AMERICAN HOUSE,
HANOVER STREET, BOSTON.

THE undersigned having entirely REBUILT and ENLARGED the above extensive establishment, containing in all about three hundred and fifty rooms, would respectfully give notice that it is now ready for the reception and accommodation of the travelling community.
An extended notice of the unexampled conveniences of this House is deemed superfluous, as the numerous improvements which have been made cannot be properly given in an advertisement. Suffice it to say that no expense has been spared to render any apartment perfect.
The furniture was made expressly to order, regardless of cost, and certain portions of it, especially the Drawing-rooms, will be found to be of the most beautiful and tasteful manufacture. The Dining-rooms are capacious, and the hours for meals will be so arranged as to suit the convenience of the early and late.
Every department will be conducted in an unexceptionable manner, and the Proprietor flatters himself that the American House shall be truly the Traveller's Home.
