Makes
Blood
Pure.

If the blood is pure the whole body will be healthy.

If the blood is impure the whole system becomes corrupted with its impurities.

Burdock Blood Bitters transforms impure and watery blood into rich pure blood and builds up the health.

Disease germs cannot lurk in the system when B.B.B. is used.

Miss Effie McDonald, Liscomb Mills, Guy Co., N.S., writes: "I have found B.B.B. an excellent remedy for purifying the blood and curing sick headache. I had tried many remedies, but none of them did me much good. B.B.B. has made me so well that I feel like a new woman and I am constantly recommending it to my friends."

Expression of Appreciation.

On Friday evening of last week a number of Mr. and Mrs. Wm. Blakely's friends assembled at their home, 11th line Euphrasia, to bid them farewell on their departure for Toronto. The young people feel that they are parting with most congenial friends which was shown by the following address read by Miss Rosie Taylor and presentation made by Miss Edna Eagle and Mr. Fred Johnston.

TO MR. AND MRS. BLAKELY:

We have met to-night to express our deepest regrets at your departure from our neighborhood. We have much pleasure in presenting you with this cheese-dish and berry set and ask you to accept it not for its entrinsic worth but as a slight token of love and esteem. Hoping that the years will not be many before we enjoy a pleasant visit from you, we wish you health, wealth and prosperity in your new home. Signed in behalf,

Fred Johnston.

Mr. and Mrs. Blakely replied very feelingly but were so taken by surprise that they could not find words to adequately express their gratitude.

A Fiendish Attack.

An attack was lately made on C. F. Collier of Cherokee, Iowa, that nearly proved fatal. It came through his kidneys. His back got so lame he could not stoop without great pain, nor sit in a chair without propped by cushions. No other remedy helped him until he tried Electric Bitters which effected such a wonderful change that he writes he feels like a new man. This marvelous medicine cures backache and kidney trouble, purifies the blood and builds up your health. Only 50c at R. L. Stephen's Drug Store.

Lord Strathcona was banqueted by the Toronto board of Trade on Monday evening of this week and it is said the event was the most illustrious since the banquet of the International Conference six years ago. Probably there is no more popular man in Canadian hearts than the high Commissioner whose only connection with Canadians is not through his office or the sending of the Strathcona Horse to South Africa, but has been identified with such Canadian enterprises as the building of the Canadian Pacific railway and other less important works, and has probably done as much to spread the fame of Canada far and wide as any other man. Canada will always have a welcome for Lord Strathcona.

Tot Causes Night Alarms.

"One night my brother's baby was taken with Croup," writes Mrs. J. C. Snider, of Critteden, Ky., "it seemed it would strangle before we could get a doctor, so we gave it Dr. King's New Discovery, which gave it quick relief and permanently cured it. We always keep it in the house to protect our children from Croup and Whooping Cough. It cured me of a chronic bronchial trouble that no other remedy would relieve." Infallible for Coughs, Colds, Throat and Lung troubles. 50c and $1.00. Trial bottles free at R. L. Stephen's Drug Store.

There is no truth in the report that the Queen is ill. She is affected, however, by the death of her grandson, Prince Christian Victor of Schleswig-Holstein.

PEOPLE RECOVERING

From Pneumonia, Typhoid or Scarlet Fever, Diphtheria, La Grippe or any Serious Sickness

Require the Nerve Toning, Blood Enriching, Heart Sustaining Action of Milburn's Heart and Nerve Pills.

It is well known that after any serious illness the heart and nerves are extremely weak and the blood greatly impoverished. For these conditions there is no remedy equals Milburn's Heart and Nerve Pills. It restores all the vital forces of the body which disease has impaired and weakened.

Mr. T. Barnicott, Aylmer, Ont., says:—"About a year ago I had a severe attack of La Grippe which left my system in an exhausted condition. I could not regain strength and was very nervous and sleepless at night, and got up in the morning as tired as when I went to bed.

"I had no energy and was in a miserable state of health.

"Milburn's Heart and Nerve Pills, which I got at Richard's Drug Store here, changed me from a condition of misery to good health. They built up my system, strengthened my nerves, restored brisk circulation of my blood, and made a new man of me.

"I heartily recommend them to any one suffering from the after effects of Grippe, or any other severe illness."

CONSUMPTION!

Startling Statement by Sir James Grant, of Ottawa.

3000 Die Annually

in Ontario Alone Through the Ravages of the Great White Plague.

Before the Canadian Medical Association held in Ottawa a few days since, Sir James Grant, the noted physician, made the startling statement that 3,000 persons annually in Ontario from tuberculosis. Truly consumption is the most terrible disease in the world. It is the result of germs attacking the weak spot.

For a quarter of a century Dr. T. A. Slocum, one of the most eminent scientists of the day, has made the cure of consumption a life study and has succeeded in compounding a system of treatment which positively destroys the germ that produces the disease, at the same time building up the system and creating flesh and blood. There is no humbug about his treatment. He does what he says he will do and affirms emphatically that it cures ninety per cent of cases. The doctor has such confidence in the Slocum system that he offers a treatment POSITIVELY FREE to all who desire a cure. Here is the offer:

You or your sick friends can have a FREE course of Treatment. Simply write to THE T. A. SLOCUM CHEMICAL CO., Limited, 179 King St. West, Toronto, giving post office and express office address, and the free medicine (The Slocum Cure) will be promptly sent.

When writing for them always mention this paper.

Persons in Canada, seeing Slocum's free offer in American papers will please send for samples to the Toronto laboratories.
