## for ARC workshop

To date the Iroquois Falls Calvert and District Association has received \$2,731 in response to its appeal for funds.

The association runs the Adult Rehabilitation Centre workshop. This shop would have closed down if local clubs, businesses and individuals had not rallied to the association's request for funds.

As of February 15, the association had received \$2,075. Addi-

tional donations have come from the Church of the Redeemer, Shillington, \$40.; Elvira Rebekah Lodge, \$20. (a monthly pledge); 2nd Ansonville Boy Scout Group, \$10.

Personal donations include \$160. from Mrs. Pam Smyth who opened her home for a three-day coffee party to raise the money. Also \$10. from Mr. M. Anderson and \$10. from Mr. G. Gerard.

### SCHOOL BLOCK

A new school block is to be built at Monteith Correctional Centre. The building will be built mainly by student labor from the Adult Training Centre at Monteith, saving money for the taxpayer and providing practical experience for the student.

## Appointed

Councillor George Critchley, has been appointed Iroquois Falls Council representative on the Cochrane District Emergency Measures Organization.

Councillor Nelson Shea has been appointed to the Recreation and Community Centres Management Committee.
