant and of good quality. A short program was also rendered. Proceeds $68.60.

Presbytery of Owen Sound

Presbytery of Owen Sound met in Division-St. Hall, July 17th, at 10 a. m., and was constituted. The first hour was spent in devotional exercises led by Mr. Acheson.

Dr. Waits was appointed Moderator for the current year.

The resignation of Mr. McAlpine was accepted, to take effect after the last Sabbath in July; and Mr. Somerville was appointed to declare the pulpit vacant on the first Sabbath of August, and to act as Moderator of Session during the vacancy.

The Moderator was instructed to prescribe subjects of discourse for students laboring in the Presbytery.

Mr. Wells, of Flesherton, appeared to show reasons why leave should not be given to the congregation of Markdale to sell the Orange Valley church.

The Presbytery agree to withdraw the leave given to Markdale to sell the Orange Valley church, inasmuch as it is not clear to the Presbytery that Markdale has the exclusive right to the property.

Mr. Hamilton laid on the table his resignation of the charge of Keady, Desboro and Peabody. Messrs. Acheson, Rogers and Smith were appointed to meet with Mr. Hamilton and report at next regular meeting.

Leave was granted to the congregations of Cruickshanks and Shallow Lake to build a church at the latter place, and the people were commended for their interest in the matter.

Mr. Jamieson resigned the charge of Hepworth and Cruickshanks, and Presbytery agreed to cite the congregations to appear at the regular meeting in September.

Presbytery then adjourned to meet in the same place, 18th September, at 10 a. m., and the meeting was closed with the benediction.

WHAT OUR EXCHANGES FOR FIFTY MILES AROUND ARE SAYING.

Sun, Stayner.

A couple of weeks ago we published, on what we thought was good authority that the county of Simcoe had lost the case and would have to pay for keeping Lopper (Wonch) at the Industrial Home. The Northern Advance corrects this statement and we are glad to learn the county of Grey will have to foot the bill.

Leader, Tara.

Mrs. W. Jameson, of Invermay, is visiting friends in Markdale.

TWELVE DAYS.—Mr. Abraham Porter of Amabel lost a heifer about July 10th, and for nearly two weeks no trace of her could be found. On the 22nd, she was found wedged in between two piles of wood in such a position, that she could neither stand up nor lie down. In this uncomfortable position, she was ten days without food or water. Fortunately she was discovered before too far gone for recovery, and at last accounts was all right.

The Soo Democrat.

A pleasant wedding occured at the residence of Alderman and Mrs. Andrew Short, yesterday afternoon, the contracting parties being J. H. Johnston, formerly of the Soo but now living at Newberry, and Miss Nellie Irving, of this city. C. B. Noble was the groom's best man, and Miss McKee acted as bridesmaid, while Rev. Mr. Rogers officiated. Miss Nellie Irving was well and favorably known in Markdale having resided with her uncle Mr. Thos. Campbell, during her school days and years. Only a few friends of the contracting parties were present. After the ceremony an excellent spread was prepared and served by Mrs. Short, and the happy couple took the train for Newberry, where they will make their home, and where Mr. Johnston had everything arranged to at once begin housekeeping. Mr. and Mrs. Johnston have the best wishes of their numerous friends in this city for a long life of unalloyed happiness. The STANDARD joins in congratulations and best wishes.

Herald, Dundalk.

DR. PATON REPUDIATED.—It will be interesting to many in Dundalk to learn that Dr. John G. Paton's work in raising funds for missionary ship was publicly repudiated by the commission of the General Assembly of the Australian Presbyterian Church at Melbourne. When the report of the Committee on Foreign Missions was submitted, Prof. Harper, one of the most influential of the Australian clergy, and occupant of the chairs of Hebrew and Old Testament Exegesis in the Melbourne Theological College, moved:—"Whereas, There appears in the Messenger of our Church and in the English papers Dr. Paton is pleading for £1,000 per annum for maintenance and support of a mission steamer, the Foreign Mission Committee to call Dr. Paton's attention to the fact that no such steamer exists, and that no such scheme has been sanctioned by the Church, or is likely to be, and request him to abstain from pressing the scheme upon the British public, whether as the representative of this Church or under the auspices of any other association."

Review, Durham.

The Convention is over and the Patrons are in the field once more. This time, as noted elsewhere, Mr. Wm. Allan is the nominee. We have known Mr. Allan for many years, and been associated with him in various fields, and have pleasure in bearing testimony to his upright character and consistent life. He and his family have been long known in south Grey, and several members of the family occupy representative positions. He is a farmer, an ardent prohibitionist, and previous to the organization of the Patron order, was a pronounced Conservative. He has never been in public life, hence, as he himself says "he has no political sins to answer for," except indeed we may say it be some measures and principles of the Conservative party, which by vote he has hitherto supported, and which by his adhesion to the Patron platform he is bound to condemn. Shou the fortunes of war give him the representation of the Riding, there is no doubt he will support the interest of his constituents to the best of his ability.
