Mrs. Sarah Breadner of Owen Sound is visiting relatives here.

Mr. Geo. Crabtree is this week attending the Quarter Sessions at Owen Sound in the capacity of juror.

Mr. R. W. Evans, Revising Barrister East Grey, will be here officially on 27th inst.

There was a good attendance of delegates at the meeting of the Township Association Patrons of Industry held in the town hall on Saturday afternoon. Among the visitors was Mr. Gilbert French, of St. Vincent, who is spoken of as a possible candidate for the House of Commons in the room and stead of the present Patron nominee, Mr. James Bowes. It was announced that in consequence of some dissatisfaction as to the manner of convening the Convention held at Flesherton on Oct. 5, another, the third, to determine upon a candidate for the Dominion House, will be held at the same place on 4th January, 1895.

MANITOULIN, DEC. 3, 1894.

Mr. Editor:

In a recent issue of the STANDARD I read with pleasure an article dated at Pollywog, Mich. Thank you "Cenf" for your kind words; I am glad my humble attempts in the literary line have given pleasure to one reader at least.

And now in reply I say—Let us hope that old Time is not moving on without making an improvement in morals, and in the standard of friendship among us; that the people of to day in weaving the bonds of friendship, give evidence of nobler and broader views by casting creed and politics aside, and stand on an equal footing as friends and Canadians.

Ah! if every man were brave enough to cast petty jealousies and rivalries aside, and be true to his conscience then "Man to man would brothers be the world o'er."

Then let us if we should meet afar in the wide, wide world, lend a helping hand to each other on the uncertain bridge of life, as we go stumbling on.

"In faith and hope the world will disagree,
But all mankind's concern is charity."

I feel confident I am expressing the wishes of many when I ask you to favor us often with a message from your home in Michigan I. O. MINZA.

On Thursday afternoon the letter of condolence to the relatives of the late Warden was ordered to be engrossed and Warden Pringle, Reeve McDonald and 1st deputy McGregor of Sydenham and Reeve Sing of St. Vincent appointed a committee to present the same to Mrs. Lemon and family. The resolution was passed by a unanimous standing vote.

Mr. Parker was loudly applauded for his statement and his report was ordered to be inserted in the minutes.

On motion of Mr. Chisholm the council agreed to pay $4.25 as its share of tax on Bay street sewer.

The following resolution was introduced by Mr. Howe, that it shall be necessary that all accounts, bills or communications coming under the notice of the County Clerk at any session, must be in the hands of the clerk not later than the first meeting of each session, and that such bills and accounts which are not in by that time be not entertained or dealt with during the session, and that the clerk be instructed to have a notice published in two of the leading papers in Owen Sound for three issues preceeding the meeting of the County Council to that effect. After some discussion this was carried by 27 to 8 votes.

A couple of resolutions referring to needed changes in legislation were carried.

The Education Committee recommended that no grant be made to Owen Sound Collegiate till the board furnished information asked for

The Railway committee recomended asking all county councils to aid in securing a 2 cent a mile rate for first class passengers on railways, and a one and a half for second class.

Warden Pringle was granted $80 for his services as Warden. $70 was voted to Mrs. Wm. Lemon, widow of the late Warden in appreciation of his services.

The chairman of the various standing committees were each voted $10 extra for services.

THE MERITS OF A POPULAR CANADIAN REMEDY BECOME KNOWN AFAR OFF—AN IMPORTANT ADMISSION ABOUT AUSTRIAN AND GERMAN DOCTORS.

The following extract is from the Toronto Empire of November 20:—Dr. L. A. Smith & Co. showed The Empire yesterday a letter from a dealer in Wietzies, Austria, ordering a quantity of Dodd's Kidney Pills. As these pills are not advertised outside of Canada and United States, the demand in foreign countries must be due solely to the merits of the preparation. This communication also stated that the medical profession in Austria and Germany were prescribing Dodd's Kidney Pills for all kidney disorders, including Bright's disease and diabetes, with remarkable success. Canada has a right to feel proud of furnishing a remedy that has not only a reputation over this continent, but sets all Europe talking. The address given for shipment of the above order was:—Josh Hughson, Wietzmno, Post Ronno, bei Dukla, Galizien, Austria.

The Weekly Globe.

For 50 years The Weekly Globe of Toronto has had an enviable reputation as the one great Liberal weekly of the Dominion. It has always been a high-class journal, and a welcome visitor in thousands of homes. It was never better as a newspaper than it is today. The Globe's enterprise is proverbial. Its correspondents have traversed and written up almost every section of this country. All great events have been fully reported. The speeches of leading politicans, whether on the floor of parliament or on the stump, have been presented as they were uttered, and all are fairly treated, whether Liberal, Conservative or Patron. The Globe is the only weekly paper in Canada that gives such full and fair reports of Parliamentary proceedings, great church meetings, and other similar occurences of Provincial and national interest. Among leading features of recent numbers may be mentioned speeches by Mr. Laurier, Sir John Thompson, Sir Richard Cartwright, Mr. Marter, Mr. Haycock, members of the Ontario Cabinet, and others, letters from members of The Globe's editorial staff who travelled through the province of Quebec and over the route of the Trent Valley Canal, interviews and letters on that most important question the reform of the law system, long reports from the scene of the Jessie Keith murder, the McWherrel trial, and other sensational events. The aim of The Globe is to be trustworthy. The Globe has the best cable and telegraphic service obtainable; its foreign, American and Canadian despatches are unexcelled, and every week the whole world is brought under review. The agricultural department is right up to the times; the crop and market reports are full and reliable. Reasonable space is given up each week to lighter reading, and good stories is one of the Globe's attractions. Another popular feature are the weekly contribution from the Khan's poetical pen. As a family newspaper the Weekly Globe is unrivalled.

The Municipal Outlook in Euphrasia.

Long threatening comes at last, and it is now pretty generally believed that 1st Deputy-Reeve Stuart will oppose Mr Gilray for the Reeveship.

For the 1st Deputy-ship it is understood that 2nd Deputy-Reeve Davis will seek election. Who will have the energy to oppose him has not definitely transpired, but Councillor James Erskine, Mr. Jas. Elliott and Mr. Peter McAuslan are spoken of.

Mr. Jas. Erskine is also mentioned for the 2nd Deputy-ship, likewise Patton Co. Secretary J. W. Patton and Mr. Jno. F. Kerr.

Mr. James R. Fawcett will seek re-election as Councillor. Mr. John Patton will also be a candidate, and Messrs. Jno Vickers, Thos. McAfee, W. J. Black and David McCallan are talked of.

The Patrons of Industry have definitely decided not to place a list of candidates in the field, but their influence will likely be felt in favor of certain of the aspirants.

Election Notice.

Election time is coming again, Dominion as well as municipal, and the ambitious for office will, of course, be to the front. Markdale people sometimes have a lively time electing officers. Sometimes the strife is for Reeve, but this year it is going to be between the candidates for councillors. It seems that the electors are hard to have good men this time, so a number of prominent ones have been pressing your humble servant to run. They say that I have the qualifications, having lived in a big village for a long time and being also considered handy with the fists. But it is not honor or distinction of that kind I am after, as I besides, Markdale is full of bachelors who have more time to look after the interests of the place. There is no doubt, however, that the 7th of January, 1895, would be a very cold day for some of them if I should enter the race, but when I hear the children cry for bread it reminds me that my first duty is to feed the hungry. Although a humble occupation. I am not too proud to work at it as long as there can be an honest living made. I have been sounding away here in Markdale for five years and am likely to pound long for some time to come. So once again I take pleasure in thanking the people for their patronage, not only in Markdale but the surrounding country. Wishing each and all a Merry Christmas and Happy New Year, I am

Respectfully yours,
A. W. WADE.

Markdale Shaving Parlors.

If you should wish an easy shave,
As good as barber ever gave,
Just call at my shaving saloon,
At morn, or eve, or busy noon;
I'll cut and dress the hair with grace,
To suit the contour of the face.

My room is neat, towels clean,
Scissors sharp and razors keen;
And everything I think you'll find,
To suit the taste and please the mind.
And all that art or skill can do,
If you'll just call I'll do for you.

I shave the young, the old, the gay,
I'll shave you all for ten by pay,
And clean the head at any time,
And for a shave I get a dime;
I do not mean a dime in trust,
For that would make the barber bust.
