PHŒNIX
MUTUAL LIFE INSURANCE COMPANY
HARTFORD, CONN.

Accumulated Fund.....$2,000,000
Income.....$1,000,000

THIS Company, established in 1851, is one of the most reliable Companies doing business in the country, and has been steadily prospering.

The Massachusetts Insurance Reports show that in nearly all important matters it is superior to the general average of Companies. It offers to intending assurers the following reasons, amongst others, for preferring its company:

IT IS PURELY MUTUAL, because all the profits are divided among the assured.

IT ALLOWS THE INSURED TO TRAVEL AND RESIDE IN ANY PORTION OF THE UNITED STATES AND EUROPE, at any and all seasons of the year, without extra charge.

IT THROWS OUT ALMOST ALL RESTRICTION ON OCCUPATION FROM ITS POLICIES.

IT WILL, IF DESIRED, take a note for part of the premium, thus combining all the advantages of a note and all-cash company. This arrangement favors persons of small means, in enabling them to double the amount of insurance for the same cash payment that can be had in an all-cash company. It favors capitalists, who can make their money earn more than six per cent. interest.

THE DIVIDENDS ARE DECLARED ANNUALLY on all policies, and applied immediately in reduction of premiums.

THE DIVIDENDS ARE IN EVERY CASE ON PREMIUMS PAID, thus avoiding the confusion of premiums being paid on one table, and the company paying dividends on some other table, which is the case in most other companies.

THE DIVIDENDS OF THE PHŒNIX HAVE AVERAGED FIFTY PER CENT. YEARLY IN THE SETTLEMENT OF ALL MUTUAL POLICIES a dividend will be allowed by the Phœnix for each year the policy has been in force.

THE NUMBER OF DIVIDENDS WILL ALWAYS EQUAL THE OUTSTANDING NOTES.

IT PAYS ALL LOSSES PROMPTLY—DURING THE SIXTEEN YEARS OF ITS EXISTENCE NEVER HAVING CONTESTED A CLAIM.

IT ISSUES POLICIES FOR THE BENEFIT OF MARRIED WOMEN beyond the reach of their husband's creditors. Creditors may also insure the lives of debtors.

ITS PREMIUMS MAY BE PAID ANNUALLY all cash or part note, at the insured desires.

ITS POLICIES ARE ALL NON-FORFEITING, as it always allows the assured to surrender his policy, should he desire, the company giving a paid-up policy therefor. This important feature will commend itself to all.

THE BENEFITS NOW OFFERED BY THE PHŒNIX ARE BETTER AND MORE LIBERAL than those of any other company.

ITS RATE OF MORTALITY IS EXCEEDINGLY LOW AND UNDER THE AVERAGE.

Parties contemplating LIFE INSURANCE will find it to their interest to call and examine our system. Policies issued payable either in Gold or American currency.

HARPER'S BAZAR.

THE Publishers will commence, on November 1st, the issue of Harper's Bazar, a Weekly Illustrated Family Journal, devoted to Fashion and Home Literature. Their aim is twofold: to supply the existing need of a Weekly Fashion Newspaper, and to combine therewith a first-class literary journal, which will be indispensable to every household.

Arrangements have been made, at an immense cost, with the most celebrated of the Fashion Paters of Europe, especially with the famous Bazar of Berlin, which supplies the fashions to the leading journals of Paris, to furnish the same to them in advance, so that henceforth the fashions will appear in Harper's Bazar simultaneously with their publication in Paris and Berlin—an advantage enjoyed by no other journal in the country.

The patrons of Harper's Bazar will receive every fortnight large-plates, containing from forty to fifty full-sized patterns of Ladies' Misses' & Children's bonnets, cloaks, dresses, under-clothing, and other articles, accompanied with the necessary descriptions and directions, and occasionally an elegant Colored Fashion Plate of the size of Harper's Weekly.

Harper's Bazar will contain 16 folio pages of the size of Harper's Weekly, printed on superfine calendered paper, and will be published weekly.

SUBSCRIPTIONS. 1868

The Publishers have perfected a system of mailing by which they can supply the Magazine, Weekly, and Bazar promptly to those who prefer to receive their periodicals directly from the Office of Publication. Post-masters and others desirous of getting up Clubs will be supplied with Show-Bill on application.

The postage on Harper's Bazar is 20 cents a year, which must be paid at the Subscriber's post-office.

(PREPARED IN VACUO)

The Curative Principle of Sarsaparilla enters largely into the Composition of

R. R. R.
RESOLVENT

One Bottle of Resolvent Better than Ten Large Bottles of Sarsaparilla.

One Bottle will Purify the Blood, and Expel Corruption from the Body!

1 BETTER THAN 10

R. R. R. Resolvent cures with astonishing rapidity every form of Chronic, Scrofulous and Skin Diseases, and exterminates all corruption from the human system.

One bottle of Dr. Radway's Renovating Resolvent contains more of the active curative principles of the best Jamaica Sarsaparilla, (Sarsaparillian,) than Ten of the largest size bottles of the mixture sold under the name of Sarsaparilla.

The process adopted by Dr. Radway in securing extracts (prepared in vacuo,) of Medicinal Roots, Plants, Herbs, and other vegetables possessing great curative properties over Scrofula, Chronic, Syphilitic and all skin diseases, that enters into the composition of the Renovating Resolvent, produces only ONE OUNCE of the pure extract out of 20 lbs. of the crude roots. The Inert matter that enters so generally in the large bottle mixtures and prepared under the official or pharmacopela formula, is, by Dr. Radway's process, cast aside as rubbish.

One teaspoonful of the Resolvent is sufficient for a dose for all skin Diseases, Salt Rheum, Pimples, Blotches, Sores and Eruptions of the Skin, Humors in the Blood, &c.

One teaspoonful, three times per day, will, in a few days, make the Blood pure, the Skin clear, the Eyes bright, the complexion smooth and transparent, the Hair strong, and remove all Sores, Pimples, Blotches, Pustules, Tetters, Cankers, &c., from the Head, Face, Neck, Mouth and Skin. It is pleasant to take, and the dose is small.

The first dose that is taken seizes on the disease and commences its work of resolving away all diseased deposits, Purifying the Blood, and driving corruption from the system.

The Renovating Resolvent, if used in any of the following named complaints, will positively cure the patient:

Skin Disease, Caries of the Bones, Humors in the Blood, Constitutional, Chronic and Schrofulous Diseases, Scrofula, Syphilis, Fever Sores, Ulcers, Salt Rheum, Erysipelas, Rickets, Scald Head, Sore Legs, Cankers, Glandular Swellings, White Swellings, Boils, Nodes, Sore Ears, Sore Eyes, Strumous Discharges from the Ear, Opthalmia, Itch, Constitutional Debility, Wasting and Decay of the Body, Skin Eruptions, Pimples and Blotches, Tumors, Cancerous Affections, Dyspepsia, Water Brash, Neuralgia, Chronic Rheumatism and Gout, Diseases of the Kidneys, Bladder, Urethra, Strictures, Difficulty of Passing Water, Calculous Deposits, &c.

Humors and Sores of all kinds.

Ladies suffering from Prolapsus Uteri, (falling of the womb,) Weakening Discharges, Flour Albus, Leucorrhœa, Dropsy, &c., will experience great relief in a few days, and consequent cure by the use of the Resolvent. Price $1.00 per bottle,—6 bottles for $5.00. Sold by Druggists. 87 Maiden Lane, N. Y., and 439, St. Paul Street, Montreal.

OF DEATHS, that annually occur, are caused by Preventable Diseases, and the greater portion of those complaints would, if Radway's Ready Relief or Pills (as the case may require,) were administered when pain or uneasiness or slight sickness is experienced, be exterminated from the system in a few hours. PAIN, no matter from what cause, is almost instantly cured by the Ready Relief. In cases of Cholera, Diarrhœa, Cramps, Spasms, Bilious Cholic, in fact all Pains, Aches and infirmities either in the Stomach, Bowels, Bladder, Kidneys, or the Joints, Muscles, Legs, Arms, Rheumatism, Neuralgia, Fever and Ague, Headache, Toothache, &c., will in a FEW MINUTES yield to the soothing influence of the Ready Relief.

Sudden Colds, Coughs, Influenza, Diptheria, Hoarseness, Sore Throat, Chills, Fever and Ague, Mescurial Pains, Scarlet Fever, &c., &c., take from four to six of Radway's Pills, and also take a teaspoonful of the Ready Relief in a glass of warm water, sweetened with sugar or honey: bathe the throat, head and chest with Ready Relief (if Ague or intermittent Fever, bathe the spine also,) in the morning you will be cured.

How the Ready Relief Acts!

In a few minutes the patient will feel a slight tingling irritation, and the skin becomes reddened; if there is much distress in the stomach, the Relief will assist nature in removing the offending cause,—a general warmth is felt throughout the entire body, and its diffusibe stimulating properties rapidly courses through every vein and tissue of the system, arousing the slothful and partially paralyzed glands and organs to renewed and healthy action, perspiration follows, and the surface of the body feels increased heat. The sickness at stomach, colds, chills, headache oppressed breathing, the soreness of the throat, and all pains either internally or externally, rapidly subside, and the patient falls unto a tranquil sleep, awakes refreshed, invigorated, cured.

It will be found that in using the Relief externally, either on the spine or across the kidneys, or over the stomach and bowels, that for several days after a pleasing warmth will be felt, showing the length of time it continues its influence over the diseased parts.

*** Price of R. R. R. RELIEF, 50 cents per bottle. Sold by Druggists and Country Merchants, Grocers, &c.

STYLE "B," 7 octave, same as style A, with serpentine moulding on plinth, carved legs and lyre.....500
STYLE "C," 7 octave, Front corners large serpentine bottom, mouldings same as on style D, carved lyre and desk, elegant carved fruit legs.....550
STYLE "D," 7 octave, Four large round corners, finished back, mouldings on rim and plinth, serpentine bottom, carved lyre and desk, elegant carved fruit legs.....600

The above styles are all finished in elegant Rosewood case, and have the full iron frame, French action, harp pedal, bevelled top, ivory keys and key fronts, and exposed in overstrung base nearly all the 7½ Octave Pianos now manufactured. They are made of the best materials, and for finish, durability, purity and bad sweetness of tone, cannot be surpassed.

The four styles described above embody all the essential changes in exterior finish of case which are by many manufacturers run up to 10 and 20 patterns.

We invite the attention of the public of dealers and the profession of a critical examination of the merits of our Pianos.

By avoiding the great expense attendant upon costly factories and expensive ware-rooms in this city, we are enabled to offer these Pianos at prices which defy competition, and invite all to call and examine before purchasing elsewhere.

When references and testimonials are required by those about to purchase, instead of presenting a display of professional names, we refer to the parties to whom we have sold our Pianos. Their endorsement is the strongest testimony of our Instruments as to their durability, touch, sweetness and power of tone, standing in tune, &c., based on an actual experience, being of far more value than the mere good opinion of the Artist, however capable, who merely tries in a warm room Instruments in perfect order, which have just received the workman's last finishing touches.

Our motto is
"QUICK SALES AND SMALL PROFITS."

CATHARTIC PILLS

OPERATE by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors, Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanac, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give *Directions* for their use in the complaints which they have been found to cure.

FOR COSTIVENESS.—Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

FOR DYSPEPSIA, which is sometimes the cause of *Costiveness*, and always uncomfortable, take mild doses—from one to four—to stimulate the stomach and liver into healthy action. They will do it, and the *heartburn, bodyburn,* and *soulburn* of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

FOR A FOUL STOMACH, or *Morbid Inaction of the Bowels*, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

FOR NEVROUSNESS, SICK HEADACHE, NAUSEA, *Pain in the Stomach, Back, or Side*, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul.

FOR SCROFULA, ERYSIPELAS, *and all Diseases of the Skin*, take the Pills freely and frequently, to keep the bowels open. The eruptions will generally soon begin to diminish and disappear. Many dreadful ulcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health. Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any of the unclean diseases of the skin, because your system wants cleansing.

To PURIFY THE BLOOD, they are the best medicine ever discovered. They should be taken freely and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every where.

LIVER COMPLAINT, JAUNDICE, *and all Bilious Affections* arise from some derangement—either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and render it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symptom. Obstruction of the duct which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhœa, prevails. Feverish symptoms, languor, low spirits, weariness, restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness; sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch; the whole system irritable, with a tendency to fever, which may turn to bilious fever, bilious colic, bilious diarrhœa, dysentery, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remove the cause of all these troubles. It is wicked to suff
