## Mercer--Richardson.

A quiet weeding took place in Christ Church, Markdale, early this Wednesday morning. In the presence of only the immediate relatives of the contracting parties, Miss Mary Ella, only daughter of Mr. and Mrs. W. N. Richardson, became the bride of Mr. John Clarence, son of Mr. and Mrs. Hugh Mercer, of Markdale. The bride, who was handsomely attired, was given away by her father, while Rev. J. H. Hosford performed the ceremony.

After the wedding, the happy young couple left on the 7.41 a. m. train for a short trip to Toronto and other points.

The bride was the recipient of many beautiful wedding gifts. Mr. and Mrs. Mercer will reside in the appartments in the Mercer block, and will be at home after July 1st. The Standard extends congratulations.

## A Word to the Wise.

The following letter to the Markdale Hydro Electric Power Commission, Markdale, Ont., speaks for itself:

Palmerston, May 31, 1916.

Gentlemen—

When we were requested by you sometime ago, to grant an extension of time for the re-wiring of consumers' premises in your town, we were very much pleased to be able to do so. Our Inspector, Mr. R. A. Macbeth has advised us that this work is almost completed and the recent falling off in the number of applications for permits, confirms his opinions. Under the circumstances, and in justice to you and your consumers, as well as to ourselves, we are setting a time limit for the completion of this work. You will therefore, kindly take notice that all consumers who have not taken steps to connect defects in their wiring by June 30th next, are to be disconnected forthwith.

We are notifying by letters all of your present list of consumers to whom this notice will apply.

Yours Truly,
William Henry Croydon,
District Inspector.

Sadness passed over this community on Saturday, when the news reached here of the death of Mrs. Toms, (nee Mina Graham) daughter of Mr. and Mrs. Robert Graham, of the Valley. Deceased was assistant in the post office in Markdale some years ago, was a very clever young lady, and highly respected by all. Besides her sorrowing husband, she leaves to small children.

Though it is yet early in the season, picnics have been numerous. The grove, adjoining the village, known as "Riverside Park," seems to be a favorite place for such. Markdale is indeed fortunate in having such a beautiful spot so near at hand. The boys and young men also wend their way along the winding path to the "old swimming hole." This could easily be made into a most delightful swimming pool, where everyone, boys and girls alike, could bathe and learn to swim.

His soul is safe in Heaven.—Wife.

The Temperance people of Centre Grey, met in Convention in the Methodist Church, Markdale, on Monday afternoon and evening, June 5th.

Moved by W. W. Wallace, seconded by J. R. McKenzie—that the Temperance Convention assembled in Markdale appreciate the value of the recent Temperance Legislation and we believe that we have in the Ontario Temperance Act an exceedingly common-sense and workable law. And we feel it is our duty to place ourselves on record, commending the Premier of Ontario and his Government for such splendid legislation in the interests of Temperance reform, and also feel that we must commend the noble stand of the leader of the opposition, Mr. N. W. Rowell and his supporters, who so loyally supported the bill in passing it through the House.

Mr. H. Bushven McDonald sang very acceptably some fine solos, which were well appreciated by all who heard him. His accompaniments were well played by Miss L. K. Brown.

The Convention was brought to a close by singing "Bid Sad Care the Kick."

## Letters from Soldier.

...Lloyd Cook, son of Mr. E. J. Cook, Rocklyn, and brother to Mrs. C. B. Abercrombie, writes to Mr. Cook has been in Ladner, B.C., for the past few years, and enlisted there, being with the 72nd Battalion. He writes in part as follows:

Dear Father,—

I am going to drop you a few lines to let you know I am still alive. We are situated at Bramshott military camp, England and we have 6 weeks leave now and are spending it in London. I came into London last night. It seems to be a very strange place, the streets are so narrow and the houses so very dirty. It is no disgrace to be a little lost, because you can't see anything 100 yds. away and everybody you strike is a new one.

We must tell you of our trip over to England from Vancouver. We left Vancouver on May 11th at 11 a.m., and we certainly got some send-off. Thousands of people were down to see us and we left in 11 companies. C. Company left on the first train, and B. left on the second train and I am in A. Company so I got the last train. The trip was easy to the most of the boys and largely everybody enjoyed the trip all the way along. Sometimes we would get off and go for a route march, otherwise we were not allowed off the train at all, after putting in 7 days on the train we got to Halifax about 6 o'clock on Sunday and at 6 o'clock in the afternoon we were on board the "Empress of Britain," the sister ship of the "Empress of Ireland." Here is where our troubles began. We
