IT is an interesting astronomical fact that on Good Friday, April 12, the heavenly bodies which gravitate around the sun will be in exactly the same position that they occupied in the firmament on the day that Christ died on the cross. It will be the first time that such a thing has occurred for 1,862 years.

LECTURE.—The Young Peoples Mutual Improvement Society of Christ Church met last Monday evening to hear a lecture on Chemistry, delivered by W. Turner, Esq., which was immensely enjoyed by all present. The next subject will be a paper by I. B. Lucas, Esq., on "Lawyers, Law and their Clients," on Monday, April fifteenth.

The meeting was largely attended and enthusiastic.

SEED WHEAT.—I have just got a car of pure hard Manitoba wheat for seed, and will sell it at 90 cents per bushel. I sold a lot of this wheat last year and it yielded from 20 to 40 bushels per acre. I pay from 5 to 12 cents per bushel more for this grade than for Ontario wheat. I would advise every farmer in the county of Grey to sow from 20 to 50 acres of this wheat this year, as I feel confident that this grade of wheat will be worth $1 a bushel next fall. Angus Plowes, Propr., Victor Roller Mill, Markdale.

Condensed Gleanings.

WHAT OUR EXCHANGES FOR FIFTY MILES AROUND ARE SAYING.

Advance, Flesherton.

A frame house at the station, belonging to a Mrs. Purdy, was burned to the ground on Wednesday morning of last week. There was an insurance of $100 on the building which will not nearly cover the loss. The fire was, undoubtedly, the work of an incendiary, as the building was vacant at the time.

Chronicle, Durham

Inspector Campbell's residence narrowly escaped, destruction by fire on Friday last. The Inspector's little son obtained some matches and threw a lighted one into the waste paper basket. In an instant the flames caught on the screen in front of the library and ruined a number of books and documents, besides otherwise damaging the room. Fortunately Mrs. Campbell was close at hand and with the assistance of her father succeeded in quickly extinguishing the fire. The loss will amount to thirty dollars or so, but a mere bagatelle to what might have been.

Times, Owen Sound

ALONG THE DOCKS.—Caulkers are busy on the C. P. R. steamships Alberta and Athabasca, caulking the seating of the hulls.

No new decking will be laid on the C. P. R. fleet this year, as was contemplated last season.

Master Painter Dean has a gang of fifty painters on the two C. P. R. steamships. In the cabins similar tints to those put on last season will be used.

When finished, the new lighthouse will be no slouch of an affair. In fact, it forms a marked contrast to the structure which has been moved across to form the outer range light. A few days more and the building will be ready for the painters.

THE DEATH OF FLYN.—John Flyn, late night watchman of the Owen Sound Portland Cement Company's Work at Shallow Lake, was found in Cruickshank school house shed on Sunday afternoon in a state of unconsciousness. He was in town on Friday and made some purchases at Manley's drug store, and on the same evening was seen walking along the diagonal road, passing Cruickshank post office. The school house is not far beyond the post office, and it is therefore supposed he must have been there from Friday night until he was found. He was taken home and died shortly after reaching there. As there was several bruises on the body, foul play was suspected, and Allan Cameron, M. D., Coroner, was notified, who at once proceeded to Shallow Lake and opened an inquest, which was adjourned, awaiting an autopsy by Drs. McCullough of Owen Sound and Campbell of Hepworth The inquest will be resumed to-morrow, when the report of the doctors will be ready. Deceased was 64 years of age and leaves a widow and a large family.

Old John Kidd is dead.

ORANGEVILLE, March 27.—John Kidd of Mono Mills died this morning. The old gentleman was in his 23rd year, and failed to achieve notoriety until less than a year ago, when he became the husband of a 15 year-old girl. The old man and his bride did not live happily together, in fact the girl-wife deserted her spouse almost before the honeymoon was over. Kidd was an eccentric individual, reputedly wealthy. Mrs. Kidd is at present a resident of Toronto.

Markdale Council.

At 8 o'clock on Wednesday evening, March 27, the council called for the minutes of the previous meeting, all the members being present except councillor Sproule, who entered during the reading of the minutes. After formally confirming them the following accounts were presented and on motion of Messrs. Trelford and Sproule were passed, viz: clerk quarter year's salary with some registration expense $10.77, and STANDARD acc. for stationery, printing and advertising re By-law No. 77, $10.55.

The Clerk asked for an increase in salary, owing to increasing duties, but no action was taken.

Moved by Mr. Jackson, seconded by Mr. Sproule, that constable Noble be allowed fifteen cents per meal for tramps lodged from time to time in lock-up instead of 20 cents as per his bill, and that in future the bill-of-fare for such gentlemen be bread and water—carried.

A deputation from the Citizens waited on the Council and presented a petition signed by about 20 ratepayers asking for a grant of $10 per month for balance of 1895 from the 1st May, to enable them to retain the services of their efficient leader, the band to give weekly open air concerts weather permitting. On motion of Messrs. Trelford and Boland the prayer of the petition was granted.

The Base Ball Club asked for assistance to the amount of $10 a month for five summer months but no action was taken.

At ten o'clock the council adjourned to meet on the 28th April.

A Change In Tone.

THE STAND TAKEN BY DR. DOBSON TO LEAST CAUSE BEGINNING TO WEAKEN.

OTTAWA April 1.—It is safe to say that the statement made under oath by Mr. G. H. Kerr, of this city, well known to his wonderful recovery from Bright's disease through the use of Dr. Chase's Kidney Pills, has definitely decided the question as to whether he does claim recovery to be valuable medicine, and has been elected a local agent of the above [illegible] in this city and neighborhood [illegible] to the cure, and those who entertained the idea as incredible are now told in their express [illegible] ment that what has been considered an incurable disease should succumb so quickly to a remedy, and in their praise of the remedy, itself.

A Fraternal Act.

At a recent meeting of L. O. L. No. 740, Holland Centre, a resolution expressing deep sympathy with Bro. Isaac Erwin, who is under medical treatment in Toronto, was passed and a purse of $22 was raised towards defraying his expenses while there. The following is a copy of the address presented to Mrs. Erwin:—

MRS. ISAAC ERWIN,

DEAR MADAM,—We, the officers and members of L. O. L. No. 740, regret with deep sorrow the affliction which has overtaken your husband and our beloved brother, and we beg leave to tender to you our heartfelt sympathy in this your hour of trouble. In Bro. Erwin we always found a true and faithful and loyal brother and we assume you his presence is very much missed from our lodge room. As words will not suffice on this occasion we wish to express our sympathy in a more tangible manner therefore we ask you to please accept this purse as a token of our esteem, and we pray that the Great Master above, who doeth all things well, will restore him to you and yours in perfect health.

Signed on behalf of the Lodge,

C. PRICE,
D. T. LORD,
