32 pounds Perfection Blend and 13 pounds Offal per bushel Standard Fall Wheat.

JOHN W. FORD.

East Grey Division Sons of Temperance

East Grey District Division of the Sons of Temperance met last Friday afternoon at Mill Creek, near Heathcote, in a business meeting and again in evening in an open meeting.

The various Divisions of the District, including Vandeleur, Rocklyn, Heathcote, Thornbury, and Mill Creek, were well represented.

A committee of the Local Division had made perfect arrangements for the entertainment of the visitors, and great credit is due them for the way they managed everything.

The District Worthy Patriarch, Bro. Wm. McAuslan, of Mill Creek, presided at the afternoon session. Good reports were presented from the various Divisions. Juvenile work occupied an important place in each. There are in connection with practically all the Divisions in the district thriving companies of Cadets, doing excellent work for the boys and girls.

The interest of the afternoon session also centred around the Grand Worthy Patriarch of Ontario who was present in the person of Rev. J. R. Wilkinson, of Holland Centre, a member of Rocklyn Division; and the Grand Conductor for the Province, in the person of Miss H. Grant, of Thornbury, thus our readers will note that two of the Grand Officers of the province are members of East Grey District. The G.W.P. delivered an excellent address and aided generally in the work of the session.

A resolution was passed expressing the District's hearty approval and appreciation of the advanced step taken by the Leader of the Opposition in the Local House, Mr. Rowell, for having in his platform a plank re "the Abolition of the Bar," and as the people of Ontario are demanding strong and aggressive measures the District Division hopes that this measure will meet with success.

In the Banner Contest based upon progress in the various divisions, Mill Creek won by a narrow margin over Vandeleur Division.

In the Open Meeting Mr. G. A. Clark, of Markdale High School, a member of the local division, was present and occupied the chair. The program consisted of readings, recitations, songs, and choruses, but the central feature was the practical address delivered by the G.W.P., Rev. J. R. Wilkinson. Next meeting will be held at Rocklyn.

Next Meeting in Markdale

The annual meeting of the Chapter and Sunday School Convention of the Rural Deanery of Grey was held on Tuesday of last week in Trinity Church, Durham, with a fair attendance. Delegates came from Chatsworth, Flesherton, Owen Sound, Mt. Forest, Markdale, Hanover, Dundalk, Holland Centre and other points and helpful interesting sessions resulted.

After the celebration of the Holy Eucharist the sermon was preached by Rev. Canon Spencer, Mt. Forest, and following this adjournment was made to the Rectory for lunch.

The afternoon opened with a short business session of the Deanery Chapter, Rural Dean Reiley, of Chatsworth, presiding. At 2 p.m. the convention proper opened with President Reilly's address followed by a report of the Sunday Schools in the deanery by by Diocesan Secy., Rev. T. B. Howard.

The chief features of the afternoon were papers by Rev. E. G. Dymond, Markdale, on "Confirmation" and Miss Benjamin, Dundalk, on "The model Sunday School Teacher." Rev. R. F. Nie, Palmerston, dealt with the "Home Department" and Rev. J. A. Robinson, Clarksburg, "The Font Roll Department."

A public Missionary meeting in the evening was addressed by Rev. J. C. Robinson, Japan, the address being accompanied by beautiful limelight views illustrating the life and resources of the country, pictures of the missionaries, the Royal family etc. Mr. Robinson was the first missionary sent out there by his church 24 years ago. The views were much appreciated being lucidly explained by the lecturer.

Dinner and supper both were given at the Rectory, an army of waiters deftly supplying all with rich and palatable viands. Some remained over and a hearty vote of thanks was given Durham people and especially the Rectory hosts for their hospitality.

Next meeting will be held at Markdale, the new President being Rev. Rural Dean Reiley; Vice-Pres., Rev. W. H. Hartley, Durham; Sec.-Treas., Mr. McKnight, Owen Sound.

PILES.

You will find relief in Zam-Buk! It eases the burning, stinging pain, stops bleeding and brings ease. Perseverance, with Zam-Buk, means cure. Why not prove this? All Druggists and Stores.—50c box.

Zam-Buk FOR ALL SUMMER SORES.

Death of Samuel Kerr.

On Friday, May 24th, there suddenly passed away a well known resident of Euphrasia township in the person of Mr. Samuel S. Kerr.

Mr. Kerr being the fourth son of the late James Kerr, Esquire, was born in the township of Euphrasia fifty-seven years ago and continually resided in that township with the exception of about two years spent in British Columbia. In religion Mr. Kerr was an Anglican, in politics a staunch Conservative and a prominent man in society. Mr. Kerr was a member of the Orange Order the Royal Black Preceptory, the Canadian Order of Foresters and also the Independent Order of Foresters.

The funeral took place at two o'clock p.m. on Sunday, May 26, from his late residence to the Union cemetery, Thornbury, the Rev. Roberts, rector of St. Augustine Church, Heathcote, officiating. The funeral cortege was one of the largest, if not the largest ever assembled in this county.

The Royal Black Preceptory took charge of the funeral, and conducted their burial services after the religious services were conducted.

Among the friends and relatives from a distance were Mrs. William Kerr, of Mayfield, Messrs. Robert and W. J. Kerr, of Brampton, Mrs. James Anderson, of Caledon East, and Mrs. Richard Kerr, of Snellgrove, Ont.

Mr. Kerr leaves to mourn his loss besides a sorrowing widow and five children, three brothers and two sisters, viz: Mr. W. C. Kerr, of Duncan, Mrs. John Brown, of Redwing, Messrs. John F. and J. K. Kerr, of Heathcote, and Mrs. Chas. Hill, of Redwing.—Thornbury Reflector.

Why Go West?

A man was asked the question, "Why are you working?" He replied: "to get comfort." And that is exactly what the majority of people are after. Some men get more comfort out of $500 a year, than others do out of $1000; much depends on their management and the place they live. And the one who gets comfort out of the smaller salary is frequently the best off. It is true that in Ontario you can get a greater degree of comfort for less money than you can get anywhere else in the Dominion of Canada. A farmer in this district enjoys far more comfort than he would have on the western prairie. The citizen of Hanover has greater comfort at less cost than he could get in any western town. A young man (a farmer) who has spent a year in the West was asked what was his opinion of the West. "Just this," he replied. "We are worth now $5,000. I can take that, buy a small farm here with comfortable house and barn on it and get more real comfort than I could get with $20,000 out west. So I calculate to remain in Grey." Another man from Derby who went for a trip offered his farm for $6,000. When he returned he said he would not take $7000 for his Ontario farm. Said he: "I never saw a poor farmer until I went West. People of Grey and Bruce remain here and enjoy real comforts and work the gold mine about you!—Hanover Post.

Tight Shoes Did This.

The wearing of tight shoes has just cost a young woman of Baltimore, Md., the loss of her right leg. Some weeks ago she bought a pair of new shoes which she wore for several days. A slight irritation on the little toe, which she thought would wear off in a few days developed into an ulceration. Then the foot began to swell, and the physicians decided that immediate amputation was imperative. The leg was taken off just below the hip.

When Farmers Are Liable

John H. Wheeler, a farmer, of Lynedoch, Ont., pleaded guilty to the charge of violating the Seed Control Act and was fined. The offence was selling to another farmer clover seed that was prohibited from sale for seeding purposes on account of the large proportion of noxious weed seeds contained. For some time there has been a popular misconception on the part of some farmers and seed dealers that farmers are exempt from the Seed Control Act and may legally sell seed of any quality among themselves. This case should emphasize the fact that this is not correct. Farmers are exempt from the regulations requiring all timothy, red clover, alsike and alfalfa seed to be graded when offered for sale for seeding purposes on their own premises, but they are not allowed to sell any seed that is below the standard for grade No. 3, no matter what representations regarding the good quality or lack of it may be made. In this regard farmers are on exactly the same basis as seed dealers. They may sell seed that will not grade to wholesale seedsmen or local seed dealers for recleaning purposes, but they are liable to prosecution if they sell it to their neighbors or to retail dealer when it is understood that the seed is to be retailed without further cleaning.

The Owen Sound District Meeting

Owen Sound Methodist District Meeting took place in Chatsworth on May 27 and 28. Rev. Joseph Young, of Markdale, was the presiding officer; Rev. Herbert Lee, of Dundalk, was chosen Journal Secretary, and Rev. J. R. Wilkinson and J. Albert Leece, his assistants. There was a full attendance of ministers and lay men. Among the latter were Rev. Little, J. C. Miller and A. E. Abra, of Owen Sound; Ennis, of Markdale, Harvey Taylor, of Massie, Mr. Richardson, of Flesherton. Mr. Samuel Hemstock was the representative of Chatsworth. In the report of the Ministerial Session, Rev. Joseph Young, the Chairman, is retiring from the pastoral work, after 45 years of active service, and Rev. H. A. Fish, of Owen Sound, is stepping out for a year. In the returns for the year Owen Sound District this year records 4223 Church Members, $3503, for Missions and $1,281 for educational work.

On Monday evening there was a good audience at the public rally. There would have been many more but for the rain. The Pastor, Rev. E. R. Young, asked the Chairman of this District to act as Chairman on that occasion. Rev. Mr. McKinnon bore the greetings of the Presbyterians in very kindly words. The Reeve, Mr. Wm. Breese, extended a hearty welcome to the delegates to the town and to the homes of the people. Rev. Dr. Daniels, of Owen Sound, delivered an eloquent address on the work of the Ministry.

In view of his retirement the following resolution was extended to the Rev. Jos. Young; moved by Rev. E. R. Young, seconded by Rev. Dr. Caldwell and supported by Rev. Dr. Daniels and J. C. Miller.

Resolved that this District Meeting desires to place on record its appreciation of the efficient and brotherly oversight during the past year of the Chairman, Rev. Joseph Young, and also, in view of his retirement from active ministry after 45 years of faithful and successful work, we wish to assure both Mr. Young and his beloved wife, who has been his co-laborer for 43 years of active ministerial endeavor, of our warmest affection and of our best wishes and prayers for their happiness, peace and Christian blessing during their remaining years that God shall give to them. The District Meeting presented the resolution through the secretary and with a standing vote. The Chairman replied very feelingly and thanked the brethren for their sympathy, confidence, and affection at such a trying period of a man's life.

A pleasing event in the meeting was a visit from the Womans' Missionary Society. Representatives, Mrs. Wm. Breese and Mrs. E. R. Young, Mrs. Breese delivered an interesting address upon the work of the society and gave a report of the financial standing. On motion of Dr. Daniels the deputation was thanked for its visit and encouraging report and the men pledged their interest and support in their mutual work in the Mission field.

A hearty resolution and appreciation of the courtesy of the Pastor and Trustees of Chatsworth Church and the good people who have opened their homes and entertained the delegates with such generous hospitality was passed.

The Boy Scouts who met the delegates were also commended and thanked by resolution.

Mr. Wm. Breese was chosen to represent Chatsworth at Conference, Mr. Ennis for Markdale. Rev. E. R. Young was elected to the Stationing Committee.

Daylight Saving For Orillia

An Orillia despatch says: The Board of Trade endorsed two very progressive measures at the monthly meeting. Daylight saving was discussed, and with the view of trying it out locally the board has asked the Town Council to pass a by-law bringing local time into effect from June 23 to Aug. 31. Local time will be one hour earlier than standard time. In a summer and lake town like Orillia, it is believed an extra hour of daylight in the evening will be of great benefit to the clerks and those employed in factories.

"Little" Dorothy Drew.

Miss Dorothy Drew, who was married recently is probably still pictured by the great majority of people as the little child with a head of rebellious curls who appeared in so many photographs side by side with her grandfather, the late Mr. Gladstone. Her features in those days were almost as familiar as those of the Grand Old Man himself. Time passes quickly, and the child of the days of the second Home Rule bill is a married woman before the third Home Rule bill passed its second reading. But Miss Dorothy Drew has retained much of the charm which made her so fascinating a child in the rectory at Hawarden.

It is not well known that more than one case of rheumatism in ten requires any internal treatment whatever. All that is needed is a free application of Chamberlain's Liniment and massaging the parts at each application. Try it and see how quickly it will relieve the pain and soreness. Sold by R. L. Stephen.

A Trying Moment.

A fierce electrical storm accompanied by rain passed over this district on Sunday night and put the electric light out of business here for about ten minutes. At the time the lights went out Drs Johnston, of Midland, and Brown of Victoria Harbor, were in the midst of an operation on a young man, at the Midland hospital, for appendicitis. The incision had been made, and Dr. Brown had hold of the appendix and Dr. Johnston the knife, when the lights went out and for ten minutes the two surgeons stood in black darkness and terrible suspense, unable to move, awaiting the restoration of the lights. The patient's life was in their hands and owing to the ether in use, a lamp was out of the question so there was nothing to do but wait. It must have been a trying ordeal enough to shake the nerves of the strongest men. When the lights came on the physicians looked at each other and their faces were like marble. The operation was resumed and concluded with perfect success, but it was doubtless an experience of which neither doctors will wish for a repetition.—Midland Free Press.

Will Appeal Decision.

The Ayton Advance comments rather pungently on the decision against Normanby in the recent bridge case between the township and the County of Grey. "The County of Grey was very fortunate in securing the services of Mr. Middlebro' in the absence of the Hon. A. G. McKay, who is County Solicitor, but who is now in the West. Mr. Middlebro is the M.P. for North Grey, a few weeks ago he had the recommendation of the appointment of County Judge for Grey County. Some people in this village were of the opinion that the Judge and Mr. Middlebro' were very intimate friends. Mr. Middlebro' explained very thoroughly the richness of the Township of Normanby, he even explained that one farm was sold for $11,000. He omitted telling him all about the poor land, about the 1[illegible] Bridges to be maintained by the Township. Normanby never got her rights, although she pays as much County Rates as eight other municipalities in this county. We understand it is the intention of the Council to appeal the decision of Judge Sutherland.

Those who have subscribed to the W.M.C.A. fund in Ottawa and have neglected to pay up will be sued.

When your child has whooping cough be careful to keep the cough loose and expectoration easy by giving Chamberlain's Cough Remedy as may be required. This remedy will also liquify the tough mucus and make it easier to expectorate. It has been used successfully in many epidemics and is safe and sure. For sale by R. L. Stephen.

Look Out For These Photo Agents

Toronto News:—"As a result of complaints received from all parts of the Province, the Toronto Police Department will take drastic steps in dealing with fake portrait agents who have been reaping a goodly harvest during the past three months. For some time the local authorities have been advised by the chiefs of police in outlying towns that representatives of a Toronto firm have been soliciting orders for the enlargement of photographs and collecting deposits ranging from $[illegible] to $20 with each order. The report explains that the firm is introducing a new line of work and that the order will be filled shortly to the entire satisfaction of the customer. There is only one complication, however, and that is a deposit must be paid. In the last seen of the agents departs for pastures new, the west as Sarnia the game being worked, and one letter was received at headquarters today from a citizen of that place who enclosed correspondence which he had had with the proposed firm. The company was written on impressive stationery and set forth the fact that their factory was on Market Square and their office on Delaware ave., Toronto. The police visited both places and found that the firm possessed no such and that they were practically unknown at the Delaware address. Inspector of police Duncan stated to the Toronto Star the police in outside towns where the gang was working, were advised to issue warrants for the arrest. He added that the photo agent demanded payment on goods before they were delivered and insisted on taking photographs belonging to customers, there was ground for suspicion as to his bona fides.

There is no real need of anyone being troubled with constipation. Chamberlain's Tablets will give an agreeable movement of the bowels without any unpleasant effect. Give them a trial. For sale by R. L. Stephen.

Any amount of money to loan on mortgage security at the lowest rate of interest. Expenses low. No fines. Properties valued personally. No waiting for convenience of inspectors. W. H. Young, Markdale, Appraiser for Canada Permanent Loan Company.

Mrs. Geo. Kaupp

States That Parisian Sage is Best Hair Tonic.

"I had a bad case of dandruff. My scalp was full of dandruff, it came out thick and scaly. My hair came out badly; often I nearly cried on account of losing pretty head of hair.

I heard of PARISIAN SAGE and only had to use two bottles before the hair stopped coming out, the scalp became clean, and all the dandruff disappeared. The hair became silky and one big reason, that I liked PARISIAN SAGE was that it kept the hair smooth, silky, and clean with no traces of stickiness.

I believe this tonic to be the best on the market as there has been no return of dandruff, or hair falling out whatever. I am glad to publicly endorse the use of PARISIAN SAGE. I have often endorsed its use and am glad to do it." 33 E. Bond St., Corry, Pa.

PARISIAN SAGE, the delightful hair dressing and beautifier sold by W. Turner & Co. and druggists everywhere. Guarantee for falling hair, dandruff and itch: Large bottle 50 cents.
