MOTHERS OF CANADA PREPARE FOR TROUBLE

When a girl becomes a woman, when a woman becomes a mother, and when a woman passes through the changes of middle life, are the three periods of life when health and strength are most needed to withstand the pain and distress often caused by severe organic disturbances. Many thousands in this section would testify as do the following:

St. Catharines, Ont.—"Over forty years ago I was restored to health by taking Dr. Pierce's Favorite Prescription. It was after medicine and doctors had failed to help me or give relief. I had, through overwork, become all run down in health. I was weak and finally became a nervous wreck. The 'Prescription' was recommended to me, and at the time I started to take it I had not been able to do anything for over a year. I took the 'Favorite Prescription' and the 'Golden Medical Discovery' as well. It took several bottles, but I was completely restored to good health and since that time when I have felt the need of these medicines I have taken them and always with perfect satisfaction."—MRS. WM. BAKER, 33 Page St.

Stratford, Ont.—I was all run-down, weak, nervous. I also suffered with severe pains through my back. I was very miserable when a friend advised me to try Dr. Pierce's Favorite Prescription and one bottle seemed to give renewed strength. It stopped the pain in my back, also helped my nervous condition. It is surely a good tonic for women.—MRS. FLORENCE CULLUM, 100 Milton St.

He is survived by his widow, three brothers, Anthony and Alexander of Holland Centre, and John of White Beech, Sask.; five sons, James of Rainy River, Anthony on the homestead, Richard of Washington, Geo. of Pelly, Sask., and John of Sanford, Man., and four daughters, Mrs. Geo. Finlay of Moose Horn, Man., Mrs. Atcheson, Bognor, Mrs. Jos. Hampton, Holland Centre, and Mrs. Jno. Heighes, Walters Falls.
