Making Records at Home

a great feature of the

Edison Phonograph

The ability to make and reproduce your own records in your own home—the songs and stories of every member of your family and all your friends—in addition to all of the greatest entertainment of every kind

Think what that means! The Edison Phonograph—the instrument that you would choose anyway, because of the purity and sweetness of Edison tone; because its volume of sound is exactly suited to your home; because it plays both Edison Standard and the long-playing Edison Amberol Records; because it has the sapphire reproducing-point that does not scratch or wear the records, and lasts forever—gives you this great home-recording feature *besides!* And this feature *doubles* the pleasure of owning a sound-reproducing instrument.

Most Edison styles are regularly equipped to make records at home. Recording equipment for styles not so equipped can be purchased at slight additional cost.

When you go to your Edison dealer to pick out your Edison Phonograph, be sure to ask about this home-recording feature, and to get recording equipment with the instrument you buy.

There are Edison dealers everywhere. Go to the nearest and hear the Edison Phonograph play both Edison Standard and Edison Amberol Records. Get complete catalogs from your dealer or from us. Edison Phonographs, $16.50 to $240.00. Edison Standard Records, 40c. Edison Amberol Records (play twice as long), 65c. Edison Grand Opera Records, 85c. to $2.50.

Hot Ashes and Snow Caused an Explosion

Flame From the Gas Ignited Wingham Woman's Clothing, and Snow Failed to Smother Fire.

Mrs. C. Burns lies in the hospital at Wingham at the point of death from terrible burns received last Wednesday through a peculiar accident. She was throwing out some hot ashes, and apparently the contact with the snow caused an explosion of gas which ignited her clothing. She threw herself into the snow bank, but was unable to put out the flames and before neighbors could tear off her lothing she was badly burned from her head to her heels, losing most of her hair.

You can say goodbye to constipation with a clear conscience if you use Chamberlain's Tablets. Many have been permanently cured by their use. For sale by R. L. Stephen.

Stomach Blood and Liver Troubles

Much sickness starts with weak stomach, and consequent poor, impoverished blood. Nervous and pale-people lack good, rich, red blood. Their stomachs need invigorating for, after all, a man can be no stronger than his stomach.

A remedy that makes the stomach strong and the liver active, makes rich red blood and overcomes and drives out disease-producing bacteria and cures a whole multitude of diseases.

Get rid of your Stomach Weakness and Liver Laziness by taking a course of Dr. Pierce's Golden Medical Discovery—the great Stomach Restorative, Liver Invigorator and Blood Cleanser.

You can't afford to accept any medicine of *unknown composition* as a substitute for "Golden Medical Discovery," which is a medicine OF KNOWN COMPOSITION, having a complete list of ingredients in plain English on its bottle-wrapper, same being attested as correct under oath.

Dr. Pierce's Pleasant Pellets regulate and invigorate Stomach, Liver and Bowels.

Merrifield--Henning.

A pretty wedding was held at the home of Mr. Alex. Henning, west back line, on Wednesday, March 6th, when his eldest daughter, Martha, was united in marriage to Mr. Charles Merrifield, of Euphrasia. Guests were present from far and near, and the house was quite filled. At five o'clock the bride was led into the parlor by her father, to the strains of the Wedding March, played by Mr. Gibson, of Euphrasia. Rev. Mr. Phalen read the solemn service, while the young couple, supported by Robert Henning and Miss Susan Merrifield, stood under a beautiful floral arch. The bride and her maid were tastefully gowned. After congratulations all sat down to a most excellent repast, served with faultless taste. A large table was quite covered with a fine assortment of presents.

A Bald-Headed Woman

Shorn of Her Crown of Beauty, Loses in Love and Marriage.

Hair is certainly most necessary to woman. Who would love and marry a bald-headed woman? What charms could on array to offset such a disfigurement?

A woman's good is usually love and marriage. Her crowning glory is her hair. The loss of her hair mars her beauty happiness, and success. Yet, right here in Markdale there are thousands of women who are neglecting or injuring their hair to such an extent that it is only a matter of time when it will be utterly ruined.

Many women destroy the beauty of their hair through thoughtlessness or ignorance of facts. They use curling irons over-heated, or to excess, which destroys the natural oil if the hair, causing it to split, break and come out. They do not shampoo their hair often enough, or too often. They use soaps or preparations which contain ingredients positively harmful to the scalp and hair.

As a result of such treatment, dandruff is created, the hair loosens, loses color, falls out, and baldness commences, unless proper and prompt precautions are taken in time. Then again, microbes and certain diseases, bring about unhealthy scalp and hair conditions.

Almost any woman may rid herself of dandruff and diseased scalp and hair if she will use the right remedy. We have that remedy, and we will positively guarantee that it will either cure dandruff and baldness or it will not cost the user anything.

That's a pretty broad statement but we will back it and prove it with our own money. We will return your money if you do not find that Rexall "93" Hair Tonic is an entirely satisfactory remedy that will promote hair growth and overcome scalp and hair troubles; that it will grow hair even on bald heads, unless all life in the hair roots has been extinguished, the follicles closed, and the scalp is glazed and shiny. It gets its name from the fact that it grew hair in 93 out of 100 cases, where it received a thoroughly hard, impartial, and practical test.

We want you to try Rexall "93" Hair Tonic at our risk. You surely cannot lose anything by doing so, while you have everything to gain. You had better think this over, and then come in and see us about this offer. You will be well repaid for your visit to our store. Remember, you can get Rexall Remedies in this community only at our store—The Rexall Store. R. L. Stephen, Markdale.

George Periera, of Hollands Centre, cabinetmaker, moved to Markdale. His greatest accomplishment is "blow."

A supper was given in honor of Dr Sproule, M.P., and Joseph Korke, M.P.P., in Muller's Hall, Clarksburg, last night.

W. T. Jackman was out for a drive last Saturday for the first. We expect he will be able to do some case work next month.

The C.P.R. Telegraph system is forming a complete network of the country. An office for commercial purposes is opened in Markdale at the railway station.

W. G. Pickell, of Artemesia, has been appointed Bailiff of Thornbury Division Court. Mr. Pickell is a man who stands high in the estimation of the public, and we feel certain he will honor his position.

Mr. N. McColman, ex-M.P. for East Grey, has received the appointment of light house keeper at Collingwood at a salary of $600 per annum, with summer residence on the island, and winter residence on shore.

At a recent meeting of the Dundalk Village Council the price of liquor licenses within the municipality was placed at $170 per annum instead of $90 as formerly. It was also voted that a liquor store and grocery store could not be run in connection with each other.

Excitement mingled with sadness and regret was depicted on many a countenance among those engaged in the wood business last week when Paddy Burns' men arrived and ran up the price of cords per cord at one jump. The bulk of the wood had been bargained for, but those who were fortunate enough to still have the wood to sell were amused in a very pleasant manner, while those who had sold were tickled in the opposite direction.

GLASCOTT

(Special to The Standard)

It is a long time since the news of this romantic little hamlet has been in print, not because there is nothing to publish, but because our former scribe moved away and forgot to leave a substitute.

Mr. and Mrs. Richard English spent an evening last week at the home of Mr. and Mrs. N. Livingstone.

Mr. Addy Priel has sold his farm to Mr. Chas. Moran.

Miss Janet Livingstone of Markdale, spent the week end at her parental home here.

Glad to see that our former scribe, Mr. Joseph Boyle, now of Strongfield, Sask., has not forgotten his Glascott friends, write again, Joe.

Mr. Frank Priel and family intend moving West in a couple of weeks.

Mr. Will and Miss Teena Henderson, of Townsend's Lake, spent Sunday evening at the home of Mr. and Mrs. Neil Livingstone.

Wonder what has happened our Waudby scribe? Wake up, Jim.

Now that the February sale is over and the annual rush for bargains is past for another year we take this opportunity of reminding the fair sex that in the of four years after 1912 will elapse before they can again avail themselves of such a great opportunity as the present leap year gives them, and it has been suggested to us that they ought to do their "popping" early in order to avoid the rush. Some cheap bargains can generally be secured at these February sales, but the bargain hunters are not bargains with a discount away below par; but the genuine bargain without any discount.
