It is used by the Medical Faculty very generally, in their practice; and by petitioners of men who has prescribed it with continued success, we publish the following statement of cure, so that those who are suffering may

READ, AND BE HEALED.

In the Autumn of 1828 I commenced taking "Corbett's Shaker Syrup of Sarsaparilla," having been previously much debilitated and reduced in health and strength, and left with a bad cough. My blood was very much diseased, and I was troubled with scrofulous affection. My limbs and joints were swollen and very lame. After taking six bottles, my health was restored. My cough, lameness and pain have been entirely removed, and I have gained twenty-three pounds since I commenced taking the Syrup.

I know the Syrup to be the cause of my restoration, and that it is a most valuable medicine. I recommend it as a sovereign remedy for all complaints of the blood, &c.
