IN addition to the above named ports, the boats will call at the other important Lake and River ports. ☞ After the 20th day of September, the Boats will discontinue calling at Lewiston, and make Hamilton the port of departure at 7½ o'clock on the mornings of Mondays, Wednesdays and Fridays.

The establishment of this Line will enable the merchants of Canada West to remain throughout the business day in Montreal and to reach their homes, almost as early as if they had gone by the Mail Line at noon, and connecting as the boats will do with up and down Express Trains at Ogdensburgh, they will afford direct conveyances for passengers and freight between the Canadian ports and the Eastern States.

It is deemed unnecessary to dwell upon the advantages of first class steamers passing direct from the head Lake Ontario to Montreal, and vice versa, over those of Lines that involve a transhipment (on the downward trip) at an unseasonable hour in the morning.

In compliance with a generally expressed wish, on the part of the public, a separate cabin will be made for meals.

☞ The Line will be commenced by the HIGHLANDER leaving Montreal on TUESDAY, the 20th instant; the CHAMPION on THURSDAY, 22nd, and the MAY FLOWER will be out next month.

IN all the States of the Union, to Canvass for the following important and valuable Works, which are sold by subscription. We have now about one hundred Agents in the field, many of them clearing from two to five dollars per day. It will be seen that our books are of a very popular and desirable kind, and calculated to please almost every taste.

Lives of Jas. Madison and Jas. Monroe.—Fourth and Fifth Presidents of the United States, by John Quincy Adams, to which is added a history of their Administration. 1 Vol. 12 mo. 443 pp., with Steel Portraits. Cloth, price $1 25.

This new and popular volume, being the only authentic record of the lives and public services of President Madison and Monroe, has already passed through several large editions, over six thousand copies having been sold within the first six months of its publication, and the demand still continues unabated.

Extracts from Letters received by the Publishers.

It is really a valuable addition to American Biography, as it is a gratifying proof of the enterprise and public spirit of the Publishers.

J. TAYLOR.

Such a work may be read with profit and advantage by all who take a lively interest in the eminent men of our country.

H. CLAY.

Fremont's Extensive Excursion through the Rocky Mountains, Oregon and California, with additional "Bi Bundle" matter, with several portraits and illustrations.—635 pp. 12 mo.—Cloth or Sheep, $1 25.

Oregon and California.—"The Exploring Expedition to the Rocky Mountains, Oregon and California, by Brt. Col. J. C. Fremont. It is a fair 12 mo. of 635 pages, just issued by G. H. Derby & Co., of Buffalo.

Now that the hope of getting them all of Congressmen is at an end, while three-fourths of the applications must have been unsuccessful, we advise the Californian's to walk up to the Captain's office and buy Mr. Derby's Edition. The latter goes in for better than that of Congress.—*N. Y. Tribune.*

Life of Gen. Andrew Jackson.—New edition, revised and enlarged, with Rubsch's Engraving. Steel portrait—600 pages, cloth or sheep, $1 25.

Of the work before us, we think we may safely say, that its edition has strived to divest his mind of all other considerations than the one which should possess it—the consideration that he was writing the life of a great man, whose deeds were the property of the nation to which he belonged, and not of any sect or class.—*Buffalo Courier.*

Young's Science of Government.—New and improved edition, 310 pp., in morocco binding—price $1 25.

Questions of public policy, not merely affecting the interests of our country, but involving constitutional principles, and even liberty itself, are not unfrequently decided at the ballot box. Yet multitudes of our citizens presume to exercise the prerogative of freemen without knowing what the duties and responsibilities of freemen are. The poll lists of our State are annually swelled by thousands of new voters, who have never given the Constitution so much as a single reading!

Outlines of History, Condition, Prospects, Geography, Climate and Productions, with personal adventures among the Indians during a residence on the plains bordering the Pacific while connected with the Oregon Mission, embracing extended notes of a voyage round the world.—By Rev. Gustavus Hines. 333 pp. 12 mo., sheep or cloth binding—price $1 25.

In Oregon the Author's first employment was an exploratory tour among the Indians of the Umpqua River, which empties into the Pacific.—The tour supplies us with some geographical information and a mixed account of the Indians of that country. Mr. Hines has the advantage of a comparatively unexplored field, and his work will be of interest beyond the limits of the numerous friends as a contribution to the local history of Oregon.—*Literary World.*

Tanner's Narrative of the Indian Captivity of Matilda New York, with eight portraits of the early pioneers—Maps and Plates—700 pp. 8 vo., cloth or sheep—price $2 50.

Library of Natural History.—1 Vol. royal octavo, with 600 engravings; compiled from the works of writers on Natural History. Cloth, extra binding—price $3 50.

Curiosities of Europe and Experiences Knickerbocker.—Forming a complete Library of useful and entertaining knowledge, &c. &c.—By W. B. Murray, Esq. Embellished with 350 engravings, 1 vol., royal 8 vo. Morocco, extra binding—Price $3 50.

☞ Newspapers copying this advertisement entire, (including this notice,) and giving it one or more insertions, shall receive two copies of the $1 25 book—or for six insertions, with an editorial notice, shall receive a copy of the $3 work, or four $1 25 books, (subject to their order.)
