AMERICAN WATCHES.

THE true value of Machinery applied to watch-making is not that by its use Watches are made rapidly, but that they are made correctly. Very few people know why a Waltham Watch should be superior to any other.—In the first place, at Waltham the Watch is regarded as only a machine, to be constructed, like any other machine, or mechanical principles. The factory is, indeed, little else than a vast machine shop, the principal work in which is not more upon watches than upon machinery to make watches with. If the watches are good, it is because the machinery is good. Of course, there must be no defect in the principle or plan of the movement, no mistakes in the sizes or shapes of the peices of which it is composed, nothing wanting in their properties, and no error in their positions.—These points once thoroughly settled in regard to each part of every variety of watch, it rests wholly with the machinery constructed with infinite diversity of form and function, expressly for the purpose, to produce the finished pieces. The method established in every department is the reduplication of parts by mechanical means, and this is carried out on the system of the most thorough subdivision of labour.

By means of multiplying gauges and miscroscopes, tests and inspection for the detection of wear in cutting tools, and for faults and flaws in steel and stone, are made to accompany the work in every stage from beginning to end. As a necessary result, the Watch goes together a perfect machine. Every part is found to fit properly in its place. Every pin may be pushed till it pinches, and every screw turned home. Instead of a sluggish and feeble action, the balance, even under the pressure of the lightest mainspring, vibrates, with a wide and free motion, and the beat has the clear and ringing sound, always characteristic of the Waltham Watch. The machine is a time-keeper from the start.

The system of watch-making is unknown in foreign countries, and is entirely original with the Waltham Company. The Company claim that by it they produce Watches that cannot be equalled for every quality which makes a watch valuable. Simple to plan and correct in principle, the movement is not only beautifully finished, substantial, accurate and cheap, but is uniform to the minutest details, not easily damaged, easily repaired, and when repaired always as good as new.

There are different grades of finish in the different varities of Watches made by the Waltham Company, as they are different sizes and shapes to suit all tastes and means; but every Watch that bears the genuine trade mark of "WALTHAM" is guaranteed to be a good one, and nobody need be afraid to buy it.

For sale by all first-class dealers in the United States and British Provinces.

R.R.R.
PILLS.

DR. RADWAY'S PILLS—Dose—For Regulating the Liver, Stomach, Bowels, and promoting Digestion, *One Pill at Night.* For Obstinate Diseases and Chronic Complaints—4 to 6—every 24 hours.

Dr. RADWAY'S PILLS are COMPOUNDED FROM VEGETABLE EXTRACTS, Coated with Sweet Gum, and are the best, quickest, and safest Purgative, Aperient, Anti-Bilious and Cathartic Medicine known to Medical Science.

One of Dr. Radway's Pills contains more of the active principle of cure, and will act quicker on the Liver, Bowels, Stomach, Kidneys, Bladder, Blood, &c., than four or six of the ordinary common Purgative Cathartic Pills sold under various names, or than ten grains of Blue Mass.

TRUE COMFORT FOR THE AGED AND OTHERS AFFLICTED WITH COSTIVENESS AND PARALYSIS OF THE BOWELS.

ONE TO THREE OF RADWAY'S PILLS once in 24 hours will secure regular evacuation from the bowels. Persons who for 20 years have not enjoyed a natural stool, and have been compelled to *use injections*, have been cured by a few doses of Radway's Pills.

READ THIS.

New Albany, Ind., March 12, 1867.

For forty years I have been afflicted with costiveness; and for the last twenty was compelled daily to ressort to injections to secure an evacuation. In December last I commenced the use of Radway's Pills. After taking a few doses, my liver, stomach and bowels were restored to their natural strength and duties. I have now a regular movement once a day, and, although 80 years of age, feel as hearty and strong as I did 40 years ago.
Dr. Radway, N. Y. THOS. REDPATH, J. P.

MECHANICAL DISEASES.

Persons engaged in Paints, Minerals, Plumbers, Type Setters, Goldbeaters, Miners, as they advance in life, will be subject to paralysis of the bowels; to guard against this take a dose of Radway's Pills once or twice a week as a Preventive.

DR. RADWAY'S PILLS CURE ALL DISEASES
Of the Stomach, Liver, Bowels, Kidneys, Bladder, Nervous Diseases, Headache, Constipation, Costiveness, Indigestion, Dyspepsia, Biliousness, Bilious Fever, Inflammation of the Bowels, Piles, and all derangements of the Internal Viscera. One to six boxes warranted to effect a positive cure. Purely vegetable, containing no mercury, minerals, or deleterious Drugs.
Dr. Radway's Pills sold by all Druggists & country merchants. Price, 25 Cents.

HIGH ENDORSEMENT FROM THE MEDICAL COLLEGE OF PRUSSIA.

DR. RADWAY
Is in receipt of an important official document, signed by the Professors of the Medical College of Breslau, Prussia, embodying the result of analysis of
RADWAY'S REGULATING PILLS.
"The Faculty of the College state in their report that *after a careful and minute examination*, they have the honour to state that "the pills are not only free from every substance injurious to health, but are composed wholly of substances and elements promotive of digestion, and certain at the same time to act favorably upon the nervous system, &c., &c. They state, further, that the injurious rumors set afloat by the Prussian apothecaries originated "in a mean spirit of trade of jealousy, excited by the great celebrity attained by the Pills within a very brief period."
Signed on behalf of the College,
DR. PHIL. THEOBALD WERNER,
Director of the Polytechnic Bureau.
DR. HESSE, *First Assistant.*

BISMARK! PRUSSIA!! THE KING!!!

Our correspondent informs us that "when this report was published, there was general joy in Breslau and Berlin." In 24 hours after the great purity of this medicine was made known, there was not a box of Radway's Pills to be obtained at the agency. Count Bismark ordered a supply, and it is stated in diplomatic circles that his sudden recovery is owing to them. They are now the acknowledged Pills of the Royal Family. It is a comfort to know that the poor man, for 25 cents, can be cured with the same medicine, that cures kings and their prime ministers of their ills.

Price of Dr. Radway's Pills, 25 cents per box, or 5 boxes for one dollar. Principal office, 87, Maiden Lane, N. Y., and 439, St. Paul Street, Montreal, for the Dominion of Canada and British Provinces. Sold by Druggists, Grocers and Country Merchants.
N. B.—Each Pill is elegantly coated with sweet gum, and perfectly tasteless.
