Opening Sir Morton.—The refusal of Sir Morton Peto to vacate his seat in Parliament for Bristol on the ground of his failure, has excited a great deal of angry feeling among the Conservatives of that town, who, having got their man ready to step into Sir Morton's shoes, are in no mood to wait till the general election. They have prepared a petition to the House of Commons praying that Sir Morton Peto's seat be declared vacant, and it is understood that the petition will be followed up by a direct motion in the House of Commons in April.

NEWS OF THE DAY.

WEDNESDAY MORNING, MARCH 25, 1868.

Fire in Pittsburgh.—The handsome residence and out-buildings of Mr. John G. Strachan, about four miles from town, on the Kingston Mills Road, were utterly destroyed by fire early yesterday morning. The family were awakened from their sleep about three o'clock in the morning by the roaring of the flames in the rear of the house, the out-buildings and back kitchen being on fire. There being little or no help on hand, there were no means of arresting the fire, and in a very short time the whole of the buildings were destroyed, only time being afforded to drag out some of the furniture from the two front rooms. Mr. Strachan loses heavily by this fire, losing carriages, sleighs, implements and tools to a large amount. His horses were saved with difficulty, but his pigs were burnt. We have learned that there is no insurance on the premises and furniture, &c., &c.

Fire Investigation.—Dr. Barker, Coroner, yesterday held an Investigation, an secret, upon the Requisition of Thomas Kirkpatrick, Esq., Agent for the Phœnix Insurance Company, into the origin of the Fire on the 10th inst. at the house in Clarence Street, occupied by Mrs. Welsh, now Mrs. Harknett. A good many Witnesses were examined, and the Investigation was adjourned until to-day. No one was present but the Coroner, the County Attorney, and the Counsel for the Agent, Mr. A. S. Kirkpatrick; the Witnesses were examined separately. Of course the evidence cannot be made public.

The Assizes.—The Spring Court of Oyer and Terminer opens to-morrow at noon in the Court House, before the Hon. Mr. Justice John Wilson. The criminal cases are very few in number, and the civil docket is not unusually large.

14th Volunteer Rifles.—This battalion paraded in the Drill Shed on Monday night, and afterwards marched through the city, headed by its own band, breaking off again at the Drill Shed. As the time approaches for target practice and annual drills, something like activity may be infused into the corps.

Bailiffs.—Private Holleran, one of the soldiers of the R. C. Rifles quartered at Point Frederick, was interred yesterday with military honors, the full band of the regiment preceding the hearse.

The strange anomaly of a cat and a rat living quietly together can now be seen in this city. A cat, which has one little kitten, took very kindly to a large rat which previously was seen about the house, and is nuzzling and bringing it up as one of her own young. The rat is extremely tame, and will bear caressing like a kitten. It has never shown the least fear of anything. A handsome sum has been offered for the happy family, which at present is attracting much attention.

Police Court, Tuesday.—No prisoners before the Court this morning.

A telegram from Madoc states that three sons of Philip Grover, and a son of Martin Bradshaw, were drowned in a pond near Grover's place.

Chas. Dickens may possibly find time before he leaves the continent, to give one reading in Toronto, and another in Montreal.

A second winter has set in South of us. On Saturday last, Philadelphia experienced "the most wintry day of the season." Snow fell two feet deep on the level, and the roads are blockaded. In New York also a severe storm prevailed, a vessel being sunk and four persons drowned.

The 78th Highlanders are not to be removed to Toronto after all, and the batteries of R. Artillery are to leave there in May next. The Telegraph says that on account of a want of good barrack accommodation Toronto will hereafter have only about half as many troops as have been quartered there of late.

The village of Paisley, Bruce, was partially flooded during the recent freshets. A portion of the houses were deserted.

Apropos of the recent precautions on the part of the military in Montreal and Quebec, is said that the authorities received information to the effect that an attempt might be made on St. Patrick's day to destroy the fortifications of the different cities. In Toronto a strict watch was kept for several days, but no circumstances of a suspicious character were revealed.

POST OFFICE

Savings Banks!

THE POST OFFICE SAVINGS BANKS, established by Statute in the present Session of Parliament, will commence operations on the 1st of APRIL, 1868, and the Postmaster General will, from that day, receive at any of the undermentioned Post Offices deposits paid to the Postmasters by persons wishing to place their money in the Government Savings Bank.

2. The direct security of the Dominion is given by the Statute for all deposits made.

3. At each Post Office named, the Savings Bank regulations may be read by the public, giving full information with respect to the mode of depositing and withdrawing money, and these regulations are printed on the cover of the Pass Book supplied to each depositor.

4. Any person may have a deposit account, and deposits will be received daily, during the ordinary hours of Post Office business, of any number of dollars, from $1 up to $300, the total amount which can be received from a depositor in any one year, except in cases to be specially authorized by the Postmaster General.

5. The Postmasters of the offices named will act as agents for the receipt of the money deposited for transmission to the Postmaster General, and for the payment by the Postmaster General of money withdrawn by Depositors.

6. Each Depositor will be supplied with a Pass Book, and the sums paid in or withdrawn will be entered therein by the Postmaster receiving or paying the same. In addition, a direct receipt for each amount paid in will be sent to the Depositor from the Postmaster General, and the Postmaster General will issue a cheque, payable at any Post Office Savings Bank desired, for any sum withdrawn.

7. Every Depositor's account will thus be kept with the Postmaster General, and a Depositor may pay into his or her account with the Post Office Savings Bank, at any of the Savings Bank Post Offices which at the time may best suit his convenience, and may exercise the same choice in drawing out money, subject only to the obligation of producing the Pass Book, in proof of identity—whenever paying in or drawing out money.

8. Interest at the rate of 4 per cent. per annum will be allowed on deposits lying in the ordinary deposit accounts, but when a Depositor has $100 deposited, he or she may request the Postmaster General to transfer this sum to a special account, and will then receive a Certificate of such special $100 deposit, bearing interest at 5 per cent. per annum.

9. Postmasters are forbidden by law to disclose the name of any Depositor, or the amount of any sum deposited or withdrawn.

10. No charge will be made to Depositors on paying in, or drawing out money, nor for postage on communications with the Postmaster General in relation thereto.

11. The Postmaster General will be always ready to receive and attend to all applications, complaints, or other communications addressed to him by Depositors or others, relative to Post Office Savings Bank matters.

12. An additional number of Post Offices will be authorized to act as Savings Bank agencies on the 1st July next:
